RE: Fee Agreement dated December 1, 2005 (the "Fee Agreement") originally between Lancaster County, South Carolina and Decision One Mortgage Company, LLC, HSBC Technology & Services (USA) Inc., HSBC Mortgage Services, Inc., Edgewater Partners One, LLC; Proposed transfer of Property

Dear Mr. Weaver:

As you are aware, IX WR 3023 HSBC Way, L.P., is the current owner of the real property located at 3023 HSBC Way, Lancaster County, South Carolina (the "Property"), and such Property is the subject of the captioned Fee Agreement ("Current Owner"). Current Owner is in the process of finalizing the terms of a sale of the Property to Angelo Gordon Real Estate Inc., or its affiliate ("Proposed Purchaser"), and in connection with that transaction, Current Owner desires to assign all of Current Owner's right, title and interest under the Fee Agreement to Proposed Purchaser. As provided in Section 8.2 of the Fee Agreement, any assignment or other transfer of Current Owner's interest under the Fee Agreement requires the prior consent of Lancaster County (the "County"). In that regard, Current Owner hereby requests that the County consent to the transfer of Current Owner's right, title and interest under the Fee Agreement to Proposed Purchaser, with such consent to be effective only upon the actual sale of the Property to Proposed Purchaser.

By way of background, Current Owner acquired title to the property from Wells REIT II-Edgewater Corporate Center One, LLC ("Wells REIT"), the successor-in-interest to Edgewater Partners One, LLC. Edgewater Partners One, LLC assigned all of its right, title and interest under the Fee Agreement to Wells REIT pursuant to that certain Assignment and Assumption of Fee Agreement dated September 6, 2006, and such rights were further assigned by Wells REIT to Current Owner pursuant to that certain Assignment and Assumption of Fee Agreement dated December 12, 2012.

Our understanding is that for the County to formalize its consent to the proposed assignment of Current Owner's interest under the Fee Agreement a Resolution must be adopted by the County Council of Lancaster County, South Carolina. If the consent is granted, please provide Current Owner with a copy of the executed Resolution at the address above at your earliest convenience. Should you have any questions regarding the proposed transaction, please do not hesitate to contact Patrick Maloney by telephone at (202) 507-6715.

(b) Neither the execution and delivery of this Fee Agreement, nor the consummation and performance of the transactions described herein, conflict with, or will, to its knowledge, result in a material breach of any of the material terms, conditions or provisions of any agreement, restriction, statute, law, rule, order or regulation to which the Company is now a party or by which it is bound.

(c) There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any judicial or administrative court or agency, public board or body, pending or threatened, against or affecting the Company wherein an unfavorable decision, ruling or finding would materially adversely affect the Company or the consummation of the transactions described in this Fee Agreement.

ARTICLE V

PAYMENTS-IN-LIEU-OF-TAXES; DISPOSITION OF PROPERTY; REPLACEMENT PROPERTY; FEE TERM

SECTION 5.1. *Payments-in-Lieu-of-Taxes.* The parties acknowledge that the Project is exempt from *ad valorem* property taxes. However, the Company and any Sponsors shall be required to make Payments-in-Lieu-of-Taxes with respect to the Project as provided in this Section 5.1. In accordance with the Act, and unless this Fee Agreement is sooner terminated, the Company shall make annual Payments-in-Lieu-of-Taxes with respect to the Project (including to the extent applicable, on behalf of any Sponsors), said payments being due in the manner and payable and subject to penalty assessments prescribed by the Act. Such amounts shall be calculated and payable as follows:

(a) The Company has agreed to make annual Payments-in-Lieu-of-Taxes with respect to the Project in an amount equal to the property taxes that would be due with respect to such property, if it were taxable, but using an assessment ratio of 6.0% and a fixed millage rate equal to 262 mills which the parties understand is the millage rate in effect on June 30, 2005. Subject in all events to the provisions of the Act, the fair market value estimate determined by the DOR will be as follows:

- (i) for any real property, if real property is constructed for the fee or is purchased in an arm's length transaction, using the original income tax basis for South Carolina income tax purposes without regard to depreciation; otherwise, the fair market value must be reported at its fair market value for *ad valorem* property taxes as determined by appraisal; and
- (ii) for personal property, using the original tax basis for South Carolina income tax purposes less depreciation as allowed by law.

