

Items for Accomplishment

2018-2019

Ranked List

Ranked Number	Description
1	Complete SAW program grant process and develop and fund first phase of SAW program.
2	Identify streets, parking lots, and sinking storm drains in need of repair and develop action plan and implement.
3	Pursue expansion of the wastewater treatment plant.
4	Pursue grant funds and installation of wastewater pipe from industrial park to treatment plant.
5	Budget for and hire an Assistant City Manager.
6	Pursue \$2.5 million grant for Industrial Park Drive reconstruction.
7	Increase communication between Council & DDA with respect to TIF.
8	Make essential improvements to the Danish Kingdom.
9	Pursue alternative water source.
10	Submit to MDOT a traffic study for consideration of a full traffic signal at M57 & Maplewood.
11	Coordinate with Eureka Township to establish a transitional speed limit @ 45mph on M91 from South City Limits to South/Fairplains.
12	Update the comprehensive master land used development plan.
13	Bring back bike patrol if grant opportunities for equipment and operational funds will allow.
14	Consider partnering with GPS to increase presence, jointly look for opportunities to partner with GPS, and educate students more regularly on specific aspects of public safety.
15	*Continue with the process to have an updated charter; review and act upon the charter review committee recommendations.
16	Complete kayak launch.
17	Develop a plan and solicit community input to help develop a plan to renovate the community center and grounds.
18	Complete Skate Park.

Items for Accomplishment

2018-2019

Ranked List

Ranked Number	Description
19	*Monitor and upgrade as possible infrastructure for 21st century technologies (web access methods, autonomous and electrical vehicles, telecommunication, etc.).
20	Complete splash pad.
21	Demo old water works building.
22	Identify and move (if possible) objects that block visibility to both pedestrians and motorists on M-57 West of Lafayette.
23	Prioritize essential services over non-essential services.
24	Coordinate and advocate strategies to keep/lure back college grads to Greenville: housing, transportation, walkability, recreation, entertainment, etc. Stop the brain drain.
25	More communication with downtown business owners in regards to keeping front and back sidewalk cleaner (snow removal, leaves and trash) in order to attract business.
26	Apply for next round of façade grants.
27	*Develop, analyze, and implement “way finding” signage for the Fred Meijer Flat River Trail throughout the City for improved direction to the Trail and Tunnel.
28	Develop a plan for social networking.
29	Review and evaluate the need for new or extended sidewalks within the City limits and prioritize them.
30	Consider turning the Community Center board into a Public Arts Commission to create collaboration and coordination between City Hall and the arts community, support and maintain public art installations and pursue grant opportunities and private donations for public art projects.
31	Determine safety and possible code violations at former Northland property (AGA/Marvel).
32	Bring a non-discrimination ordinance, specifically protecting sexual orientation and gender identity, to a vote of City Council.

Items for Accomplishment

2018-2019

Ranked List

Ranked Number	Description
33	Encourage entities like Meijer, Walmart, banks, gas stations, convenience stores, etc. to acquire tokens for their patrons to ride transit.
34	Entertain proposals from others to extend transit service.
35	Replace park benches that are missing (park between show store and old Hansen's music store) and some others are away from their moorings.
36	Evaluate FMFRT crossing at M91 by GTD. Pedestrian overpass?
37	*Explore a utility ordinance that addresses unsightly and duplicate lines, poles and other unsightly and/or unsafe issues in the City Rights of Way, especially along north M91.
38	Organize volunteers to routinely check the Fred Meijer bike and walking path around the city (similar to adopting portions of the area roads). Signs could be used to help recognize their efforts.
39	*Pursue installation/construction of the 3 dams along the Flat River where proposed.
40	Complete Lowell to Greenville Trail.
41	Evaluate a change to the designation of "Councilperson" to "Councilor" or "Commissioner."
42	River Clean Up
43	*Construct and operate a Dog Park.
