(f) the Company has caused to be prepared and presented to the Council the form of the Fee Agreement by and between the County and the Company (the "Fee Agreement"), which provides for fee-in-lieu of tax payments utilizing a six percent (6%) assessment ratio, a fixed millage rate of 289.4 for a period of thirty (30) years for the Project or each component thereof placed in service during the initial investment period and any investment period extension to which the County and the Company agree, and for the Economic Development Property (as defined in the Act), special source revenue credits equal to fifty percent (50%) of the fee-in-lieu of tax payments for each of the twenty consecutive years following the year in which such portion of the Project is placed in service; and

(g) it appears that the Fee Agreement, which is attached to this ordinance, is in appropriate form and is an appropriate instrument to be executed and delivered by the County for the purposes intended.

## **Section 2.      Approval of Fee Agreement.**

Subject to the provisions of Section 5 of this ordinance, and, in order to promote industry, develop trade, and utilize and employ the manpower, products, and natural resources of the State by assisting the Company to expand or locate an industrial facility in the State, the Fee Agreement is hereby authorized, ratified, and approved.

## **Section 3.      Statutory Findings.**

Council makes the following additional findings:

(a) The Project will constitute a "project" as the term is referred to and defined in the Act, and the County's actions herein will subserve the purposes and in all respects conform to the provisions and requirements of the Act.

(e) The purposes to be accomplished by the Project, *i.e.*, economic development and addition to the tax base of the County, are proper governmental and public purposes.

(f) The inducement of the location or expansion of the Project within the County and State is of paramount importance.

- (g) The benefits of the Project to the public will be greater than the costs to the public.

#### **Section 4. Cost-Benefit Findings.**

Council makes the following findings concerning the costs and benefits of the Project:

#### UNDERTAKINGS OF THE COUNTY

Section 3.01. Agreement to Accept FILOT Payments. The County hereby agrees to accept FILOT Payments made by the Companies in accordance with Section 5.01 hereof in lieu of *ad valorem* taxes with respect to the Project until this Agreement expires or is sooner terminated.

Section 3.02. No Warranties by County. Each Company acknowledges that the County has made no warranties or representations, either express or implied, as to the condition or state of the Project or as to the design or capabilities of the Project or that it will be suitable for such Company's purposes or needs. No representation of the County is hereby made with regard to compliance by the Project or any Person with laws regulating: (i) the construction or acquisition of the Project; (ii) environmental matters pertaining to the Project; (iii) the offer or sale of any securities; or (iv) the marketability of title to any property.

Section 3.03. Invalidity. The parties acknowledge that the intent of this Agreement is to afford the Companies the benefits of the Negotiated FILOT Payments in consideration of the Companies' decision to locate the Project within Lancaster County and that

this Agreement has been entered into in reliance upon the enactment of the Simplified FILOT Act. In the event that, for any reason, the Act and/or the Negotiated FILOT or any portion thereof is, by a court of competent jurisdiction following allowable appeals, declared invalid or unenforceable in whole or in part, or the portion of the Project consisting of Economic Development Property is deemed not to be eligible for a Negotiated FILOT pursuant to the Act in whole or in part, any Company and the County express their intentions that such payments be reformed so as to afford the Companies benefits commensurate with those intended under this Agreement as then permitted by law, including without limitation any benefits afforded under the Code, to the extent allowed by law. Absent the legal authorization to effect such reformation, the Companies and the County agree that there shall be due hereunder, with respect to the portion of the Economic Development Property affected by such circumstances, *ad valorem* taxes and that, to the extent permitted by law, each Company shall be entitled: (1) to enjoy the five-year exemption from *ad valorem* taxes (or fees in lieu of taxes) provided by Article X, Section 3 of the Constitution of the State, and any other exemption allowed by law; (2) to enjoy all allowable depreciation; and (3) to receive other tax credits which would be due if such Company were obligated to pay *ad valorem* taxes hereunder. To the extent that under such circumstances the Negotiated FILOT Payments hereunder are required by law to be subject to retroactive adjustment, then there shall be due and payable by such Company to the County with respect to the portion of the Economic Development Property in question an amount equal to the difference between the Negotiated FILOT Payments theretofore actually paid and the amount which would have been paid as *ad valorem* taxes, together with, but only if required by law, interest on such deficiency as provided in Section 12-54-25(D) of the Code. Each Company agrees that if this Agreement is reformed as provided in this Section or if retroactive adjustments are made, then under no circumstances shall the County be required to refund or pay any monies to the Companies.

