ELECTRICAL PERMIT FEE SCHEDULE

1. All permits shall be assessed a non-refundable application fee of \$45.00.
2. Contractor registration shall be \$15.
3. All permits are non-transferable.
4. All permit renewals shall be \$40.
5. All permits are non-refundable after work has started.
6. Permits for new construction shall be for a minimum number of inspections required in Section 3.
7. An investigative fee equal to the permit fee, shall be assessed if a permit was not issued prior to commencement of work.
8. A fee of \$40 per inspection shall be charged for the re-inspection of all failed inspections.

INSPECTIONS: MINIMUM NUMBER AND WHEN REQUIRED

Electrical: Single Family Residential

1. For new construction a service, rough and final electrical inspection shall be required. An additional inspection shall be required if temporary service is provided.
2. Remodels shall require a minimum of two inspections, a rough and a final. For all other types of work of this class, inspections shall be required for each visit required by the Electrical Inspector.

Electrical: Multi- Family, Commercial or Industrial

1. Each unit in a multi- family structure or in a multi-tenant structure shall require a rough and a final, shall be required for each designed unit in such a structure. An inspection shall be required for the building service.

For all other buildings of this class, inspections shall be required for each visit required by the Electrical Inspector. The inspector shall estimate the number of visits required.

A separate inspection shall be required for temporary service.
