

City of Huntington Woods

Application for Annual Permit to maintain an existing off-street parking space in the right-of-way for only (1) one vehicle.

NAME: _____

STREET ADDRESS: _____

TELEPHONE: _____

As owner of the above address, I agree to maintain the parking space in accordance with Ordinance 577 and the specifications adopted within on July 21st, 2015. **I further agree:**

1. To keep grass from growing up through gravel spaces or through cracks in impervious surfaces (pervious paver blocks excluded);
2. To define the boundaries of the space and keep it from 'spilling over' onto the lawn extension, sidewalk or street;
3. To repair large cracks or other damage;
4. To maintain the parking space at the sole cost and expense to me, including removal of all snow and ice;
5. To indemnify and save harmless the City of Huntington Woods from any liability, damages, costs or claims resulting from the parking space;
6. To reimburse the City of Huntington Woods and pay for any and all damages to the curb or roadway resulting from or caused by construction, maintenance or use of the parking space;
7. To park or allow to be parked no more than (1) one non-commercial vehicle at a time, **parallel** to the street;
8. Not to obstruct access to any utility or fire hydrant, and;
9. To remove the parking space and restore the area to conform in appearance to the surrounding area at the sole cost and expense to me upon the expiration of this permit, unless a subsequent permit is applied for and granted by the City.

If approved, this permit allows the owner(s) to maintain (1) one hard surfaced parking space in the City's right-of-way to be used for parking by the owner(s) and their guests for a period of (1) one year or until the road where the off-street parking space is located is reconstructed by the City.