In addition to and notwithstanding the foregoing paragraph, the County shall not be obligated to perform any of its obligations or promises under this Section 3.03 unless the Companies have otherwise complied with or provides satisfactory evidence to the County that it intends to comply with its obligations and responsibilities under this Agreement.

Section 3.04. Multi-County Park Status. The County agrees to maintain the Land in a multi-county park established pursuant to the Multi-County Park Act until the date this Agreement is terminated. If it becomes necessary to move the Land from one multi-county park to another prior to the termination of this Agreement, the County agrees to use its best efforts to place the Land in a multi-county park established pursuant to the Multi-County Park Act and to maintain the multi-county park designation until the date this Agreement is terminated. The parties acknowledge and agree that the County's agreement to place and maintain the Land in a multi-county park may be subject to the exercise of discretion by a governmental entity other than the County and the exercise of that discretion is not controlled by the County.

Each year during the term of this Agreement, each Company shall deliver to the County Auditor, the County Assessor, and the County Treasurer, a copy of their most recent annual filings made with the Department of Revenue with respect to the Project, not later than thirty (30) days following delivery thereof to the Department of Revenue

(b) (1) Each Company agrees to maintain such books and records with respect to the Project as will permit the identification of those portions of the Project placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto and its computations of all FILOT Payments made hereunder and will comply with all reporting requirements of the State and the County applicable to property subject to FILOT Payments under the Act, including the reports described in paragraph (a) (collectively, "Filings").

(2) Each Company agrees that the County and its authorized agents have the right at all reasonable times and upon prior reasonable notice to enter upon and examine and inspect the Project and to have access to and examine and inspect all of the Companies' books and records pertaining to the Project and the Filings. The right of examination and inspection shall be exercised only upon reasonable and necessary terms and conditions prescribed by any Company to protect such Company's confidentiality and proprietary rights. Any such entrance upon and examination and inspection of the Project and Filings shall be at the County's expense.

(c) The County acknowledges and understands that the Companies may have and maintain at the Project certain confidential and proprietary information, including, but not limited to, trade secrets, financial, sales or other information concerning the Companies' operations and processes ("Confidential Information") and that any disclosure of the Confidential Information could result in substantial harm to the Companies and could have a significant detrimental impact on the Companies' employees and also upon the County. If a demand is made for the release, under color of law, to a third party of any Confidential Information, the County shall notify the Companies and give the Companies the opportunity to contest the release.

#### Section 4.03 Modification of Project.

(a) As long as no event of default exists hereunder, the Companies shall have the right at any time and from time to time during the Term hereof to undertake any of the following:

(i) Each Company may, at its own expense, add to the Project any real and personal property as such Company in its discretion deems useful or desirable.

(ii) In any instance where a Company, in its discretion, determines that any items included in the Project have become inadequate, obsolete, worn out, unsuitable, undesirable, or unnecessary for operations at the Project, such Company may remove such items or portions from the Project and sell, trade in, exchange, or otherwise dispose of them (as a whole or in part) without the consent of the County; as such may be permitted under the Simplified FILOT Act.

(iii) Each Company may, at any time in its discretion by written notice to the County, remove any real or personal property from the Negotiated FILOT (as defined in Section 5.01) set forth in this Agreement, and thereafter such property will be considered Non-Qualifying Property and will be subject to FILOT Payments as set forth in Section 5.01(b)(i)(1) hereof.

