

CITY OF LOGAN
RESOLUTION NO. 12-69

A RESOLUTION IDENTIFYING PROPOSED IMPROVEMENTS
ALONG 200 EAST FOR THE CITY OF LOGAN

WHEREAS, the City of Logan is designing improvements for the 200 East Intersection at 500 North; and

WHEREAS, the residents along the corridor have provided input regarding their preferences for this intersection; and

WHEREAS, the one-way couplet study is underway and may select 200 East as a potential for a future one-way couplet;

NOW THEREFORE, BE IT RESOLVED by the Logan Municipal Council that the proposed improvements that should be planned on at the 500 North intersection include:

- Single lane roundabout
- Rapid Response Flashing Beacon lights that are pedestrian activated and have sounds to assist the blind
- Highlighted crosswalks with textured pavement and coloring to make them very visible

PASSED BY THE LOGAN MUNICIPAL COUNCIL, STATE OF UTAH, THIS