(b) The Payments-in-Lieu-of-Taxes must be made on the basis that the Project property, if it were otherwise subject to *ad valorem* property taxes, would be allowed all applicable exemptions from those taxes, except for the exemptions allowed under Section 3(g) of Article X of the South Carolina Constitution and Section 12-37-220(B)(32) and (34) of the Code of Laws of South Carolina, as amended.

(c) The Company and any Sponsors shall make Payments-in-Lieu-of-Taxes for each year during the term hereof beginning with respect to the property tax year following the year in which Project property is first placed in service. The Payments-in-Lieu-of-Taxes shall be made to the County Treasurer on the due dates which would otherwise be applicable for *ad valorem* property taxes for the Project, with the first payment being due on the first date following the Commencement Date when, but for the Original Fee Agreement, such taxes would have been paid with respect to the Project.

(d) Any property that was placed in service as part of the Project during the Investment Period shall be included in the calculation of payments pursuant to paragraphs (a) and (b), above, for a period not exceeding 20 years following the year in which such property was placed in service. Replacement Property shall be included (using its income tax basis) in the calculation of

payments pursuant to paragraphs (a), (b) and (c), above, but only up to the original income tax basis of property which is being disposed of in the same property tax year. Replacement Property shall be deemed to replace the oldest property subject to this Fee Agreement which is disposed of in the same tax year that the Replacement Property is placed in service. More than one piece of Replacement Property can replace a single piece of economic development property. Replacement Property does not have to serve the same function as the property it is replacing. To the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the property which it is replacing, the portion of such property allocable to the excess amount shall be subject to annual payments calculated as if the exemption for economic development property under the Act were not allowed. Replacement Property is entitled to the fee payment pursuant to this Section 5.1 for the period of time remaining on the 20-year fee period for the property which it is replacing.

SECTION 5.2. *Disposal of Property; Replacement Property.*

(a) In any instance where the Company or a Sponsor (to the extent permitted by the Company) in its sole discretion determines that any item or items of property included in the Project have become, in whole or in part, inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company or such Sponsor may remove such item (or such portion thereof as the Company or such Sponsor shall determine) or items and sell, trade in, exchange or otherwise dispose of it or them (as a whole or in part) without any responsibility or accountability to the County therefor. The loss or removal from the Project of any property, or any portion thereof, as a result of fire or other casualty or by virtue of the exercise or threat of the power of condemnation or eminent domain shall be deemed to be a disposal of such property, or portion thereof, pursuant to this Section 5.2. Subject to the provisions of Section 5.1(d), and this Section 5.2 with respect to Replacement Property, the Payments-in-Lieu-of-Taxes required by Article V hereof shall be reduced by the amount thereof applicable to any property included in the Project, or part thereof, disposed of, or deemed disposed of, pursuant to this Section 5.2.

(b) The Company or a Sponsor (to the extent permitted by the Company) may, in its sole discretion, replace, renew or acquire and/or install other property in substitution for, any or all property or portions thereof disposed of, or deemed disposed of, pursuant to Section 5.2(a) hereof. Any such property may, but need not, serve the same function, or be of the same utility or value, as the property being replaced. Absent a written election to the contrary made at the time of filing the first property tax return that would apply to such property, such property shall be treated as Replacement Property.

