I, (we) the above named party(ies), do hereby make application to the Hertford County Office of Fire Marshal for a permit for the purposes indicated above. I, (we), understand that the information contained on this application will be verified and as part of that verification an inspection of the premises listed above will be conducted by the Fire Marshal or appointee. I, (we), further understand that if approved, any permit issued is and will be the property of the Fire Marshal's Office and may be revoked upon orders of the Fire Marshal.

Two sets of plans and/or drawings should accompany applications for fire alarm systems, fixed suppression systems, fire sprinkler systems, etc. Please allow a minimum of two weeks for plan reviews. Applicable permit fees shall be accompanied with application.
