APPENDIX A

N.C.G.S. § 143-318.12. Public notice of official meetings.

(a) If a public body has established, by ordinance, resolution, or otherwise, a schedule of regular meetings, it shall cause a current copy of that schedule, showing the time and place of regular meetings, to be kept on file as follows:

- (1) For public bodies that are part of State government, with the Secretary of State;
- (2) For the governing board and each other public body that is part of a county government, with the clerk to the board of county commissioners;
- (3) For the governing board and each other public body that is part of a city government, with the city clerk;
- (4) For each other public body, with its clerk or secretary, or, if the public body does not have a clerk or secretary, with the clerk to the board of county commissioners in the county in which the public body normally holds its meetings.

If a public body changes its schedule of regular meetings, it shall cause the revised schedule to be filed as provided in subdivisions (1) through (4) of this subsection at least seven calendar days before the day of the first meeting held pursuant to the revised schedule.

(b) If a public body holds an official meeting at any time or place other than a time or place shown on the schedule filed pursuant to subsection (a) of this section, it shall give public notice of the time and place of that meeting as provided in this subsection.

- (1) If a public body recesses a regular, special, or emergency meeting held pursuant to public notice given in compliance with this subsection, and the time and place at which the meeting is to be continued is announced in open session, no further notice shall be required.
- (2) For any other meeting, except an emergency meeting, the public body shall cause written notice of the meeting stating its purpose (i) to be posted on the principal bulletin board of the public body or, if the public body has no such bulletin board, at the door of its usual meeting room, and (ii) to be mailed, e-mailed, or delivered to each newspaper, wire service, radio station, and television station that has filed a written request for notice with the clerk or secretary of the public body or with some other person designated by the public body. The public body shall also cause notice to be mailed, e-mailed, or delivered to any person, in addition to the representatives of the media listed above, who has filed a written request with the clerk, secretary, or other person designated by the public body. This notice shall be posted and mailed, e-mailed, or delivered at least 48 hours before the time of the meeting. The notice required to be posted on the principal bulletin board or at the door of its usual meeting room shall be posted on the door of the building or on the building in an area accessible to the public if the building containing the principal bulletin board or usual meeting room is closed to the public continuously for 48 hours before the time of the meeting. The public body may require each newspaper, wire service, radio station, and television station submitting a written request for notice to renew the request annually. The public body shall charge a fee to persons other than the media, who request notice, of ten dollars (\$10.00) per calendar year,

SCHEDULE OF FEES

and may require them to renew their requests quarterly. No fee shall be charged for notices sent by e-mail.

- (3) For an emergency meeting, the public body shall cause notice of the meeting to be given to each local newspaper, local wire service, local radio station, and local television station that has filed a written request, which includes the newspaper's, wire service's, or station's telephone number, for emergency notice with the clerk or secretary of the public body or with some other person designated by the public body. This notice shall be given either by e-mail, by telephone, or by the same method used to notify the members of the public body and shall be given immediately after notice has been given to those members. This notice shall be given at the expense of the party notified. Only business connected with the emergency may be considered at a meeting to which notice is given pursuant to this paragraph.

(c) Repealed by Session Laws 1991, c. 694, s. 6.

(d) If a public body has a Web site and has established a schedule of regular meetings, the public body shall post the schedule of regular meetings to the Web site.

(e) If a public body has a Web site that one or more of its employees maintains, the public body shall post notice of any meeting held under subdivisions (b)(1) and (b)(2) of this section prior to the scheduled time of that meeting.

(f) For purposes of this section, an "emergency meeting" is one called because of generally unexpected circumstances that require immediate consideration by the public body. (1979, c. 655, s. 1; 1991, c. 694, ss. 5, 6; 2009-350, s. 1.)

APPENDIX B

N.C.G.S. § 132-6.2. Provisions for copies of public records; fees.

(a) Persons requesting copies of public records may elect to obtain them in any and all media in which the public agency is capable of providing them. No request for copies of public records in a particular medium shall be denied on the grounds that the custodian has made or prefers to make the public records available in another medium. The public agency may assess different fees for different media as prescribed by law.