SECTION 5.3. *Fee Term.* With respect to each Stage of the Project, the applicable term of this Fee Agreement shall be from the first day of the property tax year after the property tax year in which such Stage is placed in service through the last day of the property tax year which is the nineteenth year following the first property tax year in which such Stage is placed in service; provided, that the maximum term of this Fee Agreement shall not be more than 20 years from the end of the last year of the Investment Period or such longer period of time as shall be legally required or permitted under the Act. This Fee Agreement shall terminate with respect to the Project or any Stage or part thereof upon the earlier to occur of (a) payment of the final installment of Payments-in-Lieu-of-Taxes pursuant to Section 5.1 hereof, or (b) exercise by the Company of its option to terminate pursuant to Section 10.1 hereof.

**ARTICLE VI
PROPERTY TAX EXEMPTION AND ABATEMENT**

SECTION 6.1. *Protection of Tax Exempt Status of the Project.* In order to insure that the Project is not and will not become subject to *ad valorem* property taxes under the laws of the State of South Carolina or any political subdivision thereof, the County and the Company covenant that:

(a) all right and privileges granted to either party under this Fee Agreement shall be exercised so that if any conflict between this Section and any other provision in any document shall arise, then in that case, this Section shall control; and

(b) the County, any Sponsors, and the Company have not committed and will not knowingly commit any act which would cause the Project to be subject to *ad valorem* property taxes by the County or political subdivision of the State of South Carolina in which any part of the Project is located.

SECTION 6.2. *Rescission and Reversion in the Event of Termination.* In the event it shall be determined by a court of competent jurisdiction that the Project or any portion thereof are subject to State, County, or other local property taxes, then, at the option of the Company, the provisions of Section 11.4 hereof shall apply, either to the Project as a whole or to such portion thereof as the Company may elect.

**ARTICLE VII
EFFECTIVE DATE**

SECTION 7.1. *Effective Date.* This Fee Agreement shall become effective as of the date first written above (the Effective Date).

**ARTICLE VIII
SPECIAL COVENANTS**

SECTION 8.1. *Confidentiality/Limitation on Access to Project.* (A) The Company agrees that the County and its authorized agents have the right at all reasonable times and upon prior reasonable notice to enter upon and examine and inspect the Project and to have access to and examine and inspect all of the Company's books and records pertaining to the Project. The right of examination and inspection shall be exercised only upon reasonable and necessary terms and conditions prescribed by the Company to protect the Company's confidentiality and proprietary rights. Any such entrance upon and examination and inspection of the Project shall be at the County's expense.

(B) The County acknowledges and understands that the Company may have and maintain at the Project certain confidential and proprietary information, including, but not limited to, trade secrets, financial, sales or other information concerning the Company's operations and processes ("Confidential Information") and that any disclosure of the Confidential Information could result in substantial harm to the Company and could have a significant detrimental impact on the

Company's employees and also upon the County. Except as required by law, including, without limitation, court orders, the County agrees to use its best reasonable efforts to keep confidential, and to cause employees, agents and representatives of the County to keep confidential, the Confidential Information which may be obtained from the Company, their agents or representatives, when the Confidential Information is clearly marked and identified as Confidential Information and known to the County to be Confidential Information. The County shall not knowingly and willfully disclose and shall cause all employees, agents and representatives of the County not to knowingly and willfully disclose the marked and identified Confidential Information to any person or entity other than in accordance with the terms of this Agreement. If a demand is made for the release, under color of law, to a third party of any Confidential Information, the County shall notify the Company and give the Company the opportunity to contest the release.

SECTION 8.2. *Assignment.* With the County's consent, which shall not be unreasonably withheld, any or all of the Company's or any Sponsor's interest in the Project and/or this Fee Agreement may be transferred or assigned by the Company or any Sponsor or any assignee to any other entity; provided, however, that such approval is not required in connection with financing related transfers or any other transfers not requiring consent of the County under the Act. No assignment or transfer shall affect or reduce any of the obligations of the Company or any Sponsor hereunder, which shall continue in full force and effect as the obligations of a principal and not of a guarantor or surety, except that the Company or any Sponsor shall be released from its obligations hereunder upon the written consent of, and release by the County, which will not be unreasonably withheld. The Company or any Sponsor shall give the County written notice of any such assignment or transfer and provide the County a copy of any such assignment or transfer. The County further agrees that the County Council can provide any required consent by a resolution of County Council. The County Administrator and the Clerk to County Council are hereby expressly individually and jointly authorized and directed to evidence the County's consent by timely executing such documents as the Company or any Sponsor may reasonably request.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

