

## REOPENING STATEMENT

### FROM THE DIRECTOR

We are happy to announce that the library will reopen its doors on Monday, April 19. We would like to state that the health and safety of our patrons, staff, and community remains our highest priority. It is our hope that with a gradual reopening, all library services will eventually be restored.

### FOR YOUR SAFETY

Both staff and patrons will be required to wear face masks while in the building and maintain a 6-foot distance from others. Plexiglass has been installed at both our circulation and information desks. Our janitorial staff will continue to clean and disinfect regularly.

### LIBRARY HOURS

MONDAY - THURSDAY	10 AM - 6 PM	SATURDAY	10 AM - 5 PM

### HOLDS

We encourage you to continue to place holds through our catalog [wgpl.ent.sirsi.net](http://wgpl.ent.sirsi.net), or by calling the library at (860) 441-6750. In an effort to minimize in-person interactions, we will continue to provide contactless holds pickup. All **hold items will be checked out** prior to being placed on the holds shelf.

### BOOK DROP HOME DELIVERY SERVICE

The library's delivery service will continue to be available to those who prefer items to be brought to them. Please call to request materials and a delivery. Deliveries take place Tuesdays and Wednesdays.

### RETURNING MATERIALS

Our drive-up book drop is open 24/7. You may also return materials inside the building in one of the return bins.

### COMPUTER USE

Limited computer usage is available in 1-hour increments. Please register for a computer at the circulation desk. Computers are available on a first-come, first-served basis. WiFi is available for use inside and outside of the library. Tables have been designated for those who wish to use their own devices.
