## Connecticut License Plates & Canceling a Vehicle Registration

You must cancel your registration if you no longer have the vehicle or if you have moved out of state.

Your vehicle will be subject to property tax assessment in the town of record until the registration is canceled. Once the registration has been canceled, the vehicle will be removed from the **next** Grand List that is provided by CT DMV to the municipalities on October 1st each year.

You can cancel a registration online or by mail to avoid visiting a DMV office.

### Cancel Online at <http://www.ct.gov/dmv>

- Select [Registration and Title](#), then under [Online Services](#), select [Cancel Registration and License Plates](#).
- Select the link in which your vehicle is registered under: **Individual or Organization**
- Follow prompts. For individuals, you will need the first and last name on the registration, date of birth, CT drivers or ID number, plate number and class.
- The last confirmation page is your plate receipt; you must print this plate receipt confirmation page if you would like to keep a copy for your records. **\*\*\*IMPORTANT NOTICE** - Please keep this receipt and contact your local Assessor's Office to see what additional documentation is required (along with this receipt) to adjust the tax bill.
- If you need a copy of your registration cancellation receipt, you can use DMV's online service to print out a copy of the cancellation status. [Select this link to find your cancellation status.](#)
