Be it ordained by the Council of Lancaster County, South Carolina:

Section 1. Findings.

The Lancaster County Council finds that:

(a) Lancaster County, South Carolina (the "County") acting by and through its County Council (the "Council") is authorized and empowered pursuant to the provisions of Title 12, Chapter 44 of the Code of Laws of South Carolina 1976 (the "Code"), as amended (the "Act"), to enter into fee-in-lieu of tax ("FILOT") agreements with any industry, with said agreements identifying certain properties of such industries as economic development property, through which powers the industrial development of the State of South Carolina (the "State") and the County will be promoted and trade developed by inducing manufacturing and commercial enterprises to locate, remain, and expand in the State and the County and thus utilize and employ the manpower, products, and natural resources and benefit the general public welfare of the State and County by providing services, employment, or other public benefits not otherwise adequately provided locally;

(b) the County is authorized by Sections 4-1-175 and 4-29-68 of the Code, as amended, and Section 12-44-70 of the Act to provide special source revenue credits for the purpose of defraying the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the County and for improved and unimproved real estate and personal property, including machinery and equipment, used in the operation of a manufacturing facility or commercial enterprise in order to enhance the economic development of the County;

(c) Nutramax Manufacturing, Inc., Nutramax Laboratories, Inc., Nutramax Properties, LLC, and Nutramax Land Holdings, Inc. (collectively, the "Sponsor") have made significant prior investments in the County and, in connection therewith, have entered into a June 7, 2010 Incentives Agreement with the County, as amended on November 10, 2015 ("2010 Incentive Agreement"), a June 28, 2010 Fee Agreement with the County, as amended on November 10, 2015 ("2010 Fee Agreement"), and a June 28, 2010 Infrastructure Credit Agreement with the County, as amended on November 10, 2015 ("2010 Infrastructure Credit Agreement");

(d) The Sponsor is considering additional investments (in addition to the investments provided for in the 2010 Incentive Agreement, the 2010 Fee Agreement, and the 2010 Infrastructure Credit Agreement) through itself and/or one or more existing or to be formed affiliated entities, in personal property and certain real estate improvements located in the County which would constitute a project within the meaning of the Act and which are eligible for inclusion as economic development property, the cost of which is estimated to be approximately Twenty Million Dollars (\$20,000,000) (the "Project");

(e) pursuant to Resolution No. 1018-R2018, adopted September 24, 2018, the Council approved an Inducement Resolution providing for, among other things, the agreement of the County to enter into a FILOT incentive with the Sponsor and the provision of special source revenue credits;

(f) The Sponsor has caused to be prepared and presented to the Council the form of the Fee Agreement by and between the County and the Sponsor (the "Fee Agreement"), which is consistent with the terms and conditions contained in Resolution No. 1018-R2018, the Inducement Resolution; and

(g) it appears that the Fee Agreement, which is attached to this ordinance, is in appropriate form and is an appropriate instrument to be executed and delivered by the County for the purposes intended.

Section 2. Approval of Fee Agreement.

Subject to the provisions of Section 4 of this ordinance, and, in order to promote industry, develop trade, and utilize and employ the manpower, products, and natural resources of the State by assisting the Sponsor to expand or locate an industrial facility in the State, the Fee Agreement is hereby authorized, ratified, and approved.

Section 3. Statutory Findings.

Council makes the following additional findings:

(a) The Project will constitute a "project" as the term is referred to and defined in the Act, and the County's actions herein will subserve the purposes and in all respects conform to the provisions and requirements of the Act.

(b) The Project and the payments in lieu of taxes set forth herein are beneficial to the County, and the County has evaluated the Project based upon all criteria prescribed by law, including the anticipated dollar amount and nature of the investment to be made.

(c) The Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally.

(d) The Project gives rise to no pecuniary liability of the County or any incorporated municipality or a charge against the general credit or taxing power of either.

(e) The purposes to be accomplished by the Project, *i.e.*, economic development and addition to the tax base of the County, are proper governmental and public purposes.

(f) The inducement of the location or expansion of the Project within the County and State is of paramount importance.

(g) The benefits of the Project to the public will be greater than the costs to the public.

Section 4. Approval and Execution of Fee Agreement.

The form, terms, and provisions of the Fee Agreement, attached hereto as Exhibit A, are approved, and all of the terms, provisions, and conditions thereof are incorporated herein by reference as if the Fee Agreement was set out in this ordinance in its entirety. The Council Chair and Council Secretary are authorized, empowered, and directed to execute and acknowledge the Fee Agreement in the name of and on behalf of the County, and thereupon to cause the Fee Agreement to be delivered to the Sponsor. The Fee Agreement is to be in substantially the form as attached to this ordinance and hereby approved, with such changes therein as shall not be materially adverse to the County and as shall be approved by the officials of the County executing the same, upon the advice of counsel to the County, such officer's execution thereof to constitute conclusive evidence of such officer's approval of any and all changes or revisions therein from the form of the Fee Agreement attached to this ordinance.

Section 5. Economic Development Fund.

(A) Council finds that (i) by passage of Ordinance No. 2014-1260, Council created an Economic Development Fund with the intent to make monies available to the fund from new revenues to the County derived from new and expanded businesses and industry, and (ii) the ability to make monies available to the Economic Development Fund can be difficult because of complexities and legalities applicable to fee-in-lieu of tax arrangements and multi-county parks.

