

INTRODUCING

The conclusion of the **Groton 2020 School Construction Program**

Mystic River Magnet Elementary School
formerly Cutler Middle School

Thames River Magnet Elementary School
formerly West Side Middle School

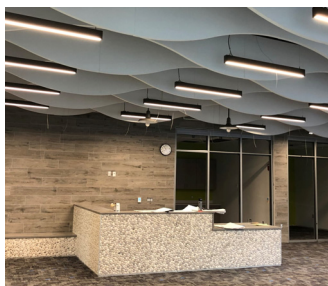

CONGRATULATIONS Public Works School Construction Project Manager **Rick Norris** & Arcadis construction management staff on a job well done!

This month, Rick Norris was recognized for his work with the Groton 2020 project by the CT Associated General Contractors of America for Outstanding Achievement in Construction in the Public Owner category. The nomination by industry peers honors the principles of skill, responsibility, and integrity.

The former Cutler School, shown, was named for Carl C. Cutler one of the Mystic Seaport founders.

Former West Side school, exterior