### ARTICLE V

#### PAYMENTS IN LIEU OF TAXES

##### Section 5.01. Payments in Lieu of *Ad Valorem* Taxes.

(a) In accordance with the Act, the parties hereby agree that, during the Term of the Agreement, the Companies shall pay annually, with respect to the Project, a FILOT in the amount calculated as set forth in this Section, to be collected and enforced in accordance with Section 12-44-90 of the Act.

(b) The FILOT Payment due with respect to each property tax year shall equal:

(i) For the Project:

- (1) With respect to any portion of the Project consisting of Non-Qualifying Property, as long as such property is located in the Multi-County Park, a payment equal to the *ad valorem* taxes that would otherwise be due on such Non-Qualifying Property if it were taxable giving effect to all credits, exemptions, rebates and abatement that would be available if such undeveloped land or Non-Qualifying Property were taxable; and
- (2) With respect to those portions of the Project consisting of Economic Development Property, for each of the thirty consecutive years following the year in which such portion of the Project is placed in service, a payment calculated each year as set forth in paragraphs (c) and (d) of this Section 5.01 (a "Negotiated FILOT").

(c) The Negotiated FILOT Payments shall be calculated with respect to each property tax year based on: (1) the fair market value (determined in accordance with Section 12-44-50(A)(1)(c) of the Code) of the improvements to real property and Equipment included within the Project theretofore placed in service (less, for Equipment, depreciation allowable for property tax purposes as provided in Section 12-44-50(A)(1)(c) of the Code), (2) a fixed millage rate equal to 289.4 mils, the millage rate in effect on June 30, 2015, for the entire term of this Agreement, and (3) an assessment ratio of six percent (6%). All such calculations shall take into account all deductions for depreciation or diminution in value allowed by the Code or by the tax laws generally, as well as tax exemptions which would have been applicable if such property were subject to *ad valorem* taxes, except the exemption allowed pursuant to Section 3(g) of Article X of the Constitution of the State of South Carolina and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(d) Special Source Revenue Credits shall be given to the Economic Development Property in amounts equal to 50% of Negotiated FILOT Payments for each of the twenty consecutive years following the year in which such portion of the Project is placed in service.

(e) The FILOT payments are to be recalculated:

(i) to reduce such payments in the event a Company disposes of any part of the Project within the meaning of Section 12-44-50(B) of the Code and as provided in Section 4.03 hereof, by the amount applicable to the Released Property;

(ii) to increase such payments, based on the methodology set forth in Section 5.01(c) hereof, in the event a Company adds property (other than Replacement Property) to the Project; or

(iii) to adjust such payments if a Company elects to convert any portion of the Project from the Negotiated FILOT to the FILOT required by Section 5.01(b)(i)(1) above, as permitted by Section 4.03(a)(iii).

(f) To the extent permitted by law, because the FILOT Payments agreed to herein are intended to be paid by the Companies to the County in lieu of taxes, it is agreed that said FILOT Payments shall not, as to any year, be in any amount greater than what would otherwise be payable by the Companies to the County in property taxes if the Companies had not entered into a fee-in-lieu of taxes arrangement with the County (except it is not intended that said FILOT Payments would necessarily be less than such property taxes to the extent that the constitutional abatement of property taxes would otherwise apply).

(g) Upon any Company's installation of any Replacement Property for any portion of the Project removed under Section 4.03 hereof and sold, scrapped, or disposed of by any Company, such Replacement Property shall become subject to Negotiated FILOT Payments to the fullest extent allowed by law, subject to the following rules:

(i) Replacement Property does not have to serve the same function as the Economic Development Property it is replacing. Replacement Property is deemed to replace the oldest property subject to the FILOT, whether real or personal, which is disposed of in the same property tax year as the Replacement Property is placed in service. Replacement Property qualifies for Negotiated FILOT Payments up to the original income tax basis of the Economic Development Property which it is replacing. More than one piece of property can replace a single piece of property. To the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the Economic Development Property which it is replacing, the excess amount is subject to payments equal to the *ad valorem* taxes which would have been paid on such property but for this Agreement. Replacement property is entitled to the FILOT payment for the period of time remaining on the thirty-year FILOT period for the property which it is replacing.