(B) It is the intent of Council, in the annual County budget, to appropriate monies to the Economic Development Fund based on the new revenue that the County receives pursuant to the Fee Agreement. Specifically, it is Council's intent to appropriate from the General Fund of the County an amount based on the following formula: Seven percent (7%) times the amount of money received pursuant to the Fee Agreement by the County after distribution to other taxing entities in the most recently completed tax year.

Section 6. Authority to Act.

The Council Chair, Council Secretary, Clerk to Council, County Administrator, County Attorney and all other appropriate officials of the County are authorized and directed to do any and all things necessary to effect the execution and delivery of the Fee Agreement and the performance of all obligations of the County under and pursuant to the Fee Agreement.

Section 7. Severability.

If any section, subsection or clause of this ordinance is held to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections and clauses shall not be affected.

Section 8. Controlling Provisions.

To the extent this ordinance contains provisions that conflict with provisions contained elsewhere in the Lancaster County Code or other County ordinances, resolutions or orders, the provisions contained in this ordinance supersede all other provisions and this ordinance is controlling.

Section 9. Effective Date.

This ordinance is effective upon Third Reading.

AND IT IS SO ORDAINED

Dated this 26th day of November, 2018.

Section 3.03. Invalidity. The parties acknowledge that the intent of this Agreement is to afford the Companies the benefits of the Negotiated FILOT Payments in consideration of the Companies' decision to locate the Project within Lancaster County and that this Agreement has been entered into in reliance upon the enactment of the Simplified FILOT Act. In the event that, for any reason, the Act and/or the Negotiated FILOT or any portion thereof is, by a court of competent jurisdiction following allowable appeals, declared invalid or unenforceable in whole or in part, or the portion of the Project consisting of Economic Development Property is deemed not to be eligible for a Negotiated FILOT pursuant to the Act in whole or in part, the Companies and the County express their intentions that such payments be reformed so as to afford the Companies benefits commensurate with those intended under this Agreement as then permitted by law, including without limitation any benefits afforded under the Code, to the extent allowed by law, including but not limited to the provision of additional and/or increased Special Source Revenue Credits. Absent the legal authorization to effect such reformation, the Companies and the County agree that there shall be due hereunder, with respect to the portion of the Economic Development

Property affected by such circumstances, *ad valorem* taxes and that, to the extent permitted by law, each Company shall be entitled: (1) to enjoy the five-year exemption from *ad valorem* taxes (or fees in lieu of taxes) provided by Article X, Section 3 of the Constitution of the State, and any other exemption allowed by law; (2) to enjoy all allowable depreciation; and (3) to receive other tax credits which would be due if such Company were obligated to pay *ad valorem* taxes hereunder. To the extent that under such circumstances the Negotiated FILOT Payments hereunder are required by law to be subject to retroactive adjustment, then there shall be due and payable by such Company to the County with respect to the portion of the Economic Development Property in question an amount equal to the difference between the Negotiated FILOT Payments theretofore actually paid and the amount which would have been paid as *ad valorem* taxes, together with, but only if required by law, interest on such deficiency as provided in Section 12-54-25(D) of the Code. Each Company agrees that if this Agreement is reformed as provided in this Section or if retroactive adjustments are made, then under no circumstances shall the County be required to refund or pay any monies to the Companies. Notwithstanding anything in this Section 3.03 to the contrary, the Companies shall be entitled to the benefits and rights provided or referenced in Section 5.01(h).

In addition to and notwithstanding the foregoing paragraph, the County shall not be obligated to perform any of its obligations or promises under this Section 3.03 unless the Companies have otherwise complied with or provided satisfactory evidence to the County that it intends to comply with its obligations and responsibilities under this Agreement.

Section 3.04. Multi-County Park. The County agrees to take action to place the Land in the Multi-County Park until the date this Agreement is terminated. If it becomes necessary to move the Land from one multi-county park to another prior to the termination of this Agreement, the County agrees to use its best efforts to place the Land in a multi-county park established pursuant to the Multi-County Park Act and to maintain the multi-county park designation until the date this Agreement is terminated. The parties acknowledge and agree that the County's agreement to place and maintain the Land in a multi-county park may be subject to the exercise of discretion by a governmental entity other than the County and the exercise of that discretion is not controlled by the County.

ARTICLE IV

NEW JOB CREATION BY COMPANIES RELATING TO PROJECT; MAINTENANCE AND MODIFICATION OF PROJECT

Section 4.01. New Job Creation by Companies Relating to Project.

(a) New Full-Time Jobs created by Sponsor and Sponsor Affiliates shall be included in any determination whether the Jobs Commitment made in this Section 4.01 has been met.

