

**CITY OF LOGAN
RESOLUTION NO. 16-14**

A RESOLUTION ADOPTING THE COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) ANNUAL ACTION PLAN (PROGRAM YEAR 2016) FOR THE CITY OF LOGAN.

WHEREAS, the City of Logan (City) was designated a Metropolitan Statistical Area in May, 2003; and

WHEREAS, the City is required to develop an Annual Action Plan each year for submission for approval to the U.S. Department of Housing and Urban Development (HUD), which plans delineate funding allocations to CDBG subrecipients and strategic priorities and a community needs assessment; and

WHEREAS, it is estimated that the City has \$448,808 to allocate from HUD for PY2016; and

WHEREAS, the City has complied with the applicable requirements approved by HUD and outlined in the City's Five-Year Consolidated Plan, which requires that:

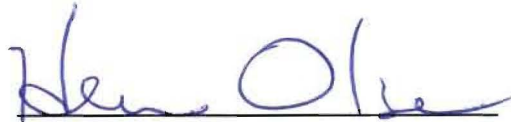

- a steering committee is formed to meet and review each eligible application for funding and to come to a unanimous consensus for a recommendation; which recommendation includes funding allocations and funding conditions; and which is submitted for approval to the collective City Council; and
- specified public hearings are held, notices are published, and both the Consolidated Plan and Annual Action Plan under consideration are made available for public review and comment in accordance with the Citizen Participation Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LOGAN, UTAH:

1. The PY2016 Annual Action Plan, including funding decision, the executive summary of which is attached hereto as Exhibit A and incorporated herein by reference, is hereby adopted by the City of Logan and approved to be submitted to HUD.
2. This resolution shall be effective immediately as of the date of its adoption.

PASSED BY THE LOGAN MUNICIPAL COUNCIL THIS 3 DAY OF May, 2016.

PY2016 Annual Action Plan Funding Recommendations Draft Summary

Application Period

The City of Logan held an application period from February 5, 2016, to March 4, 2016. During the application period, two application workshops were offered to provide potential applications with an opportunity to learn about application requirements. City Departments and nonprofits serving low/moderate income residents were invited to make application.

CDBG Program Year 2016 Funding Recommendation

The CDBG Steering Committee met on March 17, 2016, and made the following funding recommendation:

Activity	Funding Amount
400 N 300E/500 E Medians and Crossings	\$180,000
200 W 1600 N Sidewalk	\$73,000
400 E Center Sidewalk	\$48,000
Family and Information Center Building Addition	\$19,000
Whittier Center Window Replacement	\$20,000
Common Ground Facility Roof	\$14,047
Bridgerland Literacy Program Expansion	\$5,000
Program Administration	\$67,321
Woodruff Neighborhood Plan	\$5,000
Access and Mobility Plan	\$5,000
Program Planning	\$12,440
Total Funding	\$448,808

It is recommended that any PY2016 funds awarded by HUD in excess of the estimate or any funds recaptured from any other CDBG activity from any program year will be automatically reallocated to the 400 N 300 E/500 E Medians and Crossings activity up the total activity budget.

Public Review and Comment Period

A public review and comment period regarding the proposed PY2016 Annual Action Plan runs from April 4, 2016 to May 3, 2016, and is scheduled to end at the conclusion of the public hearing scheduled for May 3, 2016.

Public Hearing

A public hearing is scheduled for May 3, 2016, for the purpose of receiving public input by Logan residents regarding the proposed plan. The hearing takes place as part of the regularly scheduled City Council meeting, which begins at 5:30pm. Special accommodations are offered for those that request and need them.

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Logan is a CDBG entitlement community, and will receive an estimated \$448,808 allocation from HUD for Program Year (PY) 2016. These funds will cover eleven activities, including program administration and planning, as outlined in this Annual Action Plan (AAP).

