Old Business:

The group discussed the 1 cent county tax that is coming for a vote this election. Greg Nicholson updated the group that approximately \$7.5 million would be utilized to update Lancaster County's radio services. We all agreed that this was a needed upgrade.

The group briefly discussed the possibility of the chief's position being compensated. This was tabled for future discussion.

New Business:

Greg updated the board on his visit to the new KEER facility. He shared his concerns over being able to adequately meet their fire needs. He stated that some areas of the buildings would be confined spaces and that they were not required to have a sprinkler system in place. He also stated the FDC hookup was approximately 1100 feet from one of the 4 buildings that will be on that site.

Meeting adjourned: 8:05 pm
