CONGREGATE AND HOME DELIVERED MEALS

More than a meal...

Congregate Lunch Program
Nutritious lunches are served Monday through Friday from 12:00 to 12:30 p.m., and are provided by Granville Catering. At the Hertford County Office of Aging, lunch is “more than a meal” with monthly presentations by community business and health professionals, games, and thematic parties. Lunch time is always an opportunity for education, socialization, and fun. Reservations must be made at least 24 hours in advance. The lunch program is funded by grants from federal, state, and local governments. There is no charge for people 60 and older, and for folks under 60, the cost is $5 per meal. All meals meet daily nutritional requirements as prescribed by a registered dietician. Although there is no charge for the meals, contributions are important and help us to expand this program.

Home Delivered Meals
Home delivered meals are available for the homebound and restrictions apply. For more information, please call the Hertford County Office of Aging for more information.