The activities and funding planned for this AAP are:

Activity	Funding Amount
400 N 300E/500 E Medians and Crossings	\$180,000
200 W 1600 N Sidewalk	\$73,000
400 E Center Sidewalk	\$48,000
Family and Information Center Building Addition	\$19,000
Whittier Center Window Replacement	\$20,000
Common Ground Facility Roof	\$14,047
Bridgerland Literacy Program Expansion	\$5,000
Program Administration	\$67,321
Woodruff Neighborhood Plan	\$5,000
Access and Mobility Plan	\$5,000
Program Planning	\$12,440
Total Funding	\$448,808

It is recommended that any PY2016 funds awarded by HUD in excess of the estimate or any funds recaptured from any other CDBG activity from any program year will be automatically reallocated to the 400 N 300 E/500 E Medians and Crossings activity up the total activity budget.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The objectives of the this plan are to continue the goals of the five year Consolidated Plan:

- 1) Contribute to significant neighborhood infrastructure or facility improvements in eligible neighborhoods.
- 2) Contribute to social services, nonprofits, or neighborhood initiatives that address community needs for low/moderate income residents.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

During the first two years of the current Consolidated Plan (Conplan), Logan City was able to make significant investment in meeting both of the priority goals of the Conplan, (infrastructure and support of public services). In both years the funding allocations met the allocation percentages parameters laid out the Conplan, which was 65%-70% for infrastructure and 10%-15% for social service provider support. With the city having met the goal both years, the plan for this year is to continue to meet those funding percentage goals.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The City followed the outline of its Citizen Participation Plan by conducting outreach through two public hearing, two application workshops, and working through a steering committee for application selection. Public hearing were advertised through newspaper announcements and postings on the Logan City website and at the city offices. In addition, local agencies and service providers were informed of the CDBG PY2016 AAP schedule through direct email notification. The draft summary of the AAP was also published online and notice for public comment was announced in the newspaper, posted at City Hall, and directly emailed to local agencies and service providers.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Add after May 3.

6. Summary of comments or views not accepted and the reasons for not accepting them

All public comments were accepted and reviewed by the City Council.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

In preparing the Annual Action Plan, the City of Logan works closely with community partners to ensure that the needs of the residents of Logan are met.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City has fulfilled the requirements of its citizen participation plan as a means of reaching local agencies and staying involved with local concerns related to housing, health and welfare. Currently, Logan City coordinates with organizations that serve these sectors through:

- Participation in the Bear River Region Homeless Coordinating Council (BRHCC).
- Participation in the Cache Interagency Council (CIC), a collective of nonprofits and agencies.

The City’s coordination with these organizations has increased our involvement with a wide range of services and service providers.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Continuum of Care Program is lead by the Bear River Association of Government, and Logan City participates with BRAG on issues relating to the Continuum of Care through the BRHCC and the Local Housing Authority.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City does not receive ESG funds.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Continuum of Care	BRAG	CDBG continues to be active with the Regional Homeless Coordinating Council and Housing Authority to ensure that CDBG objectives reach help to reduce homelessness. This AAP furthers this goal by providing funding to services within our community that benefit LMI residents, including literacy services, educational services, and facilities that house a number of programs for vulnerable populations, such as the Whittier Center.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Neighborhood Plans	Logan City	Logan City continues to develop area specific neighborhood plans that make investment recommendations for CDBG funding. The coordination between CDBG planning and neighborhood planning leads to improved communication with residents about their needs, and providing timely assistance to issues that could have otherwise been overlooked.

Table 3 – Other local / regional / federal planning efforts

Narrative (optional)

Logan City's outreach and planning efforts have lead to effective CDBG investment in sectors of the community that are most in need. The ground level planning efforts, such as the neighborhood specific plans, allow for an outreach and input on CDBG investment and leads to better CDBG projects in our neighborhoods. Continual communication with service providers in our community remains an important component of the CDBG program as Logan City continues to prioritize investment in support of nonprioifits that serve the community.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

Logan City meets the requirements of its Citizen Participation Plan. In completing the plan requirements, legal notices were published for public hearing on January 4 and April 8, 2016. Notices were also posted at City Hall for all Public hearings and the CDBG Steering Committee meetings. In addition to legal notices, email outreach was used to notify community groups during the PY2016 Action Plan process. This included notices of public hearings and application information.

Public comment was sought during two public hearings. The first, on February 2, 2016, was held prior to month long CDBG application period (February 5 through March 4, 2016). This meeting served as an opportunity for residents to provide input on CDBG goals for the year. The second public hearing was held on May 3, 2016, and allowed residents to speak prior to adoption of the AAP about the funding recommendation for the year.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Public infrastructure project will not be leveraged PY2016 with direct funds, but will be leveraged substantially with indirect funds, as Logan City Pubilc Works handles design and much of the manpower for these activities in-house.

