PERQUIMANS, CHOWAN, GATES LANDFILL AND CONVENIENCE SITES COVID-19 RESPONSE

Elizabeth City, NC - The PCG Landfill and Convenience Sites in Perquimans, Chowan, and Gates counties are following best practice recommendations from industry experts regarding the COVID-19 outbreak. The health, safety, and well-being of employees, customers, vendors, and visitors are of utmost importance.

At this time, we have closed Swap Shops at all convenience sites, but are operating all other services on a normal schedule. We are making adjustments as necessary as situations develop to protect those we employ and serve.

All convenience sites will remain open, however attendants will remain inside the building and/or maintain a social distance of 6-10 feet. Limiting community contact is a key factor in helping to prevent the spread of COVID-19.