(b) Persons requesting copies of public records may request that the copies be certified or uncertified. The fees for certifying copies of public records shall be as provided by law. Except as otherwise provided by law, no public agency shall charge a fee for an uncertified copy of a public record that exceeds the actual cost to the public agency of making the copy. For purposes of this subsection, "actual cost" is limited to direct, chargeable costs related to the reproduction of a public record as determined by generally accepted accounting principles and does not include costs that would have been incurred by the public agency if a request to reproduce a public record had not been made. Notwithstanding the provisions of this subsection, if the request is such as to require extensive use of information technology resources or extensive clerical or supervisory assistance by personnel of the agency involved, or if producing the record in the medium requested results in a greater use of information technology resources than that established by the agency for reproduction of the volume of information requested, then the agency may charge, in addition to the actual cost of duplication, a special service charge, which shall be reasonable and shall be based on the actual cost incurred for such extensive use of information technology resources or the labor costs of the personnel providing the services, or for a greater use of information technology resources that is actually incurred by the agency or attributable to the agency. If anyone requesting public information from any public agency is charged a fee that the requester believes to be unfair or unreasonable, the requester may ask the State Chief Information Officer or his designee to mediate the dispute.

(c) Persons requesting copies of computer databases may be required to make or submit such requests in writing. Custodians of public records shall respond to all such requests as promptly as possible. If the request is granted, the copies shall be provided as soon as reasonably possible. If the request is denied, the denial shall be accompanied by an explanation of the basis for the denial. If asked to do so, the person denying the request shall, as promptly as possible, reduce the explanation for the denial to writing.

(d) Nothing in this section shall be construed to require a public agency to respond to requests for copies of public records outside of its usual business hours.

(e) Nothing in this section shall be construed to require a public agency to respond to a request for a copy of a public record by creating or compiling a record that does not exist. If a public agency, as a service to the requester, voluntarily elects to create or compile a record, it may negotiate a reasonable charge for the service with the requester. Nothing in this section shall be construed to require a public agency to put into electronic medium a record that is not kept in electronic medium. (1995, c. 388, s. 3; 2004-129, s. 38.)

APPENDIX C

N.C.G.S. § 108A-10. Fees.

The county board of social services is authorized to enter into contracts with any governmental or private agency, or with any person, whereby the board of social services agrees to render services to or for such agency or person in exchange for a fee to cover the cost of rendering such service. This authority is to be limited to services voluntarily rendered and voluntarily received, but shall not apply where the charging of a fee for a particular service is specifically prohibited by statute or regulation. The fees to be charged under the authority of this section are to be based upon a plan recommended by the county director of social services and approved by the local board of social services and the board of county commissioners. In no event is the fee charged to exceed the cost to the board of social services. Fee policies may not conflict with rules and regulations adopted by the Social Services Commission or Department of Health and Human Services regarding fees.

The fees collected under the authority of this section are to be deposited to the account of the social services department so that they may be expended for social services purposes in accordance with the provisions of Article 3 of Chapter 159, the Local Government Budget and Fiscal Control Act. No individual employee is to receive any compensation over and above his regular salary as a result of rendering services for which a fee is charged.

The county board of social services shall annually report to the county commissioners receipts received under this section. Fees collected under this section shall not be used to replace any other funds, either State or local, for the program for which the fees were collected. (1981, c. 275, s. 1; 1997-443, s. 11A.118(a).)

APPENDIX D

N.C.G.S. § 105-357. Payment of taxes.

(a) Medium of Payment. - Taxes shall be payable in existing national currency. Deeds to real property, notes of the taxpayer or others, bonds or notes of the taxing unit, and payments in kind shall not be accepted in payment of taxes. A taxing unit may not permit the payment of taxes by offset of any bill, claim, judgment, or other obligation owed to the taxpayer by the taxing unit. The prohibition against payment of taxes by offset does not apply to offset of an obligation arising from a lease or another contract entered into between the taxpayer and the taxing unit before July 1 of the fiscal year for which the unpaid taxes were levied.

(b) Acceptance of Checks and Electronic Payment. - The tax collector may accept checks and electronic payments, as defined in G.S. 147-86.20, in payment of taxes, as authorized by G.S. 159-32.1. Acceptance of a check or electronic payment is at the tax collector's own risk. A tax collector who accepts electronic payment of taxes may add a fee to each electronic payment transaction to offset the service charge the taxing unit pays for electronic payment service. A tax collector who accepts electronic payment or check in payment of taxes may issue the tax receipt immediately or withhold the receipt until the check has been collected or the electronic payment invoice has been honored by the issuer.