The public services and facilities projects will be leveraged with direct funding from the subrecipients in the amount of \$136,000, which is more than a 2:1 ratio of CDBG funds (total CDBG funding for public services and facilities is expected to be \$58,000).

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

These projects meet the goals set forth in the 2014 Consolidated Plan, which emphasizes neighborhood centric investments in infrastructure, facilities, and neighborhood needs. Specifically, infrastructure and public facilities have been priorities to receive the greatest percent of funding based on public feedback and related planning efforts that have shown a need for these investments to help improve the safety and cohesion of the neighborhoods.

Table 9 – Project Summary

1	Project Name	400 North Medians and Crossings
	Target Area	
	Goals Supported	Neighborhood Infrastructure
	Needs Addressed	Neighborhood Infrastructure
	Funding	CDBG: \$180,000
	Description	Install a planted median and improved crossing at the intersections of 400 N and 300 E and 400 N and 500 E. Each intersection estimated cost is \$180,000. These medians will allow for improved crossing for residents along the 400 N corridor. The current condition at the intersections between 200 E and 600 E is inhibitive to pedestrians due to the wide roadway and vehicular speed. These medians will improve this crossing by providing a prominent feature that identifies the pedestrian crossing and providing a refuge island for pedestrian. In addition, the medians will be planted, which will help to improve the aesthetic quality of the corridor.
	Target Date	10/31/2017
	Estimate the number and type of families that will benefit from the proposed activities	The area along east 400 N is one of the highest percentages of LMI residents in Logan. The 400 N corridor is a barrier for residents in the neighborhood and the heavy traffic and vehicle-centric design of the road has caused the quality of life along the corridor to be impacted. This improvement is a piece of proposed improvement from the 400 N Plan that will improve the livability along the corridor. There are a total of 6,555 residents in the benefit area, of which 4,250 (63%) are LMI (see attached benefit area map).

	Location Description	400 N from 300 E to 500 E.
	Planned Activities	400 North Medians and Crossings
2	Project Name	200 W 1600 N Sidewalk
	Target Area	
	Goals Supported	Neighborhood Infrastructure
	Needs Addressed	Neighborhood Infrastructure
	Funding	CDBG: \$73,000
	Description	Install sidewalk, curb, gutter, and landscaping along 200 W from 1500 N to 1600 N.
	Target Date	10/1/2017
	Estimate the number and type of families that will benefit from the proposed activities	The sidewalk will support connectivity for the local neighborhood and support the new Family Place facility that will be located adjacent to the site. There are 2,720 residents in the defined benefit area, of which 1,725 (63.4%) are LMI. The area is characterized by multifamily housing developments. The 200 E corridor is a major linkage for the area that connects the neighborhood to commercial centers and bus stops. The Family Place is a local non-profit that works to strengthen families in the community through education and crisis intervention. The Family Place received a CDBG grant in PY2014, and reporting indicated that 85% of the families they served were LMI.
	Location Description	200 W from 1500 N to 1600 N.
	Planned Activities	200 W 1600 N Sidewalk
3	Project Name	400 E Center Sidewalk
	Target Area	
	Goals Supported	Neighborhood Infrastructure
	Needs Addressed	Neighborhood Infrastructure
	Funding	CDBG: \$48,000

	Description	Install sidewalk, curb, gutter, and landscaping along 400 E from Center to 50 N
	Target Date	10/1/2017
	Estimate the number and type of families that will benefit from the proposed activities	400 E and Center is an important intersection along the East Center Corridor. It connects the neighborhood to commercial, parks, and school. This improvement would connect the northwest portion of the neighborhood to the intersection and improve connectivity. There are 2,230 residents in the defined benefit area for this project, of which 1,390 (63%) are LMI (see attached benefit area map).
	Location Description	400 E Center to 50 N.
	Planned Activities	400 E Center Sidewalk
4	Project Name	FIRC Building Addition
	Target Area	
	Goals Supported	Low/Moderate Income Community Need Assistance
	Needs Addressed	Low/Moderate Income Community Need Assistance
	Funding	CDBG: \$19,000 Subrecipient contribution: \$91,000
	Description	Construct a 500 sf. building addition with ADA ramp.
	Target Date	6/1/2017
	Estimate the number and type of families that will benefit from the proposed activities	During the school year, FIRC primarily benefits preschool age children and their families. The families are majority LMI household. During the summer, FIRC expands their services to include school age children and their families.
	Location Description	50 S 400 E, Logan, Utah
	Planned Activities	FIRC Building Addition
5	Project Name	Whittier Window Restoration
	Target Area	

