Highlights from the February 21st, 2022 Commissioners' Meeting:

- The Commissioners unanimously approved a Resolution honoring Dr. Julian Taylor's fifty-one year medical career dedicated to serving Hertford County. Chairman Gatling and the Commissioners cited countless examples of Dr. Taylor's selfless acts and commitment to his patients. Dr. Taylor was joined by his family, colleagues, friends and former patients.
- 
- Under the Consent Agenda, the Board approved the Meeting Minutes from January 18th, 2022 and Taxpayer Refunds.
 - The Commissioners approved budget amendments #9 and #13 to the Fiscal Year 2021-2022 Budget Ordinance.
 - A major initiative of the Commissioners is to establish a Hertford County Museum dedicated to collecting, preserving, cataloging and displaying (vetted) historically significant artifacts, documents as well as memorialize significant events and time periods relevant to Hertford County. As such, the Board successfully advocated for funding through the General Assembly to renovate and upfit the museum. Representative Howard Hunter championed the museum funding securing \$250,000 for Hertford County in the State's budget.
 - The Board is committed to ensuring compliance with all State and Federal guidelines and laws. As a measure of the Commissioners' commitment, they approved the American Rescue Plan Act (ARPA) Project Ordinance appropriating the allocation dedicated to Hertford County.
 - The Commissioners received the Monthly Financial Report for January 2022.
 - In an effort to protect and prepare our community to recover from a natural disaster, the Commissioners received an update about the Hertford County Resilience Strategy.
