To All Garages, Body Shops, Auto Dealerships, and any other automotive-type businesses located in the Town of Groton:

The 2023 Personal Property Declaration filing period is upon us and you should have received the Personal Property Declaration form. Please contact me directly or visit our webpage at www.groton-ct.gov for the forms if you have not received the forms yet.

On the reverse side of this letter is the Dealer/Repairer Plates form. I would greatly appreciate if you would complete it and return it to the Assessor's Office by November 1, 2023 as it will assist in the annual assessment of personal property.

Feel free to contact me, should you have any questions or concerns. I thank you for your anticipated cooperation.

Sincerely,

Mary Gardner, Assessor