(b) For the Project, together with any Sponsor Affiliates, the Sponsor agrees and commits to the following Jobs Commitment: the creation and maintenance of the number of New Full-Time Jobs, paying an hourly wage rate not less than the Wage Requirement, at the following

employment levels and in the designated timeframes with the "Year" number referring to the year that corresponds with the earlier of either (i) the year following the year in which the Economic Development Property is first placed in service or (ii) the first year Special Source Revenue Credits are taken, with Year 1 being the first year:

(1) to have employed, as measured over the base number of three hundred eighty-five (385) (the "Base Number of Employees"), in New Full-Time Jobs an average of not less than zero (0) during Year 1, for a total of three hundred eighty-five (385) jobs at the Project,

(2) to have employed, over the Base Number of Employees, in New Full-Time Jobs an average of not less than fifty-two (52) during Year 2, for a total of four hundred thirty-seven (437) jobs at the Project,

(3) to have employed, over the Base Number of Employees, in New Full-Time Jobs an average of not less than seventy-eight (78) during Year 3, for a total of four hundred sixty-three (463) jobs at the Project,

(4) to have employed, over the Base Number of Employees, in New Full-Time Jobs an average of not less than ninety-four (94) during Year 4, for a total of four hundred seventy-nine (479) jobs at the Project, and

(5) to have employed, over the Base Number of Employees, in New Full-Time Jobs an average of not less than one hundred thirty (130) during Year 5 and each year thereafter in which the Company is receiving a Special Source Revenue Credit, for a total of five hundred fifteen (515) jobs at the Project.

The number of New Full-Time Jobs shall be based on the average number of New Full-Time Jobs for each month during the year. For all purposes of this Agreement, including but not limited to this Section 4.01 and Section 5.01(j) and (k), all New Full-Time Jobs created by the Sponsor and any Sponsor Affiliate shall count towards the Job Commitment.

Section 4.02. Reporting and Filing.

(a) Each Company agrees to provide a copy of Form PT-443 filed with the Department of Revenue no later than thirty (30) days after execution and delivery of this Agreement to the Auditor, Treasurer and Assessor of the County and any multi-county park partner county and the Economic Development Director of the County. Each year during the term of this Agreement, each Company shall deliver to the Auditor, Treasurer and Assessor of the County and any multi-county park partner county and the Economic Development Director of the County a copy of their most recent annual filings made with the Department of Revenue with respect to the Project, no later than thirty (30) days following delivery thereof to the Department of Revenue.

(b) (1) Sponsor agrees, as soon as reasonably practicable following the end of each tax year of the Sponsor, to submit to the County Economic Development Director a certification on Sponsor letterhead listing the aggregate New Full-Time Jobs maintained by the Companies at the end of such tax year.

(2) For purposes of determining compliance with the Jobs Commitment, Sponsor agrees to provide to the County Economic Development Director, by January 30 of each year, a copy of all of Sponsor's filings with the State (if required to file by the State) for the preceding calendar year including: (i) reports submitted to the South Carolina Coordinating Council for Economic Development with respect to any Job Development Credits awarded in connection with the Project; (ii) Department of Revenue Form SC SCH. TC 4 (New Jobs Credit); and (iii) South Carolina Department of Employment and Workforce quarterly contribution and wage reports (such as Form UCE 120). Company agrees to redact any personally identifying information and proprietary and confidential information prior to submitting any form to the County Economic Development Director. In lieu of providing any of the forms specifically identified in this subsection, Company and the County Economic Development Director may agree on an alternative method for the Company to demonstrate compliance with the Jobs Commitment.

(c) (1) Each Company agrees to maintain such books and records with respect to the Project as will permit the identification of those portions of the Project placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto and its computations of all FILOT Payments made hereunder and will comply with all reporting requirements of the State and the County applicable to property subject to FILOT Payments under the Act, including the reports described in subsection (a) and (b) of this Section (collectively, "Filings").

(2) Each Company agrees that the County and its authorized agents have the right at all reasonable times and upon prior reasonable written notice to enter upon and examine and inspect the Project and to have access to and examine and inspect all of the Companies' books and records pertaining to the Project and the Filings. The right of examination and inspection shall be exercised only upon reasonable and necessary terms and conditions prescribed by any Company to protect such Company's confidentiality and proprietary rights. Any such entrance upon and examination and inspection of the Project and Filings shall be at the County's expense.

(d) The County acknowledges and understands that the Companies may have and maintain at the Project certain confidential and proprietary information, including, but not limited to, trade secrets, financial, sales or other information concerning the Companies' operations and processes ("Confidential Information") and that any disclosure of the Confidential Information could result in substantial harm to the Companies and could have a significant detrimental impact on the Companies' employees and also upon the County. Except as required by law, including, without limitation, court orders, the County agrees to use its best reasonable efforts to keep confidential, and to cause employees, agents and representatives of the County to keep confidential, the Confidential Information which may be obtained from the Companies, their agents or representatives, when the Confidential Information is clearly marked and identified as Confidential Information and known to the County to be Confidential Information. The County shall not knowingly and willfully disclose and shall cause all employees, agents and representatives of the County not to knowingly and willfully disclose the marked and identified Confidential Information to any person or entity other than in accordance with the terms of this Agreement. If a demand is made for the release, under color of law, to a third party of any

Confidential Information, the County shall notify the Companies and give the Companies the opportunity to contest the release.

Section 4.03 Modification of Project.

As long as no event of default exists hereunder, the Companies shall have the right at any time and from time to time during the Term hereof to undertake any of the following:

(i) Each Company may, at its own expense, add to the Project any real and personal property as such Company in its discretion deems useful or desirable.