SECTION 9.1. *Events of Default Defined.* The occurrence of any one or more of the following events shall be an "Event of Default" under this Fee Agreement:

(a) If the Company or any Sponsor shall fail to make any Payment-in-Lieu-of-Taxes or any other amount required under this Fee Agreement after written notice of such default has been given and such default continues for a period of 60 days; or

(b) If the Company or any Sponsor shall fail to observe or perform any covenant, condition or agreement required herein to be observed or performed by the Company (other than as referred to in Section 9.1(a) hereof), and such failure shall continue for a period of 30 days after written notice of default has been given to the Company by the County; provided if by reason of "*force majeure*" as hereinafter defined the Company or a Sponsor is unable in whole or in part to carry out any such covenant, condition or agreement or if it takes longer than 30 days to cure such default and the Company or a Sponsor is diligently attempting to cure such default,

there shall be no Event of Default during such inability. The term "*force majeure*" as used herein shall mean circumstances not reasonably within the control of the parties, such as, without limitation, acts of God, strikes, lockouts or other industrial disturbances; war; acts of public enemies; mobilization or military conscription on a large scale; order of any kind of the government of the United States or any State, or any civil or military authority other than the County Council; insurrections; riots; landslides; earthquakes; fires; lightning; storms; droughts; floods; requisitions, confiscation, or commandeering of property; fuel restrictions; general shortages of transport, goods, or energy; or

(c) If any material representation or warranty on the part of the Company or the Sponsors made in this Fee Agreement, or in any report, certificate, financial or other statement furnished in connection with this Fee Agreement or the transactions described herein shall have been false or misleading in any material respect; or

(d) if the Company shall file a voluntary petition seeking an order for relief in bankruptcy, or shall be adjudicated insolvent, or shall file any petition or answer or commence a case seeking any reorganization, composition, readjustment, liquidation or similar order for relief or relief for itself under any present or future statute, law or regulation, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of the Company or of the Project, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due; or

(e) if a petition shall be filed or a case shall be commenced against the Company seeking an order for relief in bankruptcy or any reorganization, composition, readjustment, liquidation or similar relief under any present or future statute, law or regulation, and shall remain undismissed or unstayed for an aggregate of one hundred eighty (180) days (whether or not consecutive), or if any trustee, receiver or liquidator of the Company or of all or any substantial part of its properties or of the Project shall be appointed without the consent or acquiescence of the Company and such appointment shall remain unvacated or unstayed for an aggregate of one hundred eighty (180) days (whether or not consecutive).

SECTION 9.2. Remedies on Default.

(a) Whenever any Event of Default shall have happened and be subsisting, the County may take whatever action at law or in equity is available to it, including a termination of this Fee Agreement. Although the parties acknowledge that the Project is exempt from *ad valorem* property taxes, there shall be a lien on the Project for tax purposes for Payments-in-Lieu-of-Taxes as provided in Section 12-44-90 of the Act, and the County and any other taxing entity affected thereby may, without limiting the generality of the foregoing, exercise the remedies provided by general law (Title 12, Chapter 49) and the Act relating to the enforced collection of taxes.

(b) The County's right to receive Payments-in-Lieu-of-Taxes hereunder shall have a first priority lien status pursuant to Section 12-44-90 of the Act and Chapters 4 and 54 of Title 12 of SC Code Ann. (1976), as amended. In the event the Company or any Sponsor should fail to make any of the payments required in this Fee Agreement, the item or installment so in default shall continue as an obligation of the Company or such Sponsor until the amount in default shall

have been fully paid, and the Company or such Sponsor agrees to pay the same with interest thereon to the extent required by law and subject to such penalties as provided by law.