	Goals Supported	Low/Moderate Income Community Need Assistance
	Needs Addressed	Low/Moderate Income Community Need Assistance
	Funding	CDBG: \$20,000 Subrecipient contribution: \$45,000
	Description	Restore or replace window frames, repaint all of the window woodwork, and upgrade the glass to high efficiency storm glass. The Whittier Center is a community space located in the Adams neighborhood. It houses tenants that service the entire Logan City community.
	Target Date	6/1/2017
	Estimate the number and type of families that will benefit from the proposed activities	The number and type of families that benefit from the Whittier Center are difficult to estimate because of the wide range of services offered at the center. Services include dance schools, martial arts classes, churches, charter school organizations, and many others. The center estimates that for their services alone (not including the playground located at the center) 200 families in Cache Valley will benefit.
	Location Description	290 N 400 E, Logan, Utah
	Planned Activities	Whittier Window Restoration
6	Project Name	Common Ground Roof Replacement
	Target Area	
	Goals Supported	Low/Moderate Income Community Need Assistance
	Needs Addressed	Low/Moderate Income Community Need Assistance
	Funding	CDBG: \$14,047
	Description	Costs associated with the replacement of the roof of the Common Ground Outdoor Adventures facility.
	Target Date	6/1/2017
	Estimate the number and type of families that will benefit from the proposed activities	An estimated 500 families that have members with a disability will benefit from the proposed activity.

	Needs Addressed	Low/Moderate Income Community Need Assistance
	Funding	CDBG: \$5,000
	Description	Funding for reading packets, technology, and new student assessments for Bridgerland Literacy, which helps adult non-readers increase their literacy skills. This funding will facilitate an expansion of the program following reorganization over the last several years. The funding will provide the resources to increase expand the program by 25% during program year 2016. This will be an increase in enrollment from 29 students to 37 students.
	Target Date	6/1/2017
	Estimate the number and type of families that will benefit from the proposed activities	It is estimated that 37 households with illiterate members will benefit from this activity

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

With a population of around 50,000, Logan City is the largest town in Cache Valley, and serves as a residential, commercial, industrial, educational, arts, cultural, and tourist nexus for the Valley. Low and moderate income residents are located throughout the City, with the highest concentrations within the historic core neighborhoods, and newer parts of the City on the west side of town. Including all census block groups that HUD assigns to the entitlement, LMI residents account for 48% of the population, with nine census block groups being over 75% LMI. The distribution of public infrastructure and facilities improvements has focused on these areas of high LMI concentration.

Discussion

While Logan City does not target any specific geographic area, its five year goal is to invest in a significant infrastructure project in each eligilbe neighborhood.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

Logan City had, as recently as PY2012 and PY2015, funded the Welcome Home down payment assistance program with CDBG funds. Funding for that program was primarily moved to local RDA funds in 2013. Since the beginning of the program in 2003, 197 families have recieved housing affordability assistance. The average income of recipeints has been 62% of Logan City's median income.

Additionally, the housing rehabilitation program that is supported by Logan City will continue to provide assistance to LMI Households. The housing rehabilitation program has been funded through both local and CDBG funds since 2012, and has helped more than two dozen famliies in that time.

Discussion

BRAG continues to operate the local its Section 8 housing voucher program. The program provides help to eligible low-income families and individuals to enable them to rent decent, safe, and affordable housing of their choice through rental subsidies to private landlords. The program presently has an annual budget of over \$2 million to provide rental assistance to 566 families.

BRAG also operates Weatherization, Furnace Replacement and Repair, and Single Family Housing Rehabilitation Loan, and HEAT assistance programs. All of these programs lend to the facilitation of affordable housing. While not directly funded through CDBG this year, Logan City proritizes funding for affordable housing through local sources. It is expected that local funds will contriubte to 10 households

recieving assistance towards affordable hosuing.

