- The annual budget document is one of the most important planning tools in local government as the organization strives to provide services commensurate with expectations and demonstrate accountability to the taxpayers. The process of developing, implementing, monitoring and planning is essentially a year-round effort. However, formally the County began in February 2022 with a goal setting retreat with the Board of County Commissioners. The Commissioners provided guidance and sage advice for the formulation of the Fiscal Year 2022 – 2023 budget document. The culmination of the Board's efforts was the unanimous approval of the Fiscal Year 2022 – 2023 Budget Ordinance and Schedule of Fees and Fines.