(ii) In any instance where a Company, in its discretion, determines that any items included in the Project have become inadequate, obsolete, worn out, unsuitable, undesirable, or unnecessary for operations at the Project, such Company may remove such items or portions from the Project and sell, trade in, exchange, or otherwise dispose of them (as a whole or in part) without the consent of the County; as such may be permitted under the Simplified FILOT Act.

(iii) Each Company may, at any time in its discretion by written notice to the County, remove any real or personal property from the Negotiated FILOT (as defined in Section 5.01) set forth in this Agreement, and thereafter such property will be considered Non-Qualifying Property and will be subject to FILOT Payments as set forth in Section 5.01(b)(i) hereof.

ARTICLE V

PAYMENTS IN LIEU OF TAXES

Section 5.01. Payments in Lieu of *Ad Valorem* Taxes.

(a) In accordance with the Act, the parties hereby agree that, during the Term of the Agreement, the Companies shall pay annually, with respect to the Project, a FILOT in the amount calculated as set forth in this Section, to be collected and enforced in accordance with Section 12-44-90 of the Act.

(b) The FILOT Payment due with respect to each property tax year shall equal:

(i) With respect to any portion of the Project consisting of undeveloped land, land under development, other property not yet placed in service or Non-Qualifying Property, as long as such property is located in the Multi-County Park, a payment equal to the *ad valorem* taxes that would otherwise be due on such undeveloped land, land under development, other property not yet placed in service or Non-Qualifying Property if it were taxable giving effect to all credits, exemptions, rebates and abatement that would be available if such undeveloped land, land under development, other property not yet placed in service or Non-Qualifying Property were taxable; and

(ii) With respect to those portions of the Project consisting of Economic Development Property, for each of the thirty (30) consecutive years following the year in which

such portion of the Project is placed in service, a payment calculated each year as set forth in paragraphs (c) and (d) of this Section 5.01 (a "Negotiated FILOT").

(c) The Negotiated FILOT Payments shall be calculated with respect to each property tax year based on: (1) the fair market value (determined in accordance with Section 12-44-50(A)(1)(c) of the Code) of the improvements to real property and Equipment included within the Project theretofore placed in service (less, for Equipment, depreciation allowable for property tax purposes as provided in Section 12-44-50(A)(1)(c) of the Code); (2) (i) for property located at Sites 1, 2 and 4 as listed on Exhibit A, a millage rate fixed for the Term equal to 313 mills, if this Agreement is executed in calendar year 2018, and 317.6 mills, if this Agreement is executed in calendar year 2019 (and the millage rate applicable to a specific portion of the Project shall be only the millage rate for the taxing entities in which the portion of the Project is located), and (ii) for property located at Site 3 as listed on Exhibit A, a millage rate fixed for the Term equal to 489.4 mills, if this Agreement is executed in calendar year 2018, and a millage rate fixed for the Term equal to 496.1 mills, if this Agreement is executed in calendar year 2019 (and the millage rate applicable to a specific portion of the Project shall be only the millage rate for the taxing entities in which the portion of the Project is located); and (3) an assessment ratio of six percent (6%). All such calculations shall take into account all deductions for depreciation or diminution in value allowed by the Code or by the tax laws generally, as well as tax exemptions which would have been applicable if such property were subject to *ad valorem* taxes, except the exemption allowed pursuant to Section 3(g) of Article X of the Constitution of the State of South Carolina and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(d) Special Source Revenue Credits shall be granted with respect to the Economic Development Property in amounts equal to (i) seventy percent (70%) of Negotiated FILOT Payments for the first 6 consecutive years in which Negotiated FILOT Payments are required to be made hereunder; (ii) 65% for years 7 through 11; and (iii) 60% for years 12 through 15.

(e) The FILOT Payments are to be recalculated:

(i) to reduce such payments in the event a Company disposes of any part of the Project within the meaning of Section 12-44-50(B) of the Code and as provided in Section 4.03 hereof, by the amount applicable to the Released Property;

(ii) to increase such payments, based on the methodology set forth in Section 5.01(c) hereof, in the event a Company adds property (other than Replacement Property) to the Project; or

(iii) to adjust such payments if a Company elects to convert any portion of the Project from the Negotiated FILOT to the FILOT required by Section 5.01(b)(i) above, as permitted by Section 4.03(iii).

(f) To the extent permitted by law, because the FILOT Payments agreed to herein are intended to be paid by the Companies to the County in lieu of taxes, it is agreed that said FILOT Payments shall not, as to any year, be in any amount greater than what would otherwise be payable by the Companies to the County in property taxes if the Companies had not entered into a fee-in-

lieu of taxes arrangement with the County (except it is not intended that said FILOT Payments would necessarily be less than such property taxes to the extent that the constitutional abatement of property taxes set forth in Section 3(g) of Article X of the Constitution of the State of South Carolina would otherwise apply).

(g) Upon any Company's installation of any Replacement Property for any portion of the Project removed under Section 4.03 hereof and sold, scrapped, or disposed of by any Company, such Replacement Property shall become subject to Negotiated FILOT Payments to the fullest extent allowed by law, subject to the following rules:

(i) Replacement Property does not have to serve the same function as the Economic Development Property it is replacing. Replacement Property is deemed to replace the oldest property subject to the FILOT, whether real or personal, which is disposed of in the same property tax year as the Replacement Property is placed in service. Replacement Property qualifies for Negotiated FILOT Payments up to the original income tax basis of the Economic Development Property which it is replacing. More than one piece of property can replace a single piece of property. To the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the Economic Development Property which it is replacing, the excess amount is subject to payments equal to the *ad valorem* taxes which would have been paid on such property but for this Agreement. Replacement property is entitled to the FILOT Payment for the period of time remaining on the FILOT period for the property which it is replacing.

