Color map up to 11x17	\$5.00
Color map over 11x17	\$10.00

### Copies:

Large Format Copies over 11 x 17; up to 36 X 50 (Black & White)	\$5.00 per Map
---	----------------

GIS Fees Effective July 1, 2003.  
 Adopted by the Town Council June 3, 2003.  
 Revised by the GIS Executive Committee March 1, 2005

## **Digital Data**

The price for digital data is the same for either Arc/Info Coverage/Export Files or AutoCAD Drawing Files. However contours are only available on a per tile basis in AutoCAD Drawing File format even if purchased as a Town-wide data set. A Media Fee of \$5.00 per CD-ROM will be charged. Technical Service Fees (15 minute Minimum) will be charged when a request requires additional work or customized programming in order to create the desired files of the requested data.

	<b>Price</b>
<b>Cost per Tile</b>	
Planimetrics	\$50.00
Contours	\$50.00
1999 Color Orthophotograph	\$50.00
2004 Color Orthophotograph	Contact Us
<b>Cost for Town-wide Data Sets</b>	
Planimetrics	\$2,000.00
Contours	\$2,000.00
1999 Color Orthophotograph	\$2,000.00
2004 Color Orthophotograph	Contact Us
Parcel Base	\$125.00
Address Points	\$250.00
Street Centerlines	\$125.00
Misc. Data Layers (i.e. Zoning, Wetlands, etc.)	\$125.00
<b>Media Fee</b>	
CDROM	\$5.00 each

**Note:** 2004 Color Orthophotography is available for purchase from SBC Communications, Inc.

## **Technical Services**

Certain products can not easily be produced using the standard Town of Groton GIS menu system and require technical support from staff. The following Technical Service Fees will apply for such products and services.

### **Technical Service Fees**

	<b>Fee/quarter hour</b>
Level 1 (services performed by GIS Program Supervisor)	\$15.00
Level 2 (services performed by GIS Technical Support Personnel)	\$12.50
Level 3 (services performed by other Technical Employees)	\$10.00

GIS Fees Effective July 1, 2003.  
Adopted by the Town Council June 3, 2003.  
Revised by the GIS Executive Committee March 1, 2005

- Special map products will be charged using a combination of the technical service fees and the appropriate custom map charge.
- Special digital data products will be charged using a combination of the technical service fees and the digital data fees.
- Special GIS-related data products will be charged using a combination of the technical service fees and the appropriate paper or digital format charge.
- Technical Support will be charged using the appropriate technical service fee.

### **Related Data**

<b>Description</b>	<b>Cost</b>
Data generated from the GIS and provided as a list on 8.5 x 11 paper (such as names and addresses):	\$ .25 per page
Data generated from the GIS and provided in digital format in a comma-delimited text file:	\$.03 per record(3 cents) <b>plus</b> Media fee for each CDROM.

### **Fee Adjustments**

The GIS Executive Committee shall on an annual basis review the fees for GIS data and hard copy mapping products and make recommendations for adjustments based on cost and comparability with fees charged by other municipalities for similar services and products. The recommended changes, if any, shall then be referred to the Town Council for review and possible approval
