To Whom It May Concern,

I am formally requesting your participation for our “Mask Up for a Halloween Candy Trail” event on Saturday October 31<sup>st</sup> 12-5pm. To be held at the Glik Park walking trail.

We plan to make this a fun event that families can come out and enjoy a fun and safe Halloween experience during Covid. We are hoping to have stations that kids can stop by along the trail and get candy or surprises from, a pumpkin carving contest, and possibly even more events and activities.

If you would like to participate, please contact either of us listed at the emails below.

Your support in this event would be greatly appreciated. Thank you for your time and consideration.

Kind Regards,