(ii) The new Replacement Property which qualifies for the Negotiated FILOT Payment shall be recorded using its income tax basis, and the Negotiated FILOT Payment shall be calculated using the millage rate and assessment ratio provided on the original property subject to FILOT Payment.

(h) In the event that the Act or the FILOT or any portion thereof, are declared, by a court of competent jurisdiction following allowable appeals, invalid or unenforceable, in whole or in part, for any reason, the Companies and the County express their intentions that such payments be reformed so as to afford the Companies the maximum benefit then permitted by law, including, at the Company's election, without limitation, (i) an additional and/or increased Special Source Revenue Credit to approximate the net (after application of the Special Source Revenue Credits provided in Section 5.01(d) hereof) FILOT Payments intended under this Agreement, and/or (ii) the benefits afforded under Section 12-44-50 of the Code and, specifically, that the Companies may, at the Companies' expense, exercise the rights granted by Section 12-44-160 of the Code. If the Project is deemed not to be eligible for a Negotiated FILOT pursuant to the Act in whole or in part, the Companies and the County agree that the Companies shall pay an alternate fee-in-lieu of tax calculated in the manner set forth in Section 5.01(b)(i) hereof. In such event, the Companies shall be entitled, to the extent permitted by law: (1) to enjoy the five-year exemption from *ad valorem* taxes (or fees in lieu of taxes) provided by Section 3(g) of Article X of the Constitution of the State of South Carolina, and any other exemption allowed by law; and (2) to enjoy all allowable depreciation. The Companies agree that if the FILOT Payments or this Agreement is reformed pursuant to this subsection (h), that under no circumstance shall the County be required to refund or pay any monies to the Companies.

(i) For the Project, this Agreement is automatically terminated in the event that the investment in the Project in land, buildings, and personal property, including machinery and equipment, by Sponsor does not exceed Two Million Five Hundred Thousand Dollars (\$2,500,000.00) by the end of the Investment Period ("Act Minimum Investment Requirement"). If terminated pursuant to this subsection (i), the Negotiated FILOT Payments shall revert retroactively to payments equivalent to what the *ad valorem* taxes would have been with respect to the property absent this Agreement. At the time of termination, the Companies shall pay to the County an additional fee equal to the difference between the total amount of property taxes that would have been paid by the Companies had the project been taxable, taking into account exemptions from property taxes that would have been available to the Companies, and the total amount of fee payments actually made by the Companies. This additional amount is subject to interest as provided in Section 12-54-25(D). The Companies agree, if the Negotiated FILOT Payments revert to payments equivalent to what the *ad valorem* taxes would be pursuant to this subsection (i), that under no circumstance shall the County be required to refund or pay any monies to any Company.

(j) The Companies agree that a portion of the Special Source Revenue Credits for a year shall be reduced to the extent that the Companies fail to meet the Jobs Commitment. Specifically, in any year in which the Companies fail to meet the Jobs Commitment, the annual Special Source Revenue Credit shall be reduced in the same proportion that the Companies failed to meet the Jobs Commitment. For example, if in Year 3 (as referenced in Section 4.01(b) hereof), the Companies should have employed, over the Base Number of Employees, in New Full-Time Jobs an average of not less than seventy-eight (78), but the Companies employed an average of sixty-four (64), then the Special Source Revenue Credit would be set at 82.05% (64 divided by 78 equals 82.05%) of 70% which results in a Special Source Revenue Credit in Year 3 of 57.44% (82.05% times 70% equals 57.44%).

(k) In any year after Year 1 (as referenced in Section 4.01(b)) in which the Companies fail to have employed, as measured over the Base Number of Employees, as defined in Section 4.01(b), in New Full-Time Jobs an average of not less than ten (10), jobs, for a total of not less than three hundred ninety-five (395) jobs, at the Project, the Companies shall pay to the County an additional fee equal to the difference between the Negotiated FILOT Payments made by the Companies and the FILOT Payment that would be due for the Economic Development Property if calculated, notwithstanding the provisions of Section 5.01(c), using the then current millage rate and the assessment ratios that would be applicable to the Economic Development Property if it were subject to *ad valorem* taxes (the "Hypothetical FILOT Payment").

As an example of the calculation set forth in this subsection (k), and by way of example only, (i) assuming the Economic Development Property is placed in service with respect to the Project in 2019 and that the Special Source Revenue Credit is first taken in 2020 (which would be "Year 1" as referenced in Section 4.01(b) hereof), and that in the year ending December 31, 2022 (which would be "Year 3" as referenced in Section 4.01(b) hereof), that the maintained number of New Full-Time Jobs was eight (8), that the millage rate applicable for tax bills to be sent in the following year is 375, and all of the Economic Development Property would have a 10.5% assessment ratio applied if such property were subject to *ad valorem* taxation, then (ii) the Hypothetical FILOT

Payment for the year ending December 31, 2023 (which would be "Year 4" as referenced in Section 4.01(b) hereof) would be computed using the millage rate of 375 (instead of the millage rate set forth in Section 5.01(c) hereof) and the 10.5% assessment ratio for the Economic Development Property (instead of the 6% assessment ratio set forth in Section 5.01(c) hereof).

