PROGRAM YEAR 2018 (PY2018) ANNUAL ACTION PLAN (AAP) AMENDMENT 2

Summary

The purpose of this amendment is to make changes to projects that were approved in the PY2018 APP. The proposed changes are as follows:

- Cancel the CDBG funding for the Center Street Pedestrian Improvement project (to be completed with local funding).
- Approve the 600 E Pedestrian Improvement project.
- Reallocate \$20,000 from the Center Street Pedestrian Improvement project to the 200 West 1300 N Sidewalks & Corners project. Total CDBG funding for the 200 W 1300 N Sidewalks & Corners project will now be \$35,000.
- Reallocate \$160,000 from the Center Street Pedestrian Improvement project to the 600 E Pedestrian Improvement project.

Cancellation of the Center Street Pedestrian Improvement project is proposed due to sufficient local funding to complete the project.

The 600 E Pedestrian Improvement project consists of sidewalk and corner improvements along the 600 E corridor from 500 N to 900 N. These improvements will help provide safe pedestrian infrastructure along a primary road in the area.

RE: CDBG - Project Year 2018 (PY2018) Annual Action Plan Amendment II

Mayor and City Council,

The Logan City CDBG Annual Action Plan (AAP) for PY2018 that was adopted in May 2018 requires an amendment. One project that was previously approved, The Center Street Pedestrian Improvement project, needs to be cancelled and the funding reallocated to other projects. Outlined in this memo are the proposed actions for amendment to the AAP.

The purpose of this amendment is to make changes to projects that were approved in the PY2018 APP. The proposed changes are as follows:

- Cancel the Center Street Pedestrian Improvement project (to be completed without CDBG funding).
- Approve the 600 E Pedestrian Improvement project.
- Reallocate \$20,000 from the Center Street Pedestrian Improvement project to the 200 West 1300 N Sidewalks & Corners project. Total CDBG funding for the 200 W 1300 N Sidewalks & Corners project will now be \$35,000.
- Reallocate \$160,000 from the Center Street Pedestrian Improvement project to the 600 E Pedestrian Improvement project.

Cancellation of the Center Street Pedestrian Improvement project is proposed due to sufficient local funding to complete the project.

The 600 E Pedestrian Improvement project consists of sidewalk and corner improvements along the 600 E corridor from 500 N to 900 N. These improvements will help provide safe pedestrian infrastructure along a primary road in the area.

This proposal will be brought to Council for a public hearing following a 30-day comment period. I anticipate the public hearing to be held February 19, 2019. Please contact me with any questions regarding the proposed AAP amendment.
