NC General Statute 14-208.18(a)(3), is revised to include any place where minors frequently congregate, including, but not limited to, libraries, arcades, amusement parks, recreation parks, and swimming pools, when minors are present. The new law also adds a fourth location in new G.S. 14-208.18(a)(4), the State Fairgrounds, Western Agricultural Center, and other fairgrounds, but the restriction is limited to certain time periods.
