The Franchising Authority hereby acknowledges that the Grantee has substantially complied with the material terms of the current Franchise under applicable law, and that the financial, legal, and technical ability of the Grantee is reasonably sufficient to provide services, facilities, and equipment necessary to meet the future cable-related needs of the community, and having afforded the public adequate notice and opportunity for comment, desires to enter into this Franchise with the Grantee for the construction and operation of a cable system on the terms set forth herein.

SECTION 2 - Grant of Franchise

2.1 Grant.

The Franchising Authority hereby grants to the Grantee a nonexclusive Franchise which authorizes the Grantee to construct and operate a Cable System in, along, among, upon, across, above, over, under, or in any manner connected with Public Ways within the Service Area, and for that purpose to erect, install, construct, repair, replace, reconstruct, maintain, or retain in, on, over, under, upon, across, or along any Public Way such facilities and equipment as may be necessary or appurtenant to the Cable System.

2.2 Other Ordinances.

The Grantee agrees to comply with the terms of any lawfully adopted generally applicable local ordinance, to the extent that the provisions of the ordinance do not have the effect of limiting the benefits or expanding the obligations of the Grantee that are granted by this Franchise. Neither party may unilaterally alter the material rights and obligations set forth in this Franchise. In the event of a conflict between any ordinance and this Franchise, the Franchise shall control, provided however that the Grantee agrees that it is subject to the lawful exercise of the police power of the Franchising Authority.

Each and every term, provision or condition herein is subject to the provisions of State law, federal law, and City ordinances and regulations enacted pursuant thereto. Notwithstanding the foregoing, the Franchising Authority may not unilaterally alter the material rights and obligations of Grantee under this Franchise.

2.3 Competitive Equity.

(A) Overview.

The Grantee and the Franchising Authority acknowledge that there is increasing competition in the video marketplace among cable operators, direct broadcast satellite providers, telephone companies, broadband content providers and others; new technologies are emerging that enable the provision of new and advanced services to residents of the Franchising Authority; and changes in the scope and application of the traditional regulatory framework governing the provision of video series are being considered in a variety of federal, state and local venues. To foster an environment where video service providers using the public rights-of-way can compete on a competitively neutral and nondiscriminatory basis; encourage the provision of new and advanced services to the residents; promote local communications infrastructure investments and economic opportunities in the Franchising Authority; and provide flexibility in the event of subsequent changes in the law, the Grantee and the Franchising Authority have agreed to the provisions in this Section, and they should be interpreted and applied with such purposes in mind. Furthermore, if the Franchising Authority authorizes or permits a competitor to Grantee to operate within the Franchise Area, it shall do so on condition that such competitor or entity indemnify and hold harmless the Grantee for and against all costs and expenses incurred in strengthening poles, replacing poles, rearranging attachments, placing underground facilities, conducting inspections and generally in creating infrastructure improvements for the other entity.

(B) New Video Service Provider

Notwithstanding any other provision in this Agreement or any other provision of law, if any Video Service Provider (“VSP”) (i) enters into any agreement with the Franchising Authority to provide video services to subscribers in the Franchising Authority, or (ii) otherwise begins to provide video services to subscribers in the Franchising Authority (with or without entering into an agreement with the Franchising Authority), the Franchising Authority, upon written request of the Grantee, shall permit the Grantee to construct and operate its Cable System and to provide video services to subscribers in the Franchising

Authority under the same agreement and/or under the same terms and conditions as apply to the new VSP. The Grantee and the Franchising Authority shall enter into an agreement or other appropriate authorization (if necessary) containing the same terms and conditions as are applicable to the VSP within sixty (60) days after the Grantee submits a written request to the Franchising Authority.

(C) No Written Agreement between Franchising Authority and Third Party VSP

If there is no written agreement or other authorization between the new VSP and the Franchising Authority, the Grantee and the Franchising Authority shall use the sixty (60) day period to develop and enter into an agreement or other appropriate authorization (if necessary) that to the maximum extent possible contains provisions that will ensure competitive equity between the Grantee and other VSP's, taking into account the terms and conditions under which other VSP's are allowed to provide video services to subscribers within the boundaries of the Franchising Authority.