(ii) The new Replacement Property which qualifies for the Negotiated FILOT payment shall be recorded using its income tax basis, and the Negotiated FILOT Payment shall be calculated using the millage rate and assessment ratio provided on the original property subject to FILOT payment.

(h) In the event that the Act or the FILOT or any portion thereof, are declared, by a court of competent jurisdiction following allowable appeals, invalid or unenforceable, in whole or in part, for any reason, the Companies and the County express their intentions that such payments be reformed so as to afford the Companies the maximum benefit then permitted by law, including, without limitation, the benefits afforded under Section 12-44-50 of the Code and, specifically, that the Companies may, at the Companies' expense, exercise the rights granted by Section 12-44-160 of the Code. If the Project is deemed not to be eligible for a Negotiated FILOT pursuant to the Act in

whole or in part, the Companies and the County agree that the Companies shall pay an alternate fee-in-lieu of tax calculated in the manner set forth in Section 5.01(b)(i)(1) hereof. In such event, the Companies shall be entitled, to the extent permitted by law: (1) to enjoy the five-year exemption from *ad valorem* taxes (or fees in lieu of taxes) provided by Section 3(g) of Article X of the Constitution of the State of South Carolina, and any other exemption allowed by law; and (2) to enjoy all allowable depreciation. The Companies agree that if the FILOT Payments or this Agreement is reformed pursuant to this subsection (h), that under no circumstance shall the County be required to refund or pay any monies to the Companies.

(i) For the Project, this Agreement is automatically terminated in the event that the investment in the Project in land, buildings, and personal property, including machinery and equipment, by Sponsor or Sponsor Affiliate does not exceed Two Million Five Hundred Thousand Dollars (\$2,500,000.00) by the end of the applicable Investment Period ("**Act Minimum Investment Requirement**"). If terminated pursuant to this subsection (i), the Negotiated FILOT Payments shall revert retroactively to payments equivalent to what the *ad valorem* taxes would have been with respect to the property absent this Agreement. At the time of termination, the Companies shall pay to the County an additional fee equal to the difference between the total amount of property taxes that would have been paid by the Companies had the project been taxable, taking into account exemptions from property taxes that would have been available to the Companies, and the total amount of fee payments actually made by the Companies. This additional amount is subject to interest as provided in Section 12-54-25. The Companies agree, if the Negotiated FILOT Payments revert to payments equivalent to what the *ad valorem* taxes would be pursuant to this subsection (i), that under no circumstance shall the County be required to refund or pay any monies to any Company.

(j) (1) If the Companies satisfy the Act Minimum Investment Requirement but do not satisfy either the Investment Commitment or the Jobs Commitment or both, the Companies shall be required to repay to the County a portion of the Special Source Revenue Credits received and the repayment amount shall be calculated as follows:

Repayment Amount = Total Amount of Special Source Revenue Credits Received minus [dollar amount of Special Source Revenue Credits received times Clawback Achievement Percentage]

Clawback Achievement Percentage = [(Maximum Investment Achieved During Investment Period / \$100,000,000) + (Number of Jobs Meeting Jobs Commitment / 1300)] ÷ 2. *Provided, however*, that neither of the two computations may be more than one hundred percent (100%).

For example, and by way of example only, if the Companies satisfied the Act Minimum Investment Requirement during the Investment Period, created 1400 jobs meeting the Jobs Commitment but only achieved a maximum investment of \$90,000,000, and if the Companies had received \$1,500,000 in Special Source Revenue Credits, the Repayment Amount would be \$75,000, calculated as follows:

$$\text{Clawback Achievement Percentage} = (\$90,000,000 / \$100,000,000) + (1400 / 1300) \div 2 = (90\% + 100\%) \div 2 = 190 \div 2 = 95\%$$

$$\text{Repayment Amount} = \$1,500,000 - (\$1,500,000 \times 95\%) = \$1,500,000 - \$1,425,000 = \$75,000.$$

(2) If the Companies are required to make a repayment to the County pursuant to subsection (j)(1) of this section, then the Companies are not eligible for any Special Source Revenue Credits after the end of the Investment Period.

