March 17, 2020

**For Immediate Release**

## **City buildings open by appointment only. Please do business by phone or on-line.**

As of Wednesday March 18, 2020, Logan City will operate the lobbies of City Hall (290 N 100 W), Public Works (450 N 1000 W), and Environmental Center (153 N 1400 W) by appointment only.

Most city business can be conducted over the phone, on the website or via email. We are more than happy to instruct you how to accomplish what you need. Please note, some employees are working remotely. If you call an employee, please leave a message; if employees are working remotely, this is how they will know to return your call.

General Logan City questions can be answered at 435-716-9000 and on our website at [www.loganutah.org](http://www.loganutah.org).

There will be no Logan City Municipal Council meeting on Tuesday March 17, 2020.

### **Information for Utility Billing:**

Residents will need to use the drop box for utility payments if they prefer not to pay online at <http://billpay.loganutah.org>. It is located in the parking lot between the Post Office and Logan City Hall, 290 N 100 W in Logan. If a resident leaves a payment in the dropbox, make sure the service address is easy to find on the payment so we apply the payment to the correct customer account.

A resident can also pay over the phone with a credit card by calling the utility billing office at 435-716-9208 or 435-716-9195. Utility Billing can answer any questions you may have. For a cash transaction, use either telephone number listed above to arrange for an employee to meet you at the door to accept the payment or leave the payment in the drop box.

Please note: Online Utility Payments will be down from 5:00 PM Thursday until about 12:00 pm (noon) on Friday for previously scheduled maintenance.