(D) Effect of this Section on the Overall Agreement

Any agreement, authorization, right or determination to provide video services to subscribers in the Franchising Authority under any provision under this Section 2.3 shall supersede this Agreement, and the Grantee, at its option, may terminate this Agreement or portions thereof, upon written notice to the Franchising Authority, without penalty or damages.

(E) VSP Defined

The term "Video Service Provider" or "VSP" shall mean any entity using the public rights-of-way to provide multiple video programming services to subscribers regardless of the transmission method, facilities, or technology used. A VSP shall include but is not limited to any entity that provides cable services, multichannel multipoint distribution services, broadcast satellite services, satellite-delivered services, wireless services, and Internet Protocol based services.

2.4 Term.

The Franchise granted hereunder shall be for an initial term of Ten (10) years commencing on the effective date of the Franchise as set forth in subsection 89.6, unless otherwise lawfully terminated in accordance with the terms of this Franchise.

SECTION 3 - Standards of Service

3.1 Conditions of Occupancy.

The Cable System installed by the Grantee pursuant to the terms hereof shall be located so as to cause a minimum of interference with the proper use of Public Ways and with the rights and reasonable convenience of property owners who own property that adjoins any of such Public Ways.

3.2 Restoration of Public Ways.

If during the course of the Grantee's construction, operation, or maintenance of the Cable System there occurs a disturbance of any Public Way by the Grantee, or Grantee's contractor, subcontractor or supplier, Grantee shall, within a reasonable time, replace and restore such Public Way at Grantee's expense to a condition reasonably comparable to the condition of the Public Way existing immediately prior to such disturbance.

3.3 Relocation for the Franchising Authority.

Upon its receipt of reasonable advance written notice, to be not less than ten (10) business days, the Grantee shall at its own expense protect, support, raise, lower, temporarily disconnect, relocate in or remove from the Public Way, any property of the Grantee when lawfully required by the Franchising Authority by reason of traffic conditions, public safety, street abandonment, freeway and street construction, change or establishment of street grade, installation of sewers, drains, gas or water pipes, power lines or other municipal utility infrastructure, or any other type of public structures or improvements which are not used to compete with the Grantee's services. Grantee shall not be required to pay for the relocation of Cable System facilities, and may require advance payment for costs and expense, to the extent such removal or relocation is requested solely for aesthetic purposes, in cases where the original location of the facilities was approved by Franchising Authority through the permitting process.

In the event of an emergency, the Franchising Authority shall notify the Grantee, who shall immediately respond to the emergency. Should the Grantee be unable to respond in a timely manner, the Franchising Authority shall take such action as is necessary to meet the emergency at the expense of Grantee, if such action by the Franchising Authority would otherwise have been at Grantee's expense.

The Grantee shall in all cases have the right of abandonment of its property, and unless otherwise agreed to in writing, shall in the event of relocation or revocation of this Franchise Agreement, take all necessary steps to remove all aerial infrastructure associated with the Cable System within a reasonable time and shall restore any effected Public Ways to the condition that existed at the time immediately preceding the removal of the property. Grantee shall be responsible for any and all costs and fees associated with the removal, disassembly, deconstruction, demolition, displacement, resale or relocation of such abandoned property and associated restoration costs. In the event that Grantee still desires to use any portion of the aerial Cable System for other non-video related services, then Grantee shall have the right

to maintain those aerial lines subject to a mutually agreed upon agreement governing that future use. If public funds are available to any person using such street, easement, or right-of-way for the purpose of defraying the cost of any of the foregoing, then the Franchising Authority shall make application for such funds on behalf of the Grantee.