(3) In the event that both the Investment Commitment and the Jobs Commitment are satisfied by the end of the Investment Period, but following the Investment Period, investment in the Project, without regard to depreciation or other diminution in value, falls below the investment level set forth in the Investment Commitment or the number of new, full-time jobs falls below that set forth in the Jobs Commitment, then the Companies agree that the Companies forfeit the Special Source Revenue Credit for the year in which either the Investment Commitment or the Jobs Commitment, or both, is not maintained. On or before May 31 of the year following the end of the Investment Period, and for each year thereafter that the Companies would be eligible for a Special Source Revenue Credit, the Companies shall certify to the County Auditor that the Companies have complied with the Investment Commitment and Jobs Commitment, and, to the extent that the credit would apply to a year after the end of the Investment Period, that the Companies have maintained the Investment Commitment and Jobs Commitment. If the certification is not made by, or is received after, May 31 of the applicable year, then the Companies agree that the Special Source Revenue Credits are forfeited for the then applicable year.

(k) Unless otherwise provided by the Act, any amounts due to the County under this Section 5.01 by virtue of the application of Section 5.01(h)-(j) hereof shall be paid within 90 days, following written notice thereof from the County to the Companies.

(l) Notwithstanding any other provision of this Agreement, the Companies acknowledge and agree that County's obligation to provide the FILOT incentive and the Special Source Revenue Credits ends, and this Agreement is terminated, if the Companies cease operations. For purposes of this Section 5.01(l), "**cease operations**" means permanent closure of the facility. The provisions of Section 5.01(j) relating to clawback apply if this Agreement is terminated in accordance with this subsection prior to the end of the Investment Period and before the Companies have achieved the Investment Commitment and Jobs Commitment. The Companies agree that if this Agreement is terminated pursuant to this Section 5.01(l), that under no circumstance shall the County be required to refund or pay any monies to the Companies.

## ARTICLE VI

### PAYMENTS BY COMPANIES

Section 6.01. Defaulted Payments. In the event any Company should fail to make any of the payments required under this Agreement, the item or installment so in default shall continue as an obligation of such Company until the amount in default shall have been fully paid. The Companies agree that the collection and enforcement of the defaulted payment shall be as provided in Section 12-44-90 of the Code.

## ARTICLE VII

### CASUALTY AND CONDEMNATION

Section 7.01. Adjustments in the Event of Damage and Destruction or Condemnation. In the event that the Project or any portion thereof is damaged or destroyed, lost or stolen, or the subject of condemnation proceedings, any Company, in its sole discretion, may determine whether or not to repair or replace the same. The parties hereto agree that if the Companies decide not to repair or replace all or any portion of the Project pursuant to this Section, the FILOT required pursuant to Section 5.01 hereof shall be abated in the same manner and in the same proportion as if *ad valorem* taxes were payable with respect to the Project.

## ARTICLE VIII

### PARTICULAR COVENANTS AND AGREEMENTS

Section 8.01. Use of Project for Lawful Activities. During the Term of this Agreement, each Company shall use the Project for the purposes identified in Section 2.02(h) of this Agreement and for any lawful purpose that is authorized pursuant to the Act.

Section 8.02. Assignment. The County agrees that, to the maximum extent allowable under the Act (or any amendments thereto), each Company may assign (including, without limitation, absolute, collateral, and other assignments) all or a part of its rights or obligations under this Agreement, and any lease agreement, lease purchase agreement, or fee agreement, as the case may be, or any other agreement related hereto or thereto, or transfer any and all assets of such Company, to one or more Related Entities (as defined in Section 9.01 below) without adversely affecting the benefits of such Company or its assignees pursuant to any such agreement or the Act. Such Company shall provide the County and the Department of Revenue with notice of any such assignment, transfer, or investment in accordance with the Act, and the County agrees, upon the request of such Company, to take all further action necessary to implement such assignment, transfer, or investment in accordance with the provisions of the Act. To the extent that the Act may require the consent, approval or ratification of or by the County for the assignment of this Agreement, in whole or in part, the County agrees to not unreasonably withhold its consent, approval or ratification.

