Kanopy – new service. Library pays per download. Some are finding it costing more than they thought it would. Anne will watch costs. Great selection of movies.

Comments from Jeff Jenks – high top tables are not convenient for seniors.

Those were chosen for teen area. Also, tutors are using other tables and can be disruptive if someone is trying to read. Individuals can use family reading room if not being used for Children's Program. Link on City weekly Eblast for Library
