

## **The Small Business Owner's Guide to the CARES Act**

To help small business owners and entrepreneurs better understand the new programs, The US Senate Committee On Small Business & Entrepreneurship created a comprehensive guide to many of the small business provisions in the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was just passed by Congress. These programs and initiatives are intended to assist business owners with whatever needs they have right now.

When implemented, there will be many new resources available for small businesses, as well as certain non-profits and other employers. This guide provides information about the major programs and initiatives that will soon be available from the Small Business Administration (SBA) to address these needs, as well as some additional tax provisions that are outside the scope of SBA. To keep up to date on when these programs become available, please stay in contact with your local SBA District Office, which you can locate [here](#).