(l) Unless otherwise provided by the Act, any amounts due to the County under this Section 5.01 by virtue of the application of subsections (h) through (k) shall be paid within 90 days following written notice thereof from the County to the Companies.

(m) Notwithstanding any other provision of this Agreement, the Companies acknowledge and agree that County's obligation to provide the FILOT incentive and the Special Source Revenue Credits ends, and this Agreement is terminated, if the Companies cease operations. Such termination shall not require the Companies to refund or pay any monies to the County, except as set forth in Section 10.02 hereof. For purposes of this Section 5.01(m), "cease operations" means permanent closure of the primary facilities comprising the Project. The Companies agree that if this Agreement is terminated pursuant to this Section 5.01(m), that under no circumstance shall the County be required to refund or pay any monies to the Companies.

ARTICLE VI

PAYMENTS BY COMPANIES

Section 6.01. Defaulted Payments. In the event any Company should fail to make any of the payments required under this Agreement, the item or installment so in default shall continue as an obligation of such Company until the amount in default shall have been fully paid. The Companies agree that the collection and enforcement of the defaulted payment shall be as provided in Section 12-44-90 of the Code.

ARTICLE VII

CASUALTY AND CONDEMNATION

Section 7.01. Adjustments in the Event of Damage and Destruction or Condemnation. In the event that the Project or any portion thereof is damaged or destroyed, lost or stolen, or the subject of condemnation proceedings, any Company, in its sole discretion, may determine whether or not to repair or replace the same. The parties hereto agree that if the Companies decide not to repair or replace all or any portion of the Project pursuant to this Section, the FILOT required pursuant to Section 5.01 hereof shall be abated in the same manner and in the same proportion as if *ad valorem* taxes were payable with respect to the Project.

ARTICLE VIII

PARTICULAR COVENANTS AND AGREEMENTS

Section 8.01. Use of Project for Lawful Activities. During the Term of this Agreement, each Company shall use the Project for the purposes identified in Section 2.02(f) of this Agreement and for any lawful purpose that is authorized pursuant to the Act.

Section 8.02. Assignment. The County agrees that, to the maximum extent allowable under the Act, each Company may assign (including, without limitation, absolute, collateral, and other assignments) all or a part of its rights or obligations under this Agreement, and any lease agreement, lease purchase agreement, or fee agreement, as the case may be, or any other agreement related hereto or thereto, or transfer any and all assets of such Company, to one or more Related Entities (as defined in Section 9.01 below) without adversely affecting the benefits of such Company or its assignees pursuant to any such agreement or the Act. Such Company shall provide the County and the Department of Revenue with notice of any such assignment, transfer, or investment in accordance with the Act, and the County agrees, upon the request of such Company, to take all further action necessary to implement such assignment, transfer, or investment in accordance with the provisions of the Act. To the extent that the Act may require the consent, approval or ratification of or by the County for the assignment of this Agreement, in whole or in part, the County agrees to not unreasonably withhold its consent, approval or ratification; and the County may provide any such consent, approval or ratification by a resolution of County Council.

Section 8.03. Indemnification. Sponsor releases the County, including the members of the governing body of the County, and the employees, officers, attorneys and agents of the County (herein collectively referred to as the "Indemnified Parties") from, agrees that the Indemnified Parties shall not be liable for, and agrees to hold the Indemnified Parties harmless against, any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to this Agreement, the Project or the use thereof, except for that occasioned by grossly negligent or intentional acts of an Indemnified Party. Sponsor further agrees to indemnify and save harmless Indemnified Parties against and from any and all costs, liabilities, expenses, and claims arising from any breach or default on the part of the Companies in the performance of any covenant or agreement on the part of the Companies to be performed pursuant to the terms of this Agreement or arising from any act or negligence of, or negligent failure to act where there is a duty to do so by any Company, or any of their agents, attorneys, contractors, servants, employees, or licensees, and from and against all cost, liability, and expenses incurred in or in connection with any such claim or action or proceeding brought thereon.

All covenants, stipulations, promises, agreements, and obligations of the County contained herein shall be deemed to be covenants, stipulations, promises, agreements, and obligations of the County and not of any member of the County Council or any officer, agent, attorney, servant, or employee of the County in his or her individual capacity, and no recourse shall be had for the payment of any moneys hereunder or the performance of any of the covenants and agreements of

the County herein contained or for any claims based thereon against any member of the governing body of the County or any officer, attorney, agent, servant, or employee of the County.