AP-60 Public Housing – 91.220(h)

Introduction

Actions planned during the next year to address the needs to public housing

No actions planned by Logan City

Actions to encourage public housing residents to become more involved in management and participate in homeownership

No actions planned by Logan City

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Discussion

Bear River Association of Governments Housing Authority (BRAGHA) does not currently own any public housing in Logan City and has no immediate plans to develop any. However, BRAGHA does provide housing assistance to low income residents through the management of the area's Housing Choice Voucher Program - Section 8.

HUD Subsidized

There are two HUD-subsidized apartment complexes in Logan, both developed for elderly low-income residents. This means that Section 8 may be accepted and/or there are apartments that are income based (30% of adjusted gross income) apartments.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

Logan City participates in the Bear River Region Local Homeless Coordinating Council (HCC). Through this organization of local homeless advocates and service providers, Logan City is able stay abreast of concerns of the homeless community and explore funding options.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The primary outreach and assessment of homeless needs is through participation with the HCC.

Addressing the emergency shelter and transitional housing needs of homeless persons

No actions planned by Logan City.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

No actions planned by Logan City.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

While Logan City's affordable housing efforts and services support may help residents avoid homelessness, no other specific actions are planned by Logan City.

Discussion

The most recent published homeless point in time count, completed in January 2015, found five

unsheltered homeless persons. This is not surprising considering the cold climate in northern Utah and that there is no homeless shelter in the immediate area that serves the chronically homeless. Without this service available, local agencies rely on a homeless shelter outside of their jurisdiction for sheltering the chronically homeless.

The concern from multiple agencies dealing with homeless issues in Cache Valley is not only persons meeting the definition of chronically homeless, but also the number of doubled-up households and couch-surfers. The City’s goal is to stay involved with these concerns by being at the discussion table. Logan’s CDBG Coordinator continues to be involved in multi-agency collaborations through the HCC to ensure that the City is engaged with these initiatives. No funding CDBG funding request was made by the HCC or participating partners this year.

One year goals for the number of households to be provided housing through the use of HOPWA for:
Short-term rent, mortgage, and utility assistance to prevent homelessness of the individual or family
Tenant-based rental assistance
Units provided in housing facilities (transitional or permanent) that are being developed, leased, or operated
Units provided in transitional short-term housing facilities developed, leased, or operated with HOPWA funds
Total

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The City is making housing more affordable through homeownership assistance and housing rehabilitation assistance programs, which are funded primarily through local funds. As stated previously, 197 families have received homeownership assistance program in 2003, and over two dozen households have received housing rehabilitation assistance since 2012.

In regard to Fair Housing, Logan City is currently working with Dr. Jessica Lucero of Utah State University on updating our Analysis of Impediments to Fair Housing Choice. This update will serve as a Fair Housing policy document for the city, and help to inform our next CDBG Consolidated plan. The Fair Housing plan is expected to be completed and adopted by the City by July, 2016.

Logan City's Mayor, Craig Petersen, also signed and presented to the City Council A Fair Housing Proclamation, that described the administration's commitment to having fair housing occur within the City.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

No actions planned at this time.

Discussion

AP-85 Other Actions – 91.220(k)

Introduction

Actions planned to address obstacles to meeting underserved needs

The continued allocation of CDBG funds to sidewalks and related neighborhood infrastructure will increase the accessibility and safety for several populations to more easily traverse our City.

Actions planned to foster and maintain affordable housing

Logan City funds both housing down payment assistance and housing rehabilitation assistance with local funds.

Actions planned to reduce lead-based paint hazards

For CDBG funded activities, we will continue to follow the lead testing protocol as required. Logan City has a significant portion of its housing stock that was built prior to 1978, so lead will continue to be an issue for home renovation project. Currently, Logan City does provide lead informational handouts, and will continue to support information dissemination to the community.

Actions planned to reduce the number of poverty-level families

The PY2016 actions directed at reducing the number of poverty-level families include the funding of literacy programs through Bridgerland Literacy, and the funding of building improvements for the Family Information and Resource Center, which provides educational opportunities for LMI families.

Actions planned to develop institutional structure

Actions to develop institutional structure include the completion of the Logan City Impediments to Fair Housing Choice, which will provide a policy guideline for Fair Housing issues in the City. Additionally, CDBG staff will continue to receive funding for training and tools necessary to elevate the effectiveness of Logan City's CDBG program.