(d) In no event shall this Fee Agreement terminate with respect to the Company or any Sponsor as long as such Sponsor or the Company maintains a minimum investment of \$5,000,000.

SECTION 9.3. *Default by County and Company Remedies.* In the event the County fails to observe or perform any covenant, condition or agreement required to be performed or observed by the County under this Fee Agreement, the Company or any Sponsor may bring such actions against the County as are available to it at law or in equity.

SECTION 9.4. *No Remedy Exclusive.* No remedy herein conferred upon or reserved to the County, the Company, or any Sponsor is intended to be exclusive of any other available remedy or remedies, but in each and every instance such remedy shall be cumulative and shall be in addition to every other remedy given under this Fee Agreement or now or hereafter existing at law or in equity or by statute. Unless otherwise provided herein, no delay or omission to exercise any right or power shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

SECTION 9.5. *No Additional Waiver Implied by One Waiver.* In the event any warranty, covenant or agreement contained in this Fee Agreement should be breached by the Company, a Sponsor, or the County and thereafter waived by the other party to this Fee Agreement, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach.

SECTION 9.6. *Certain Company Obligations to Survive Termination.* No termination or expiration of the term of this Fee Agreement shall relieve the Company or the Sponsors of their liability and obligations to make the payments due and payable under this Fee Agreement, all of which shall survive any such termination.

ARTICLE X COMPANY OPTION TO TERMINATE

SECTION 10.1. *Company Option to Terminate.* Subject to Section 9.5 hereof, from time to time (including, without limitation, any time during which there may be subsisting an Event of Default), and at any time, upon at least 30 days notice, the Company (but not any Sponsor unless the Company consents) may terminate this Fee Agreement with respect to the entire Project or any portion thereof, provided, however, the Company shall have made payment to the County of all outstanding payments under this Fee Agreement. Upon termination of all or part of this Fee Agreement, the Company will become liable for *ad valorem* property taxes on the Project or such portion thereof.

ARTICLE XI MISCELLANEOUS

SECTION 11.1. *Leased Equipment.* The parties hereto agree that, to the extent that applicable law allows the benefits of the Act, in the form of Payments-in-Lieu-of-Taxes to be

made under Section 5.1(a), to be applicable to personal property to be installed in the buildings and leased to but not purchased by the Company from Sponsors under any form of lease, then such personal property shall, at the election of the Company, be subject to Payments-in-Lieu-of-Taxes to the same extent as the Equipment covered by this Fee Agreement, subject, at all times, to the requirements of such applicable law. The parties hereto further agree that this Fee Agreement may be interpreted or modified as may be necessary or appropriate in order to give proper application of this Fee Agreement to such tangible personal property without such construction or modification constituting an amendment to this Fee Agreement, and thus not requiring any additional action by the County Council. The County Administrator, after consulting with the County Attorney, shall be and hereby is authorized to make such modifications, if any, as may be necessary or appropriate in connection therewith.

All notices, approvals, consents, requests and other communications hereunder shall be in writing and may be delivered personally, or may be sent by facsimile or certified mail, return receipt requested, to the following addresses, unless the parties are subsequently notified of any change of address in accordance with this Section 11.2:

SECTION 11.4. *Rescission and Severability.* In the event that the Act or the Payments-in-Lieu-of-Taxes arrangement described in Section 5.1 hereof is determined to be invalid in its entirety, the parties hereby agree that except as the final judicial decision may otherwise require, the Company and the Sponsors shall be entitled to retain any benefits received under or pursuant to this Fee Agreement; otherwise, in the event any provision of this Fee Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, that decision shall not invalidate or render unenforceable any other provision of this Fee Agreement, unless that decision destroys the basis for the transaction, in which event the parties shall in good faith attempt to preserve, to the maximum extent possible, the benefits provided and to be provided to the Company and the Sponsors hereunder by either restructuring or reconstituting this Fee Agreement under any then applicable law, including, but not limited to, Chapter 12 of Title 4, Code of Laws of South Carolina, as amended. In all events shall the Company and all Sponsors be entitled to the provisions of 12-44-160 of the Act.

