A note from UDOT: Thank you to residents for your patience during the pavement renewal projects on S.R. 112 and S.R. 138 this summer. The projects made important and necessary upgrades to the pavement, as well as other improvements that increased safety, reduced traffic-related noise, and improved accessibility. Minor work will continue in the coming weeks, with minimal impacts to traffic. Work is on schedule to be completed by the end of the year. Questions? Please contact the public involvement team at (435) 213-1637 or by email at SR112andSR138@utah.gov.

This year marks 20 years since the life changing day of 9-11. To remember the loved ones who sacrificed so much, there will be a memorial event held on Saturday, September 11th. Each community will conduct a flag raising ceremony at **6:46 am** (the time the first tower was hit). Grantsville City's will be held at the Fire Station. A memorial program will then be held at the Utah Motorsports Campus at **8:00 pm**, with a Fireworks show around 9:00 pm. All of Tooele County is invited. This event is free of charge. September 11th has also been designated as a day of service. Please contact your local religious leaders for service ideas or projects. The countywide "Night Out Against Crime" event will also be held at the UMC on Saturday, September 11th. This will begin at 6:00 pm. Come mingle with our firefighters, first responders, police and military members. You will be able to purchase food and drink at this event.

ATTENTION!

Please join us on Wednesday, September 8th for a **Redistricting Meeting** with Representative Nelson and Sagers (and other elected officials) at the GHS auditorium at 6:00 pm. This meeting is to discuss political boundaries for legislative representation.