Notwithstanding the fact that it is the intention of the Indemnified Parties hereto that none of them shall incur any pecuniary liability by reason of the terms of this Agreement, any related agreements or the undertakings required of the County hereunder by reason of the performance of any act requested of the County by any Company, including all claims, liabilities, or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if any Indemnified Party shall incur any such pecuniary liability, then in such event the Sponsor shall indemnify and hold them harmless against all claims by or on behalf of any Person, firm, or corporation or other legal entity arising out of the same and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, provided, however, that nothing herein shall absolve the Indemnified Parties from, or entitle the Indemnified Parties to indemnification from, any obligation such Indemnified Party has specifically agreed to undertake (including, without limitation, the obligation to place and maintain the Land within a multi-county park and to provide the benefits set forth in this Agreement). If any action, suit, or proceeding is brought against any Indemnified Party to which such Indemnified Party is entitled to indemnification, such Indemnified Party shall promptly notify the Companies, and the Companies shall have the sole right and duty to assume, and shall assume, the defense thereof, at its expense, with full power to litigate, compromise, or settle the same in its sole discretion; provided the Companies shall obtain the prior written consent of the County to settle any such claim unless such claim is for monetary damages for which the Companies have the ability to, and do, pay. Notwithstanding the foregoing, if the Indemnified Party is the County, in the event the County reasonably believes there are defenses available to it that are not being pursued or that the counsel engaged by the Companies reasonably determines that a conflict of interest exists between the County and the Companies, the County may, in its sole discretion, hire independent counsel to pursue its own defense, and the Companies shall be liable for the reasonable cost of such counsel.

The indemnity specified in this Section shall be in addition to any heretofore extended by the Companies to any Indemnified Party and shall survive the termination of this Agreement with respect to liability arising out of any event or act occurring prior to such termination.

Section 8.04. Sponsors and Sponsor Affiliates. Sponsor may designate from time to time other Sponsors or Sponsor Affiliates pursuant to the provisions of Sections 12-44-30(19) or (20), respectively, and Section 12-44-130 of the Simplified FILOT Act, which Sponsors or Sponsor Affiliates shall be Persons who join with the Companies and make investments with respect to the Project, or who participate in the financing of such investments, who agree to be bound by the terms and provisions of this Agreement and who shall be Affiliates of Sponsor, Sponsor Affiliate or other Sponsors or Sponsor Affiliates, or other Persons described in Section 8.02 hereof. All other Sponsors or Sponsor Affiliates who otherwise meet the requirements of Section 12-44-30(19) or (20) and Section 12-44-130 of the Simplified FILOT Act must be approved by the County which approval shall be evidenced by passage of a resolution of County Council. To the extent that the aggregate investment in the Project by the end of the Investment Period by all Sponsors and Sponsor Affiliates exceeds \$5,000,000, to the extent permitted by

Section 12-44-30(19) of the Simplified FILOT Act, all investment by such Sponsors and Sponsor Affiliates during the Investment Period shall qualify for the FILOT pursuant to Section 5.01 of this Agreement (subject to the other conditions set forth therein) regardless of whether each such entity invested amounts equal to the Act Minimum Investment Requirement by the end of the Investment Period. Sponsor shall provide the County and the Department of Revenue with written notice of any other Sponsor or Sponsor Affiliate designated pursuant to this Section 8.04 within ninety (90) days after the end of the calendar year during which any such Sponsor or Sponsor Affiliate has placed in service property to be used in connection with the Project and subject to the Negotiated FILOT Payment, all in accordance with Section 12-44-130(B) of the Simplified FILOT Act.

Section 8.05. Non-Applicability of Fee Under Intergovernmental Agreement. The parties recognize and agree that, as set forth in Resolution R18-19 of the Lancaster City Council adopted October 23, 2018, the "Non-Annexation Fee" referenced in Section 3 of the January 8, 2008 Intergovernmental Agreement between the City of Lancaster and the County concerning the Lancaster Business Park does not apply to investments to be made by the Company at its 946 Quality Drive site (which is located in the Lancaster Business Park) under this Agreement.

Section 8.06. 2010 Agreements. The parties hereto agree that investments made by the Company at the Project on or before December 31, 2017 shall be subject, as applicable, to the 2010 Agreements; and that investments made by the Company at the Project on or after January 1, 2018 shall be subject, as applicable, to the provisions of this Agreement.

ARTICLE IX

FINANCING ARRANGEMENTS; CONVEYANCES; ASSIGNMENTS

Section 9.01. Conveyance of Liens and Interests; Assignment. Each Company may at any time: (a) transfer all or any of its rights and interests hereunder or with respect to the Project to any Person; or (b) enter into any lending, financing, security, or similar arrangement or succession of such arrangements with any financing entity with respect to the Agreement or the Project, including without limitation any sale, leaseback, or other financing lease arrangement; provided that, in connection with any of the foregoing transfers: (i) except in connection with any transfer to Sponsor or Sponsor Affiliate (collectively, the "Related Entities"), or transfers pursuant to clause (b) above (as to which such transfers the County hereby consents), such Company shall obtain the prior written consent or subsequent ratification of the County; (ii) except where a financing entity, which is the income tax owner of all or part of the Project, is the transferee pursuant to clause (b) above (as to which such transfers the County hereby consents) and such transferee or financing entity assumes in writing the obligations of such Company hereunder, or where the County consents in writing, no such transfer shall affect or reduce any of the obligations of such Company hereunder, but all obligations of such Company hereunder shall continue in full force and effect as the obligations of a principal and not of a guarantor or surety; (iii) such Company, transferee, or financing entity shall, within 60 days thereof, furnish or cause to be furnished to the County and the Department of Revenue a true and complete copy of any such transfer agreement; and (iv) such Company and the transferee shall comply with any

additional requirements (i.e., requirements not addressed in this paragraph) of the Transfer Provisions.