3.4 Relocation for a Third Party.

The Grantee shall, on the request of any Person holding a lawful permit issued by the Franchising Authority, protect, support, raise, lower, temporarily disconnect, relocate in or remove from the Public Way as necessary any property of the Grantee, provided: (A) the expense of such is paid by said Person benefiting from the relocation, including, if required by the Grantee, making such payment in advance; and (B) the Grantee is given reasonable advance written notice to prepare for such changes. For purposes of this subsection, “reasonable advance written notice” shall be no less than ten (10) business days in the event of a temporary relocation, and no less than one hundred twenty (120) days for a permanent relocation.

3.5 Trimming of Trees and Shrubbery.

The Grantee shall have the authority to trim trees or other natural growth in the public way in order to access and maintain the Cable System and shall reasonably replace all trees and shrubs damaged as a result of any construction and/or maintenance of its system undertaken by Grantee. Nothing herein shall give the Grantee the right to trim trees not within Public Ways without the written permission of the Landowner or without the permission of the Franchising Authority upon showing of public need.

3.6 Safety Requirements.

Construction, operation, and maintenance of the Cable System shall be performed in an orderly and workmanlike manner. All such work shall be performed in substantial accordance with generally applicable federal, state, and local regulations and the National Electric Safety Code. The Cable System shall not endanger or unreasonably interfere with the safety of Persons or property in the Service Area.

3.7 Aerial and Underground Construction.

Prior to construction, in each case, all applicable permits shall be applied for and granted and all fees shall be paid.

In those areas of the Service Area where all of the transmission or distribution facilities of the respective public utilities providing telephone communications and electric services are underground, the Grantee likewise shall construct, operate, and maintain its Cable System underground, provided that such underground locations are actually capable of accommodating the Grantee’s cable and other equipment without technical degradation of the Cable System’s signal quality.

For purposes of this Franchise, with the exception of service drops, any new facilities to be placed underground after the date of this Agreement, shall be placed at a depth consistent with industry standards.

In any region(s) of the Franchise Area where the transmission of distribution facilities of the respective public or municipal utilities are both aerial and underground, the Grantee shall, consult with the City Engineer to determine whether the construction will be aerial or underground, and wherever possible, depending on the season, location, connection route and pole condition, construct, operate, and maintain all of its transmission and distribution facilities, or any part thereof, underground. If the reason for not putting the facilities underground is seasonal, subject to Franchising Authority waiver as weather and other conditions may require, the Grantee shall make reasonable efforts to move such facilities underground as weather permits, but no later than June 30 of the next summer. The Grantee shall have final and total discretion with regard to all decisions about whether any particular facility will be aerial or underground. Nothing contained in this Section shall require the Grantee to construct, operate, and maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals or other related equipment.

Grantee shall have no more than ten (10) business days, excluding weekends, to bury a customer drop if it should have need to be placed temporarily above ground for any reason. If the Franchising Authority determines that the Grantee is not in compliance with this Subsection, 3.7(D), the Franchising Authority may impose a fine of seventy-five dollars (\$75.00) per day thereafter, until such time that the Grantee has buried the drops. The Franchising Authority shall give the Grantee advanced written notice of at least ten (10) business days prior to imposing the fine. The Franchising Authority recognizes that there are reasonable limitations to the Grantee's ability to comply with this Subsection during the winter months, therefore, this requirement is waived during any period in which the Grantee is unable to comply due to frozen ground or other weather conditions, but shall be subject to the June 30 requirement described above.

3.8 Access to Open Trenches.

The Franchising Authority agrees to include the Grantee in the platting process for any new subdivision. At a minimum, the Franchising Authority agrees to require as a condition of issuing a permit for open trenching to any utility or developer that (A) the utility or developer give the Grantee at least ten (10) days advance written notice of the availability of the open trench, and (B) that the utility or developer provide the Grantee with reasonable access to the open trench.

3.9 Extensions of the Cable System.

Nothing in this Agreement requires Grantee to build to all areas of the Franchise Authority. Grantee retains the discretion to determine the scope, location, and timing of the design and construction of its network, as well as the windows during which residential Subscribers may enroll for services, so long as such decisions are consistent with this Section. Grantee, at its

sole discretion, may determine separately defined geographic areas within the Franchise Area where its System will be deployed, services will be offered, or facilities will be upgraded.