Actions planned to enhance coordination between public and private housing and social service agencies

As indicated, the CDBG Coordinator is engaged in several multi-agency groups to stay engaged of needs, wants, and concerns of public and private housing and social service agencies, including contineud participation with the Cache Inteagency Council, the HCC, and BRAG. Join planning efforts on access and mobility planning between Logan City CDBG Program and BRAG is of particular note for this AAP, as it represents a new level of collaberation between the two groups.

Consolidated Action Plan 2014-2018

Develops funding priorities for the program based on public input.
Set funding marks for all priorities.

Priority 1 – Contribute to at least one significant neighborhood infrastructure or facility improvement in each eligible neighborhood over the course of five years, such as:

Sidewalks, curb and gutter
Park improvements, community gardens, or other gathering areas
Improved lighting
Traffic calming measures

Elimination and prevention of slum and blight, through means such as the purchase and rehabilitation and/or clearance of blighted properties that pose a public health and safety concern.

Approximately 65-70% over five years.

Priority 2 – Social services, nonprofit, or neighborhood initiatives that address community needs for low/moderate income residents, including but not limited to:

- Domestic abuse programs
- Volunteerism programs
- Integration of the immigrant community
- Senior Home care programs
- Job training initiatives
- Transitional housing units
- Public transit services
- Affordable programming for kids
- Basic financial management classes

Approximately 10-15% over five years.

Priority 3 – Administration and Planning, including but not limited to:

- Basic grant administration (IFTE) – Salary, benefits, operational expenses, training, supplies, etc.
- Logan Downtown Specific Plan
- South Corridor Development Plan
- Bike & Pedestrian Plan
- Fourth North Corridor Development Plan
- Neighborhood Plans

Approximately 20% over five years.

Estimated funding allocations for PY2014-2018	\$470,000
Priority 1 – Infrastructure and Facilities	\$305,500 - \$329,000
Priority 2 – Nonprofit services support	\$47,000 - \$70,500
Priority 3 – Administration and planning	\$94,000

Goals and Priorities for PY2016

- Public Infrastructure and Facilities
 - What areas of the City may be emphasized?
 - What types of projects would the City like to accomplish?
- Nonprofit service support
 - Are there specific services that are lacking that CDBG can help to provide?
 - Are there particular groups of people who are in need of service?
- Planning
 - Are there planning projects that should be given consideration?

Timeline

Annual Action Plan (AAP)
Contains funding recommendations for PY2016
AAP public review – April 4 through May 3
AAP City Council workshop – April 19
Annual Action Plan City Council Public Hearing – May 3

Chairman Olsen opened the meeting to a public hearing.

Claudia Brilliant with the Family Information Resource Center addressed the Council. The Center is celebrating their 20th anniversary and they partner with the Logan City School District. They will be moving into their permanent location, a former home which is currently being remodeled. Additional space is needed and their project proposal is to add an additional 500 square feet at a cost of \$60,000 which the school district is not able to fund. She asked the Council for their support of this project.

Encarni Gallardo with the Children's Services Center addressed the Council. The Center provides services and helps grandparents that are raising their grandchildren due to the parents being unable due to incarceration or drug abuse. She said they currently do not hold a business license through the County because they are providing services through Bear River Mental Health. She asked if the City can provide any help in obtaining their business license.

CDBG Coordinator Aaron Smith offered to talk with Ms. Gallardo regarding how she can obtain a business license.

Dave Schuster with Neighborhood Nonprofit addressed the Council. His organization is applying for \$50,000 for the Welcome Home Own in Logan Program which helps first time home, low income home buyers with their costs of getting into a home. Since 2003 when the program started they have helped 195 families and of those 84% are still in their home today. He also stated that he would like to be involved in any discussions or meetings being held in regards to renovation projects.

Nelda Ault with the Cache Refugee and Immigration Program addressed the Council. She thanked the Council and the steering committee for their support of nonprofit organizations.

Gordon Yonker with the Family Place addressed the Council. He thanked the Mayor and Council for the new Family Place location. They have several program needs they would like the Council to consider as they apply for CDBG funding in the future.

Logan resident Bill Bower addressed the Council. He said when working with nonprofits sometimes tax payer money is used for their own salaries and the City should look closely at this when a request for funding has been made.

Councilmember Simmonds stated that CDBG Coordinator Aaron Smith watches this very carefully and it is specifically stated within the guidelines that funding cannot be used for salaries. There were no further comments and Chairman Olsen closed the public hearing.