SECTION 11.5. *Fiscal Year; Property Tax Year.* If the Company's fiscal year is a calendar year and if such fiscal year changes in the future so as to cause a change in the

Company's property tax year, the Company shall notify the County in writing and the timing of the requirements set forth in this Fee Agreement shall be revised accordingly.

SECTION 11.6. *Amendments, Changes and Modifications.* Except as otherwise provided in this Fee Agreement, this Fee Agreement may not be amended, changed, modified, altered or terminated without the written consent of the County, the Company and any Sponsors who are then a party to this Fee Agreement. To the maximum extent allowed by law, any such County consent may be provided by a resolution of County Council.

SECTION 11.7. *Execution of Counterparts.* This Fee Agreement may be executed in several counterparts. Any action may be brought upon any counterpart of this Fee Agreement or any counterpart of any document that is attached to this Fee Agreement as an exhibit.

SECTION 11.8. *Law Governing Construction of Fee Agreement.* The laws of the State of South Carolina shall govern the construction of this Fee Agreement.

SECTION 11.9. *Filings.* Whenever the County shall be required to file or produce any reports, notices or other documents during the Fee Term, the Company and any Sponsor shall in due time furnish to the County the completed form of such report, notice or other required documents together with a certification by the Company and any Sponsor that such document is accurate. In the event of the failure or refusal of the Company to comply with this provision, the Company agrees to pay the County's attorneys' fees and administrative time in producing and filing such report or documents, such amounts to be paid within 30 days after presentation of a statement therefor by the County. WHEREAS, Lancaster County, South Carolina (the “County”), acting by and through its County Council (the “County Council”) is authorized and empowered under and pursuant to the provisions of Sections 4-1-175, 4-29-68 and 12-44-70, Code of Laws of South Carolina 1976, as amended (the “SSRC Law”), to enter into a special source revenue credit (“SSRC”) agreement (“SSRC Agreement”) with respect to a project which requires the industry to make a payment of a fee in lieu of taxes, through which powers the industrial development of South Carolina and the County will be promoted and trade developed by inducing manufacturing and commercial enterprises to locate and remain in South Carolina and the County and thus to utilize and employ the workforce, products, and natural resources of South Carolina to benefit the general public welfare of the County by providing services, employment, and other public benefits not otherwise provided locally;

NOW, THEREFORE, BE IT RESOLVED by the Council of Lancaster County, South Carolina:

1. The adoption of this Resolution is an official action by the County Council to identify, reflect and induce the Project under the SSRC Law and MCP Laws. This Resolution is an “Inducement Resolution.” This Resolution constitutes preliminary approval by the County prior to the execution of an SSRC Agreement.

2. The County commits to enter into an SSRC arrangement with the Company for the Project, the terms of which shall be set forth in an SSRC Agreement in form and manner satisfactory to the County and the Company containing substantially the following terms:

- a. the Company’s commitment to create new full-time jobs (*i.e.*, at least thirty (30) hours per week), all with health care benefits and an hourly wage rate not less than seventeen dollars and forty-seven cents (\$17.47) (“New Full-Time Jobs”) at the following employment levels and in the designated timeframes: (*i*) to have employed in New Full-Time Jobs an average of not less than thirty (30) during the twelve month period ending December 31, 2018, (*ii*) to have employed in New Full-Time Jobs an average of not less than fifty (50) during the twelve month period ending December 31, 2019, (*iii*) to have employed in New Full-Time Jobs an average of not less than seventy (70) during the twelve month period ending December 31, 2020, and (*iv*) to have employed in New Full-Time Jobs an average of not less than eighty (80) during the twelve month period ending December 31, 2021, and each twelve month period thereafter in which the Company is receiving a special source revenue credit (the “Jobs Commitment”);