If a tax collector accepts a check or an electronic payment and issues a tax receipt and the check is returned unpaid (without negligence on the part of the tax collector in presenting the check for payment) or the electronic payment invoice is not honored by the issuer, the taxes for which the check or electronic payment was given shall be deemed unpaid; the tax collector shall immediately correct the copy of the tax receipt and other appropriate records to show the fact of nonpayment, and shall give written notice by certified or registered mail to the person to whom the tax receipt was issued to return it to the tax collector. After correcting the records to show the fact of nonpayment, the tax collector shall proceed to collect the taxes by the use of any remedies allowed for the collection of taxes or by bringing a civil action on the check or electronic payment.

A financial institution with which a taxing unit has contracted for receipt of payment of taxes may accept a check in payment of taxes. If the check is honored, the financial institution shall so notify the tax collector, who shall, upon request of the taxpayer, issue a receipt for payment of the taxes. If the check is returned unpaid, the financial institution shall so notify the tax collector, who shall proceed to collect the taxes by use of any remedy allowed for collection of taxes or by bringing a civil action on the check.

- (1) Effect on Tax Lien. - If the tax collector accepts a check or electronic payment in payment of taxes on real property and issues the receipt, and the check is later returned unpaid or the electronic payment invoice is not honored by the issuer, the taxing unit's lien for taxes on the real property shall be inferior to the rights of purchasers for value and of persons acquiring liens of record for value if the purchasers or lienholders acquire their rights in good faith and without actual knowledge that the check has not been collected or the electronic payment invoice has not been honored, after examination of the copy of the tax receipt in the tax collector's office during the time that record showed the taxes as paid or after examination of the official receipt issued to the taxpayer prior to the date on which the tax collector notified the taxpayer to return the receipt.

SCHEDULE OF FEES

- (2) **Penalty.** - In addition to interest for nonpayment of taxes provided by G.S. 105-360 and in addition to any criminal penalties provided by law, the penalty for presenting in payment of taxes a check or electronic funds transfer that is returned or not completed because of insufficient funds or nonexistence of an account of the drawer or transferor is twenty-five dollars (\$25.00) or ten percent (10%) of the amount of the check or electronic invoice, whichever is greater, subject to a maximum of one thousand dollars (\$1,000). This penalty does not apply if the tax collector finds that, when the check or electronic funds transfer was presented for payment, the drawer of the check or transferor of funds had sufficient funds in an account at a financial institution in this State to make the payment and, by inadvertence, the drawer of the check or transferor of the funds failed to draw the check or initiate a transfer on the account that had sufficient funds. This penalty shall be added to and collected in the same manner as the taxes for which the check or electronic payment was given.

(c) **Small Underpayments and Overpayments.** - The governing body of a taxing unit may, by resolution, permit its tax collector to treat small underpayments of taxes as fully paid and to not refund small overpayments of taxes unless the taxpayer requests a refund before the end of the fiscal year in which the small overpayment is made. A "small underpayment" is a payment made, other than in person, that is no more than one dollar (\$1.00) less than the taxes due on a tax receipt. A "small overpayment" is a payment made, other than in person, that is no more than one dollar (\$1.00) greater than the taxes due on a tax receipt.

The tax collector shall keep records of all underpayments and overpayments of taxes by receipt number and amount and shall report these payments to the governing body as part of his settlement.

A resolution authorizing adjustments of underpayments and overpayments as provided in this subsection shall:

- (1) Be adopted on or before June 15 of the year to which it is to apply;
- (2) Apply to taxes levied for all previous fiscal years; and
- (3) Continue in effect until repealed or amended by resolution of the taxing unit. (1939, c. 310, s. 1710; 1971, c. 806, s. 1; 1987, c. 661; 1989, c. 578, s. 3; 1989 (Reg. Sess., 1990), c. 1005, s. 8; 1991, c. 584, s. 2; 1999-434, s. 6; 2001-487, s. 25; 2002-156, s. 1; 2005-134, s. 1; 2005-313, s. 10.)

When a deed of trust or mortgage is presented for registration that contains one or more additional instruments, the fee shall be ten dollars (\$10.00) for each additional instrument. A deed of trust or mortgage contains one or more additional instruments if such additional instrument or instruments has or have different legal consequences or intent, each of which is separately executed and acknowledged and could be recorded alone.

In all other cases, the fees provided in subdivision (1) of this subsection shall apply to the registration or filing of any subsequent instrument that relates to a previously recorded deed of trust or mortgage.
