LOGAN CITY CDBG PROGRAM

PROGRAM YEAR 2018 (PY2018) ANNUAL ACTION PLAN (AAP) AMENDMENT 1

Summary

The purpose of this amendment is to make changes to projects that were approved in the PY2018 APP. The proposed changes are as follows:

- Cancel CDBG funding for the Bridger Bike Park project (to be completed without CDBG funding).
- Create Bridger Park Pathways project.
- Reallocate the \$25,000 from the Bridger Bike Park to the Bridger Park Pathways project.
- Cancel 200 E 800 N Sidewalk and Corners project (completed without CDBG funding).
- Reallocate \$85,000 from the 200 E 800 N Sidewalk and Corners project to the 300 W 600 S Sidewalk and Corners project.
- Reallocate \$15,000 from the 200 E 800 N Sidewalk and Corners project to the 200 W 1300 N Sidewalk and Corners project.
- Designate the 200 W 1300 N Sidewalk and Corners project as receiver project for funding reallocations from completed projects, cancelled projects, or recaptured funds up to \$70,000.

Cancellation of the Bridger Bike Park project is proposed due to adequate local funding to complete the project. It is proposed that the \$25,000 in funding from the Bridger Bike Park project be reallocated to a newly created Bridger Park Pathways project. The Bridger Park Pathways project will provide access from the accessible parking to park features, including the community garden and bike park. The beneficiaries for the new project are the same as the previous Bridger Bike Park project.

Cancellation of the 200 E 800 N Sidewalk project is proposed as the project is no longer eligible for CDBG funding due to Logan City beginning work prior to the completion of the environmental review. It is proposed that the project funding be reallocated to other eligible infrastructure projects. It is proposed to reallocate \$85,000 to the 300 W 600 S Sidewalk and Corners project, and \$15,000 to the 200 W 1300 N Sidewalk and Corners project.

As the previous receiver project, 300 W 600 S Sidewalk and Corners, is now fully funded, it is proposed to designate the 200 W 1300 N Sidewalk and Corners project as a receiver project for funding reallocations from completed projects, cancelled projects, or recaptured funds up to \$70,000.