Section 8.03. Indemnification. Sponsor and Sponsor Affiliate release the County, including the members of the governing body of the County, and the employees, officers,

attorneys and agents of the County (herein collectively referred to as the "Indemnified Parties") from, agree that the Indemnified Parties shall not be liable for, and agree to hold the Indemnified Parties harmless against, any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to this Agreement, the Project or the use thereof, except for that occasioned by grossly negligent or intentional acts of an Indemnified Party. Sponsor and Sponsor Affiliate further agree to indemnify and save harmless Indemnified Parties against and from any and all costs, liabilities, expenses, and claims arising from any breach or default on the part of the Companies in the performance of any covenant or agreement on the part of the Companies to be performed pursuant to the terms of this Agreement or arising from any act or negligence of, or negligent failure to act where there is a duty to do so by any Company, or any of their agents, attorneys, contractors, servants, employees, or licensees, and from and against all cost, liability, and expenses incurred in or in connection with any such claim or action or proceeding brought thereon.

All covenants, stipulations, promises, agreements, and obligations of the County contained herein shall be deemed to be covenants, stipulations, promises, agreements, and obligations of the County and not of any member of the County Council or any officer, agent, attorney, servant, or employee of the County in his or her individual capacity, and, no recourse shall be had for the payment of any moneys hereunder or the performance of any of the covenants and agreements of the County herein contained or for any claims based thereon against any member of the governing body of the County or any officer, attorney, agent, servant, or employee of the County.

Notwithstanding the fact that it is the intention of the Indemnified Parties hereto that none of them shall incur any pecuniary liability by reason of the terms of this Agreement, any related agreements or the undertakings required of the County hereunder by reason of the performance of any act requested of the County by any Company, including all claims, liabilities, or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if any Indemnified Party shall incur any such pecuniary liability, then in such event the Sponsor and Sponsor Affiliate shall indemnify and hold them harmless against all claims by or on behalf of any Person, firm, or corporation or other legal entity arising out of the same and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, provided, however, that nothing herein shall absolve the Indemnified Parties from, or entitle the Indemnified Parties to indemnification from, any obligation such Indemnified Party has specifically agreed to undertake (including, without limitation, the obligation to place and maintain the Land within a multi-county park). If any action, suit, or proceeding is brought against any Indemnified Party to which such Indemnified Party is entitled to indemnification, such Indemnified Party shall promptly notify the Companies, and the Companies shall have the sole right and duty to assume, and shall assume, the defense thereof, at its expense, with full power to litigate, compromise, or settle the same in its sole discretion; provided the Companies shall obtain the prior written consent of the County to settle any such claim unless such claim is for monetary damages for which the Companies have the ability to, and do, pay. Notwithstanding the foregoing, if the Indemnified Party is the County, in the event the County reasonably believes there are defenses available to it that are not being pursued or that the counsel engaged by the Companies reasonably determines that a conflict of interest exists between the County and the Companies, the County may, in its sole discretion,

hire independent counsel to pursue its own defense, and the Companies shall be liable for the reasonable cost of such counsel.

The indemnity specified in this Section shall be in addition to any heretofore extended by the Companies to any Indemnified Party and shall survive the termination of this Agreement with respect to liability arising out of any event or act occurring prior to such termination.

