RESOLUTION NO. 16-03**

**A RESOLUTION TO GIVE WRITTEN CONSENT THAT THE STATE
ALCOHOLIC BEVERAGE CONTROL COMMISSION GRANT A VARIANCE
TO THE COMMUNITY LOCATION PROXIMITY REQUIREMENTS**

WHEREAS, Utah Code Section 32B-1-202 provides that one of the factors that the Alcoholic Beverage Control Commission may consider in granting a variance to the community location proximity requirements is the issuance of a written consent by the governing body of the city; and

WHEREAS, Crumb Brothers (Rolo Enterprises DBA Crumb Brothers) located at 291 S 300 W is requesting to become a Limited-Service Restaurant Liquor licensee for purposes of alcohol sales and is located beyond 200 feet but less than 600 feet of several community locations; and

WHEREAS, the policy established by Utah Code Section 32B-1-202 that places proximity restrictions on retail licensees for purposes of alcohol sales in relation to the Logan High School Campus (sports fields), Logan South Campus High School, and Kilowatt Park, which are all community locations, should not apply because the negative impacts the state statute are meant to prevent are not present in this case; and

WHEREAS, Brothers (Rolo Enterprises DBA Crumb Brothers) has requested that the City of Logan give written consent that the State Alcoholic Beverage Control Commission grant a variance to the community location proximity requirements;

NOW THEREFORE, BE IT RESOLVED BY THE LOGAN MUNICIPAL COUNCIL, that this Council gives written consent that the State Alcoholic Beverage Control Commission grant a variance to the community location proximity requirements.
