

Library Advisory Board Minutes

Monday, June 17, 2019

- I. Call to order – Monday, June 17, 2019– 7:00 PM
- II. Present: Anne, Robert, Laura, Steve, Judy S, Judy G and Jeff Jenks, HW City Commissioner
- III. Approval of minutes, May 20, 2019 – minutes approved
- IV. Statistics for May 2019 – distributed at meeting – MAP passes still not being used (website is difficult to follow). E-book circulation is up.
- V. Friends Liaison Report: Judy Schram introduced as new liaison. Book sale made approximately \$1200. Shortened sale on Friday. Many books sold at a discount. Students were given coupons for a free book on the last day of school. Lots of children! Trying to decide how to proceed with sale based on number of volunteers. Lots of books were donated. Looking for more sources to donate books. SOCCRA wouldn't even take all the books to be recycled. Questions about buyers who come in with scanners – buying books to resell.

- VII. Old Business:

Smoke detection system – should be in by end of the month. Need walk through by fire inspector.

Summer Hours – started last week. Open M-F. Closed on the weekend.

VIII. New Business:

Summer Reading has begun! – 135 kids at kickoff last weekend. Adult, teen programs too. Adults all on-line.

IX. Library Director and Board Comments: Library use goes up during the day in the summer. Teaching children how to use self-checkout. Camp kids have separate bags for books (so they don't get wet with bathing suit). Kudos to Susie who works on library website. New website: www.huntingtonwoodslib.org. (Old site will redirect.) Need to fill Renee's spot on board.

X. Next Meeting: Monday, September 16, 2019 – 7:00PM – Have a good summer!