Each Company acknowledges that such a transfer of an interest under this Agreement or in the Project may cause the Project to become ineligible for a Negotiated FILOT Payment or result in penalties under the Act absent compliance by the Companies with the Transfer Provisions.

Section 9.02. Relative Rights of County and Financing Entities as Secured Parties.

The parties acknowledge the application of the provisions of Section 12-44-90 of the Act, and that the County's right to receive FILOT Payments hereunder shall be the same as its rights conferred under Title 12, Chapter 49 and 54, among others, of the Code relating to the collection and enforcement of *ad valorem* property taxes. The County's rights under this Agreement, except for its rights to receive FILOT Revenues, shall be subordinate to the rights of any secured party or parties under any financing arrangements undertaken by the Companies with respect to the Project pursuant to Section 9.01 hereof, such subordination to be effective without any additional action on the part of the County; provided, however, that the County hereby agrees, at the Companies' expense, to execute such agreements, documents, and instruments as may be reasonably required by such secured party or parties to effectuate or document such subordination.

ARTICLE X

TERM; TERMINATION

Section 10.01. Term. Unless sooner terminated pursuant to the terms and provisions herein contained, this Agreement shall be and remain in full force and effect for a term commencing on the date on which the Companies execute this Agreement, and ending at midnight on the last day of the property tax year in which the last Negotiated FILOT Payment is due hereunder. The Project has a term of 30 years, as calculated pursuant to the respective dates when the relevant portions of the Project are placed in service, and as discussed in greater detail in this Agreement. The County's rights to receive indemnification and payment of Administration Expenses pursuant hereto shall survive the expiration or termination of this Agreement.

Section 10.02. Termination. The County and the Companies may agree to terminate this Agreement at any time, or the Sponsor may, at its option, terminate this Agreement at any time upon providing the County 30 days' notice of such termination, in which event the Project shall be subject to *ad valorem* taxes from the date of termination. In the event that this Agreement is terminated by the operation of this Section 10.02 at any time during the initial Investment Period prior to the Companies' meeting the Project Commitment, amounts due to the County as a result thereof, if any, shall be calculated as provided in Section 5.01(i) hereof. The County's rights to receive payment for such *ad valorem* taxes and its rights to enforce the terms of this Agreement shall survive termination of this Agreement.

ARTICLE XI

EVENTS OF DEFAULT AND REMEDIES

Section 11.01. Events of Default by Companies.

(a) Subject in all events to Section 12.14 hereof, any one or more of the following events (herein called an "Event of Default", or collectively "Events of Default") shall constitute an Event of Default by the Companies:

(1) if default shall be made in the due and punctual payment of any FILOT Payments, indemnification payments, or Administration Expenses, which default shall not have been cured within 30 days following receipt of written notice thereof from the County; or

(2) if default shall be made by any Company in the due performance of or compliance with any of the terms hereof, including payment, other than those referred to in the foregoing paragraph (1), and such default shall continue for 90 days after the County shall have given the Companies written notice of such default, provided, such Company shall have such longer period of time as necessary to cure such default if such Company proceeds promptly to cure such default and thereafter to prosecute the curing of such default with due diligence; and provided further, that no Event of Default shall exist under this paragraph (2) during any period when there is pending, before any judicial or administrative tribunal having jurisdiction, any proceeding in which such Company has contested the occurrence of such default.

(b) The failure of the Companies to meet any Project Commitment set forth herein shall not be deemed to be an Event of Default under this Agreement.

Section 11.02. Remedies on Event of Default by Company. Upon the occurrence of any Event of Default, the County may exercise any of the following remedies, any of which may be exercised at any time during the periods permitted under the following clauses:

(a) terminate this Agreement by delivery of written notice to the Companies not less than 30 days prior to the termination date specified therein;

(b) have access to and inspect and examine the books, records, and accounts of the Companies pursuant to Section 4.02(c); or

(c) take whatever action at law or in equity as may appear necessary or desirable to collect the amounts then due and thereafter to become due or to enforce observance or performance of any covenant, condition, or agreement of the Companies under this Agreement.

Section 11.03. Default by County. Upon the default of the County in the performance of any of its obligations hereunder, any Company may take whatever action at law or in equity as may appear necessary or desirable to enforce its rights under this Agreement, including without limitation, a suit for mandamus or specific performance; provided, however, that anything herein to the contrary notwithstanding, any financial obligation the County may incur hereunder,

including for the payment of money, shall not be deemed to constitute a pecuniary liability or a debt or general obligation of the County.

ARTICLE XII

Each right, power, and remedy of the County or of the Companies provided for in this Agreement shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for in this Agreement or now or hereafter existing at law or in equity, in any jurisdiction where such rights, powers and remedies are sought to be enforced; and the exercise by the County or by the Companies of any one or more of the rights, powers or remedies provided for in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the County or by the Companies of any or all such other rights, powers or remedies.

The written request shall include a description of the nature of the Administration Expenses.

(b) The Companies agree to reimburse the County for expenses incurred by the County for accountants and similar experts used by the County in the computation, preparation and verification of the annual FILOT Payments and any special source revenue credits, *provided, however*, the maximum annual reimbursement pursuant to this subsection is capped at One Thousand and No/100 dollars (\$1,000.00).
