On-site Wastewater Treatment System (OWTS) Permit Types

Choose the most applicable permit type from the list below and check the box in upper-left corner

☐ New Construction - (\$1123.00) <i>For new OWTS and complete system replacement</i> - Contact Registered Soil Technician and/or Professional Engineer (PE) or system designer for analysis and design development. A PE may be required dependent on site and soil conditions. - A design must be submitted to La Plata County (LPC). San Juan County (SJC) must have payment for LPC to review designs for permit issuance.	☐ Alteration - (\$1068.00) <i>For changes/additions to existing permitted OWTS</i> - Contact Registered Soil Technician and/or Professional Engineer (PE) or system designer for analysis and design development. A PE may be required dependent on site and soil conditions. - A design must be submitted to La Plata County (LPC). San Juan County (SJC) must have payment for LPC to review designs for permit issuance.
☐ Change Of Use - (\$518.00) <i>For expanded use (e.g., bedroom count) of an existing permit without system modifications, OR new service connections (e.g., garages, shops) added to an existing permit</i> - For expanded use, provide a certification report from a Professional Engineer (PE) or system designer. - For new service connections, provide a proposed site plan and describe scope of work below. - Change of Use does NOT allow for connection of new uses (e.g., second dwellings, ADUs) unless the system was originally designed for it – use Alteration instead	☐ Minor Repair - (\$408.00) <i>For replacement of OWTS components with no change to permitted use</i> - Submit application with payment, transfer of title inspection report (if available) and a simple site plan showing location of repairs. - List repairs/scope of work below (e.g. tank replacement, aerators, pipe repairs, etc.) - A permit is NOT required for repair of components that do not provide treatment (e.g., fencing, tank lids, inspection ports)

Please describe in detail work to be completed: _____

I acknowledge: (1) The information provided in this application is true and accurate to the best of my knowledge; (2) Submittal of this application does not constitute or guarantee approval of the requested permit or document; (3) Issuance of the requested permit or document does not assure that: (a) Final approval of the proposed system will be obtained upon inspection; or that (b) The permitted OWTS system will operate as intended; and that (4) I am responsible for the proper installation, repairs and maintenance of the OWTS system in accordance with the rules and regulations set forth in the ICPH regulations, as well as any specific conditions of approval that may be imposed on issuance of the requested permit or document.

Owner's Signature: _____ **Date:** _____

Submit completed application to eh@lpcgov.org or at our office location.

This is NOT a permit; this application does not authorize construction or repairs.
All OWTS construction/repair work must be performed by an installer licensed by [I- tfl-ül- /2dzyüë.