- c. for the first ten (10) years of the Project, a special source revenue credit equal to twenty-five percent (25%) of the FILOT Payments on all investment in the Project in real property, *provided, however*, this special source revenue credit applies to real property that has been subject to property tax in the County prior to the date of this Resolution;
- d. provisions requiring the special source revenue credits to be reduced in any year in which the Jobs Commitment is not met and the reduction shall be structured in a manner to reflect the percentage by which the Jobs Commitment is not met;
- e. provisions requiring the Company to provide documentation to the County Assessor and the Department of Economic Development to prove compliance by the Company with the Jobs Commitment; documentation may include providing completed South Carolina Department of Revenue job tax credit forms, such as form TC-4, and completed South Carolina Department of Employment and Workforce quarterly contribution and wage reports, such as form UCE 120; and
- f. the Company’s commitment to reimburse the County for its administrative expenses associated with the review, negotiation and preparation of all documentation and authorizing proceedings, including attorney’s fees, for the Project.

3. Council shall use its best efforts to adopt a new Park Agreement or amend an existing Park Agreement to include the land on which the Project is located, to the extent that the land, or any portion

thereof, is not currently subject to a Park Agreement. The period of time for inclusion of the land in an MCP Park shall be for at least the same period that the SSRC Agreement is effective.

4. (A) The County shall use its best efforts to (i) assist the Company in locating potential grants from the state and utilities for any public infrastructure costs associated with the Project, (ii) assist the Company in applying for state economic development incentives that flow through the County, and (iii) assist the Company in securing job training through the ReadySC program.

(B) As used in this Section 4, "best efforts" include, without limitation, filing all required and necessary documents and applications relating to the grants or assistance, formally recommending approval of the grants or assistance and making the grants or assistance available at the commencement of the construction of the Project if provided by the granting or assisting entity and giving the Company written evidence of the grants or assistance when approved.

5. Council's commitments and agreements contained in Sections 3 and 4 are subject to the exercise of discretion by granting or approving entities other than the County and the exercise of that discretion is not controlled by the County.

6. Council shall approve the SSRC Agreement, and any other agreement or document contemplated by this Resolution in accordance with South Carolina law and the rules and procedures of the Council.

7. County Council finds that (i) the Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation or other public benefits not otherwise adequately provided locally, (ii) the Project gives rise to no pecuniary liability of the County or incorporated municipality and to no charge against the general credit or taxing power of either the County or any incorporated municipality, (iii) the purposes to be accomplished by the Project are proper governmental and public purposes, and (iv) the benefits of the Project to the public are greater than the costs to the public.

8. To the extent this Resolution contains provisions that conflict with other orders, resolutions, and parts thereof, the provisions contained in this Resolution supersede all other orders, resolutions and parts thereof and this Resolution is controlling.

9. This Resolution takes effect upon its adoption.

Agenda Item Summary

Ordinance # / Resolution#:	Discussion Item
Contact Person / Sponsor:	Steve Willis
Department:	Administration
Date Requested to be on Agenda:	June Administrative Committee Meeting

Issue for Consideration:

Fee waiver for government building projects.

Points to Consider:

Historically we have waived fees related to building projects by other government agencies. This would include state projects, school projects, and projects by the Water and Sewer District. The rationale is that all deal with public money so it makes no sense to charge another agency the fees.

We now have some fees that reimburse Lancaster County for out of pocket expenses. This would include fees for traffic analysis, stormwater, etc. In these cases we must engage outside consultants to assist with various analyses.

For these cases we propose to charge only the amount of out of pocket expenses. We can't control when these projects may come up and it is impossible to budget for such.

Funding and Liability Factors:

It could vary greatly from year to year with no way to predict the actual financial impact.

Council Options:

Approve this amendment to our practice or allow us to exceed budget covering expenses for outside agency building projects.

Staff Recommendation:

Amend the practice ONLY to allow for charging the actual amount paid to outside specialists.

Committee Recommendation:

To be determined.
