

**CITY OF LOGAN, UTAH
RESOLUTION NO. 17-47**

**A Resolution Finding that the Eccles Theatre Facility Benefits
the South Main Project Area**

WHEREAS, the Eccles Theatre Facility provides cultural benefits to the citizens in and outside of Logan and generates tourism dollars for Logan City, including, in the South Main Project Area with its many hotels, restaurants and other retail; and

WHEREAS, the Eccles Theatre is in need of a roof repair which qualifies as a publicly owned infrastructure and improvement as defined by Utah Code Ann. §17C-1-102(53); and

WHEREAS, pursuant to Utah Code Ann. §17C-1-409(1)(a)(iii)(E) the Logan Municipal Council finds that the Eccles Theatre does benefit the South Main Project Area, and further finds that it is therefore appropriate to use funding from this Project Area to fund said roof repairs.

BE IT THEREFORE RESOLVED, that the Municipal Council of the City of Logan does hereby find that the Eccles Theatre Facility is a benefit to the South Main Project Area and it is appropriate to take funding from the South Main Project Area for the repair of the Eccles Theater roof.

This resolution duly adopted upon this 3 day of October, 2017, by the following vote:
