Post Meeting Brief

At the September 20th, 2021 Board of Commissioners' meeting, the Board addressed several routine business items. The Post Meeting Brief will be published on the County's website, Facebook page and it will be shared with our Sunshine List, media and County staff.

Highlights from the September 20th, 2021 Commissioners' Meeting:

- ◆ During the discussion of the Consent Agenda, the Commissioners approved the meeting minutes from August 2nd & 16th, 2021 as well as motor vehicle tax refunds/releases for several citizens.
- ◆ The Commissioners unanimously approved contracts with the Mid-East Commission Area Agency on Aging for Senior Center General Purpose funding. As a Senior Center of Merit, Hertford County will receive funding to provide programs and services to enhance and promote the lives of our senior population.
- ◆ As stewards of the taxpayers' assets, the Commissioners have an enormous responsibility to balance the viability of the service life of an asset juxtaposed with receiving the highest possible return on an asset declared surplus. As a result, the Commissioners diligently strive to maintain the trust and confidence of the community by applying sound and prudent practices when evaluating County owned assets. A practical example of the Commissioners' dedication to the citizens of Hertford County occurred at the meeting. The Board unanimously declined an offer from an individual to purchase a vacant lot owned by the County. The value of the parcel as it relates to the offer to purchase was too great to proceed with the process.
