

2019 Community Service Awards NOMINATION FORM

The City of Huntington Woods has a long-standing tradition of honoring citizens for their contributions to the community.

Please take a few minutes to nominate a deserving resident.

CITIZEN OF THE YEAR AWARD: Established in 1974, the Citizen of the Year Award is specifically for a resident who has made long-standing contributions to the City of Huntington Woods, making this community a better place in which to live.

SENIOR CITIZEN OF THE YEAR AWARD: This award has been established to honor a resident, age 65 years or older, who gives unselfishly of himself or herself to help others, or to help the community at large. As people grow older, their time becomes more precious. Still many senior citizens continue to give their valuable time and energy to help others, and to set examples for younger community members to emulate. The Senior Citizen of the Year could be a good neighbor, a caring volunteer, a community leader, or a helpful friend.

VIRGINIA JONES SPIRIT AWARD: The Virginia Jones Spirit Award was conceived as a result of numerous suggestions to honor Virginia "Ginny" Jones who gave unselfishly of herself to the community during her lifetime. Her service and support of civic organizations, scouting, recreation programs as well as numerous groups, despite handicaps, set a fine example for the entire community to follow. This award recognizes the contributions of a young person, currently enrolled in 6th - 12th grade, for their assistance in making this community a better place in which to live. Academic achievement is not to be used as a criterion for nomination.

Award winners will be honored publicly at the Fourth of July ceremonies, have his or her name inscribed in a permanent plaque at City Hall, will receive a plaque for display, and will ride in the July 4th parade.
