Mr. Farkas then updated the Board on the DSS Renovation Project, which is slightly ahead of schedule. In November, the employees working in the old section of the building will be moved to the new section in order to complete the remainder of the building. Completion of total project will be in January. The furniture has been ordered and will arrive in December.

WALKING TRAIL PROJECT
Stephanie Parker-Helmkamp, Cooperative Extension Director, presented a bid for approval for the Walking Trail Project. The original bids came in overbid; therefore, resulting in negotiations with the low bidder. Section B of the map presented will not be completed at this time and sponsorships are being solicited to complete it.

On a motion by Freeman and a second by Lewter, the Board voted unanimously to approve the contractor as Tri-Co Grading, Inc., at a bid of $72,000, for the Walking Trail Project and to authorize the County Manager to sign documents.