3.10 Subscriber Charges for Extensions of the Cable System.

The Grantee may, at Grantee's discretion, extend the Cable System to Subscriber(s) in the Service Area if the Subscriber(s) are willing to share the capital costs of extending the Cable System. Specifically, in the event Grantee decides to extend the Cable System, the Grantee will contribute a capital amount equal to the construction cost per mile, multiplied by a fraction whose numerator equals the actual number of unserved residences per 1320 cable-bearing strand feet from the Grantee's trunk or distribution cable, and whose denominator equals 15. Subscribers who request service hereunder shall bear the remaining cost to extend the Cable System on a *pro rata* basis. The Grantee may require that payment of the capital contribution in aid of construction borne by such potential Subscribers be paid in advance. Subscribers shall also be responsible for any non-Standard Installation charges to extend the Cable System from the tap to the residence.

3.11 Technical Standards.

The Grantee is responsible for ensuring that the Cable System is designed, installed and operated in a manner that fully complies with FCC rules in Subpart K of Part 76 of Chapter I of Title 47 of the Code of Federal Regulations as revised or amended from time to time. As provided in these rules, the Franchising Authority shall have, upon request, the right to obtain a copy of tests and records required in accordance with appropriate rules but has no authority, pursuant to federal law, to enforce compliance with such standards.

3.12 Emergency Use.

Grantee shall provide an operating Emergency Alert System ("EAS") throughout the term of this Franchise in compliance with FCC standards, rules and regulations. Grantee shall test the EAS as required by the FCC. Upon request, the City shall be permitted to participate in and/or witness the EAS testing up to twice a year on a schedule formed in consultation with Grantee. If the test indicates that the EAS is not performing properly, Grantee shall make any necessary adjustment to the EAS, and the EAS shall be retested.

3.13 Reimbursement of Costs.

If funds are available to any Person using the Public Way for the purpose of defraying the cost of any act contemplated in this Agreement, the Franchising Authority shall reimburse the Grantee in the same manner in which other Persons affected by the requirement are reimbursed.

3.14 Customer Service Standards.

The Franchising Authority hereby adopts the customer service standards set forth in Part 76, § 76.309 of the FCC's rules and regulations, as amended. The Grantee shall comply in all respects with the customer service requirements established by the FCC.

3.15 Fees and Charges to Customers

All rates, fees, charges, deposits and associated terms and conditions to be imposed by the Grantee or any affiliated Person for any Cable Service as of the Effective Date shall be in accordance with applicable FCC's rate regulations. Before any new or modified rate, fee, or charge is imposed, the Grantee shall follow the applicable FCC notice requirements and rules and notify affected Customers, which notice may be by any means permitted under applicable law.

3.16 Customer Bills and Privacy

Customer bills shall be designed in such a way as to present the information contained therein clearly and comprehensibly to Customers, and in a way that (A) is not misleading and (B) does not omit material information. Notwithstanding anything to the contrary in Section 3.15 above, the Grantee may, in its sole discretion, consolidate costs on Customer bills as may otherwise be permitted by Section 622(C) of the Cable Act (47 U.S.C. 542(c)). The Grantee shall also comply with all applicable federal and state privacy laws, including Section 631 of the Cable Act and regulations adopted pursuant thereto.

SECTION 4 - Regulation by the Franchising Authority

4.1 Franchise Fee.

A. The Grantee shall pay to the Franchising Authority a franchise fee equal to five percent (5%) of annual Gross Revenue (as defined in subsection 1.1 of this Franchise) received by the Grantee from operation of the Cable System to provide Cable Service in the Franchise Area; provided however, that Grantee shall not be compelled to pay any higher percentage of franchise fees than any other video service provider providing service in the Franchise Area. In accordance with the Cable Act, the twelve (12) month period applicable under the Franchise for the computation of the franchise fee shall be a calendar year. Payments shall be made by Grantee to the Franchising Authority on a quarterly basis, within sixty (60) days after the close of the preceding calendar quarter. Any payments due under this Agreement which are not paid when due shall accrue interest at a rate of 1.5% per month, 18% per annum, until such payments are made. Each payment shall be accompanied by a brief report prepared by a representative of the Grantee showing the basis for the computation.

