**For Immediate Release**

## DIGITAL/ELECTRONIC SERVICES FOR RESIDENTS

We would like to remind residents most city business can be conducted over the phone, on the website or via email. Please try that option first before coming to City Hall. We are more than happy to instruct you how to accomplish what you need without coming into the office. Please note, some employees are working remotely. If you call an employee, please leave a message; if employees are working remotely, this is how they will know to return your call.

General Logan City questions can be answered at 435-716-9000 and on our website at [www.loganutah.org](http://www.loganutah.org).

Please note, there will be no Logan City Municipal Council meeting on Tuesday March 16, 2020.

### **Information for Utility Billing:**

Residents are encouraged to use the drop box for utility payments if they prefer not to pay online at <http://billpay.loganutah.org>. It is located in the parking lot at Logan City Hall, 290 N 100 W in Logan.

You can call utility billing at 435-716-9208 with any questions you may have.