Section 8.04. Sponsors and Sponsor Affiliates. Sponsor or Sponsor Affiliate may designate from time to time other Sponsors or Sponsor Affiliates pursuant to the provisions of Sections 12-44-30(19) or (20), respectively, and Section 12-44-130 of the Simplified FILOT Act, which Sponsors or Sponsor Affiliates shall be Persons who join with the Companies and make investments with respect to the Project, or who participate in the financing of such investments, who agree to be bound by the terms and provisions of this Agreement and who shall be Affiliates of Sponsor, Sponsor Affiliate or other Sponsors or Sponsor Affiliates, or other Persons described in Section 8.02 hereof. All other Sponsors or Sponsor Affiliates who otherwise meet the requirements of Section 12-44-30 (19) or (20) and Section 12-44-130 of the Simplified FILOT Act must be approved by the County in writing. To the extent that the aggregate investment in the Project by the end of the Investment Period by all Sponsors and Sponsor Affiliates exceeds \$5,000,000, to the extent permitted by Section 12-44-30(19) of the Simplified FILOT Act, all investment by such Sponsors and Sponsor Affiliates during the Investment Period shall qualify for the FILOT pursuant to Section 5.01 of this Agreement (subject to the other conditions set forth therein) regardless of whether each such entity invested amounts equal to the Act Minimum Investment Requirement by the end of the Investment Period. Sponsor or Sponsor Affiliate shall provide the County and the Department of Revenue with written notice of any other Sponsor or Sponsor Affiliate designated pursuant to this Section 8.04 within ninety (90) days after the end of the calendar year during which any such Sponsor or Sponsor Affiliate has placed in service Negotiated FILOT Property to be used in connection with the Project, all in accordance with Section 12-44-130(B) of the Simplified FILOT Act.

## ARTICLE IX

### FINANCING ARRANGEMENTS; CONVEYANCES; ASSIGNMENTS

Section 9.01. Conveyance of Liens and Interests; Assignment. Each Company may at any time: (a) transfer all or any of its rights and interests hereunder or with respect to the Project to any Person; or (b) enter into any lending, financing, security, or similar arrangement or succession of such arrangements with any financing entity with respect to the Agreement or the Project, including without limitation any sale, leaseback, or other financing lease arrangement; provided that, in connection with any of the foregoing transfers: (i) except in connection with any transfer to Sponsor or Sponsor Affiliate (collectively, the "Related Entities"), or transfers pursuant to clause (b) above (as to which such transfers the County hereby consents), such Company shall first obtain the prior written consent or subsequent ratification of the County; (ii) except where a financing entity, which is the income tax owner of all or part of the Project, is the transferee pursuant to clause (b) above and such transferee or financing entity assumes in writing the obligations of such Company hereunder, or where the County consents in writing, no such transfer shall affect or reduce any of the obligations of such

Company hereunder, but all obligations of such Company hereunder shall continue in full force and effect as the obligations of a principal and not of a guarantor or surety; (iii) such Company, transferee, or financing entity shall, within 60 days thereof, furnish or cause to be furnished to the County and the Department of Revenue a true and complete copy of any such transfer agreement; and (iv) such Company and the transferee shall comply with all other requirements of the Transfer Provisions.

Each Company acknowledges that such a transfer of an interest under this Agreement or in the Project may cause the Project to become ineligible for a Negotiated FILOT or result in penalties under the Act absent compliance by the Companies with the Transfer Provisions.

Section 9.02. Relative Rights of County and Financing Entities as Secured Parties. The parties acknowledge the application of the provisions of Section 12-44-90 of the Act, and that the County's right to receive FILOT Payments hereunder shall be the same as its rights conferred under Title 12, Chapter 49 and 54, among others, of the Code relating to the collection and enforcement of *ad valorem* property taxes. The County's rights under this Agreement, except for its rights to receive FILOT revenues, shall be subordinate to the rights of any secured party or parties under any financing arrangements undertaken by the Companies with respect to the Project pursuant to Section 9.01 hereof, such subordination to be effective without any additional action on the part of the County; provided, however, that the County hereby agrees, at the Companies' expense, to execute such agreements, documents, and instruments as may be reasonably required by such secured party or parties to effectuate or document such subordination.

## ARTICLE X

### TERM; TERMINATION

Section 10.01. Term. Unless sooner terminated pursuant to the terms and provisions herein contained, this Agreement shall be and remain in full force and effect for a term commencing on the date on which the Companies execute this Agreement, and ending at midnight on the last day of the property tax year in which the last Negotiated FILOT Payment is due hereunder. The Project has a term of thirty years, as calculated pursuant to the respective dates when the relevant portions of the Project are placed in service, and as discussed in greater detail in this Agreement. The County's rights to receive indemnification and payment of Administration Expenses pursuant hereto shall survive the expiration or termination of this Agreement.