B. **Limitation on Franchise Fee Actions.** The period of limitation for recovery of any franchise fee payable hereunder shall be three (3) years from the date on which payment by the Grantee is due.

C. The Franchising Authority agrees that all amounts paid by the Grantee as Franchise Fees may be passed through to customers and identified as a separate line item on the bill in accordance with 47 U.S.C. 542 added to the price of Cable Services and collected from the Grantee's customers as "external costs" as such term is used in 47 C.F.R. 76.22. In

addition, all amounts paid as Franchise Fees may be separately stated on customers' bills as permitted in 47 C.F.R. 76.985.

4.2 Rates and Charges.

The Franchising Authority may regulate rates for the provision of Basic Cable and equipment as expressly permitted by federal or state law.

4.3 Renewal of Franchise.

A. The Franchising Authority and the Grantee agree that any proceedings undertaken by the Franchising Authority that relate to the renewal of the Grantee's Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act.

B. In addition to the procedures set forth in said Section 626(a), the Franchising Authority agrees to notify the Grantee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of the Grantee under the then current Franchise term. The Franchising Authority further agrees that such assessments shall be provided to the Grantee promptly so that the Grantee has adequate time to submit a proposal under Section 626(b) of the Cable Act and complete renewal of the Franchise prior to expiration of its term.

C. Notwithstanding anything to the contrary set forth in this subsection 4.3, the Grantee and the Franchising Authority agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the Franchising Authority and the Grantee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the Franchising Authority may grant a renewal thereof.

Should the Franchise expire without a mutually agreed upon renewed Franchise Agreement and Grantee and Franchise Authority are engaged in an informal or formal renewal process, the Franchise shall continue on a month-to-month basis, with the same terms and conditions as provided in the Franchise, and the Grantee and Franchise Authority shall continue to comply with all obligations and duties under the Franchise.

D. The Grantee and the Franchising Authority consider the terms set forth in this subsection 4.3 to be consistent with the express provisions of Section 626 of the Cable Act.

4.4 Conditions of Sale.

If a renewal or extension of the Grantee's Franchise is denied or the Franchise is lawfully terminated, and the Franchising Authority either lawfully acquires ownership of the Cable System or by its actions lawfully effects a transfer of ownership of the Cable System to another party, any such acquisition or transfer shall be at the price determined pursuant to the provisions set forth in Section 627 of the Cable Act.

The Grantee and the Franchising Authority agree that in the case of a final determination of a lawful revocation of the Franchise, the Grantee shall be given at least twelve (12) months to effectuate a transfer of its Cable System to a qualified third party. Furthermore, the Grantee shall be authorized to continue to operate pursuant to the terms of its prior Franchise during this period. If, at the end of that time, the Grantee is unsuccessful in procuring a qualified transferee or assignee of its Cable System which is reasonably acceptable to the Franchising Authority, the Grantee and the Franchising Authority may avail themselves of any rights they may have pursuant to federal or state law. It is further agreed that the Grantee's continued operation of the Cable System during the twelve (12) month period shall not be deemed to be a waiver, nor an extinguishment of, any rights of either the Franchising Authority or the Grantee.

4.5 Transfer of Franchise.

The Grantee's right, title, or interest in the Franchise shall not be sold, transferred, assigned, or otherwise encumbered, other than to an entity controlling, controlled by, or under common control with the Grantee, without the prior consent of the Franchising Authority, such consent not to be unreasonably withheld. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or Cable System in order to secure indebtedness. Within thirty (30) days of receiving a request for transfer, the Franchising Authority shall notify the Grantee in writing of any additional information it reasonably requires to determine the legal, financial and technical qualifications of the transferee. If the Franchising Authority has not taken action on the Grantee's request for transfer within one hundred twenty (120) days after receiving such request, consent by the Franchising Authority shall be deemed given.

