

Sec. 7.4-3.I Noise

Unless otherwise specified in these Zoning Regulations, the State of Connecticut Noise standards apply, per the Regulations of Connecticut State Agencies, Title 22a. Environmental Protection, inclusive of Sec. 22a-69-1 through 22a-69-7.4. ~~Maximum noise levels for day time and night time are as follows:~~

Time of Day	Maximum Noise Level
Night: 10:00 PM – 7:00 AM	50 dBA
Day: 7:00 AM – 10:00 PM	70 dBA

All industrial uses on a lot abutting a property in any zoning district other than IG and IM, or abutting any existing residential use, must demonstrate to the Town compliance with the State’s noise standards prior to the issuance of a Certificate of Occupancy.