Section 10.02. Termination. The County and the Companies may agree to terminate this Agreement at any time, or the Sponsor or Sponsor Affiliate may, at its option, terminate this Agreement at any time upon providing the County 30 days' notice of such termination, in which event the Project shall be subject to *ad valorem* taxes from the date of termination. In the event that this Agreement is terminated by the operation of this Section 10.02 at any time during the initial Investment Period prior to the Companies' meeting the Project Commitment, amounts due to the County as a result thereof shall be calculated as provided in

Section 5.01(j) hereof. The County's rights to receive payment for such *ad valorem* taxes and its rights to enforce the terms of this Agreement shall survive termination of this Agreement.

## ARTICLE XI

### EVENTS OF DEFAULT AND REMEDIES

Section 11.01. Events of Default by Companies. (a) Any one or more of the following events (herein called an "Event of Default", or collectively "Events of Default") shall constitute an Event of Default by the Companies:

(1) if default shall be made in the due and punctual payment of any FILOT Payments, indemnification payments, or Administration Expenses, which default shall not have been cured within 30 days following receipt of written notice thereof from the County;

(2) if default shall be made by any Company in the due performance of or compliance with any of the terms hereof, including payment, other than those referred to in the foregoing paragraph (a), and such default shall continue for 90 days after the County shall have given the Companies written notice of such default, provided, such Company shall have such longer period of time as necessary to cure such default if such Company proceeds promptly to cure such default and thereafter to prosecute the curing of such default with due diligence; and provided further, that no Event of Default shall exist under this paragraph (b) during any period when there is pending, before any judicial or administrative tribunal having jurisdiction, any proceeding in which such Company has contested the occurrence of such default; or

(3) a cessation of operations at the Project.

(b) The failure of the Companies to meet any Project Commitment set forth herein shall not be deemed to be an Event of Default under this Agreement.

Section 11.02. Remedies on Event of Default by Company. Upon the occurrence of any Event of Default, the County may exercise any of the following remedies, any of which may be exercised at any time during the periods permitted under the following clauses:

(a) terminate this Agreement by delivery of written notice to the Companies not less than 30 days prior to the termination date specified therein;

(b) have access to and inspect, examine, and make copies of the books, records, and accounts of the Companies pursuant to Section 4.02(b)(2) and (3); or

(c) take whatever action at law or in equity as may appear necessary or desirable to collect the amounts then due and thereafter to become due or to enforce

observance or performance of any covenant, condition, or agreement of the Companies under this Agreement.

Section 11.03. Default by County. Upon the default of the County in the performance of any of its obligations hereunder, any Company may take whatever action at law or in equity as may appear necessary or desirable to enforce its rights under this Agreement, including without limitation, a suit for mandamus or specific performance. Provided, however, that anything herein to the contrary notwithstanding, any financial obligation the County may incur hereunder, including for the payment of money, shall not be deemed to constitute a pecuniary liability or a debt or general obligation of the County.

## ARTICLE XII

### MISCELLANEOUS

Each right, power, and remedy of the County or of the Companies provided for in this Agreement shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for in this Agreement or now or hereafter existing at law or in equity, in any jurisdiction where such rights, powers and remedies are sought to be enforced; and the exercise by the County or by the Companies of any one or more of the rights, powers or remedies provided for in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the County or by the Companies of any or all such other rights, powers or remedies.

(b) The Companies agree to reimburse the County for expenses incurred by the County for accountants and similar experts used by the County in the computation, preparation and verification of the annual Fee Payments and any special source revenue credits, *provided, however*, the maximum annual reimbursement pursuant to this subsection is capped at One Thousand and No/100 dollars (\$1000.00).

Section 12.05. Rules of Construction. The County and the Companies acknowledge and agree that each has been represented by legal counsel of its choice throughout the negotiation and drafting of this Agreement, that each has participated in the drafting hereof and that this Agreement will not be construed in favor of or against either party solely on the basis of such party's drafting or participation in the drafting of any portion of this Agreement.
