TEEN COUNCIL SPOTLIGHT: NOAH GOLEMBIEWSKI

SCHOOL- Norup

GRADE- 7th grade

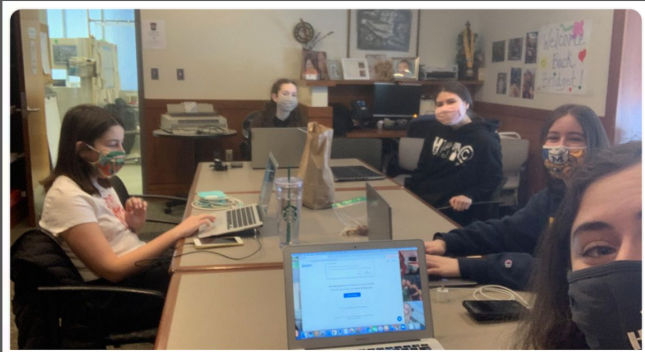

Noah is a model member of Teen Council. He wanted to join

ever since he was a watermelon in fruit camp! He always looked up to the LITs and Tracy. Now that he is in Teen Council, he loves that he is able to help out his community and connect with people.

“My favorite part about being in Teen Council is helping the community and making friendships” - Noah

HWTC RECAP

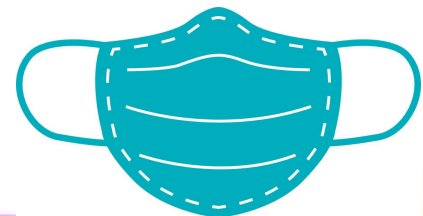

YOUTH SYMPOSIUM

On Saturday, February 13th, the Executive board gathered for a virtual youth symposium. Guest speaker, Jessica Vann spoke to us about bias and racism, and we were able to connect with Teen Councils in the surrounding areas.

TEEN BONFIRE

Gathered on Burton Field on Thursday, February 11th, HWTC members enjoyed smores, hot chocolate, and fun and games! It was great to see everyone in person! There was even a friendly game of dodgeball that broke out! We look forward to more events like this in the future :)