SECTION 5 - Oversight and Regulation by Franchising Authority

5.1 Books and Records

The Grantee agrees that the Franchising Authority, upon thirty (30) days written notice to the Grantee, may review such of its books and records at the Grantee's business office, during normal business hours and on a nondisruptive basis, as is reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the Section of the Franchise which is under review, so that the Grantee may organize the necessary books and records for easy access by the Franchising Authority. Alternatively, if the books and records are not easily accessible at the local office of the Grantee, the Grantee may, at its sole option, choose to pay the reasonable travel costs of the Franchising Authority's representative to view the books and records at the appropriate location. The Grantee shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, the Grantee shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature, nor disclose books and records of any affiliate which is not providing Cable Service in the Service Area. The Franchising Authority agrees to treat

any information disclosed by the Grantee as confidential and only to disclose it to employees, representatives, and agents thereof that have a need to know, or in order to enforce the provisions hereof. The Grantee shall not be required to provide Subscriber information in violation of Section 631 of the Cable Act.

5.2 Franchise Fees Subject to Audit.

5.2.1. Upon reasonable prior written notice, during normal business hours at Grantee's principal business office, the Franchising Authority shall have the right to inspect the Grantee's financial records used to calculate the Franchising Authority's franchise fees; provided, however, that any such inspection shall take place within two (2) years from the date the Franchising Authority receives such payment, after which period any such payment shall be considered final.

5.2.2. Upon the completion of any such audit by the Franchising Authority, the Franchising Authority shall provide to the Grantee a final report setting forth the Franchising Authority's findings in detail, including any and all substantiating documentation. In the event of an alleged underpayment, the Grantee shall have thirty (30) days from the receipt of the report to provide the Franchising Authority with a written response agreeing to or refuting the results of the audit, including any substantiating documentation. Based on these reports and responses, the parties shall agree upon a "Finally Settled Amount." For purposes of this Section, the term "Finally Settled Amount(s)" shall mean the agreed upon underpayment, if any, to the Franchising Authority by the Grantee as a result of any such audit. If the parties cannot agree on a "Final Settlement Amount," the parties shall submit the dispute to a mutually agreed upon mediator within sixty (60) days of reaching an impasse. In the event an agreement is not reached at mediation, either party may bring an action to have the disputed amount determined by a court of law.

5.2.3. Any "Finally Settled Amount(s)" due to the Franchising Authority as a result of such audit shall be paid to the Franchising Authority by the Grantee within thirty (30) days from the date the parties agree upon the "Finally Settled Amount." Once the parties agree upon a Finally Settled Amount and such amount is paid by the Grantee, the Franchising Authority shall have no further rights to audit or challenge the payment for that period. The Franchising Authority shall bear the expense of its audit of the Grantee's books and records. The Grantee agrees to reimburse the Franchising Authority for all reasonable costs of an audit, not to exceed \$5,000, if the audit discloses the Grantee has paid ninety-five percent (95%) or less of the compensation due the Franchising Authority for the period of such audit.

SECTION 6 – Access Channel

6.1 Access Channel

(A) Upon 120 days written notice from the Franchising Authority, after the completion of construction of the Fiber Optic return line pursuant to Section 6.3A and once the equipment in connection therewith is made operational, Grantee shall make available to Franchising Authority one (1) Downstream Channel for PEG use, as provided for in this Section. Activation of such Access Channel shall only occur after the following conditions are satisfied:

(1) The Franchising Authority shall, provide written notice to Comcast, confirming that it has the capabilities to produce, has been producing and will produce programming for the newly activated Access Channel; and,

(2) There will be a minimum of five hours per day, five days per week of PEG programming available for the Access Channel.

(B) The Franchising Authority shall be responsible for providing the Access Channel signal in a digital format to the demarcation point at the designated point of origination for the Access Channel. Grantee shall cooperate with the Franchising Authority to procure and provide, at Franchising Authority's cost, all necessary transmission equipment from the Access Channel origination point, at Grantee's headend and through Grantee's distribution system, in order to deliver the Access Channel. The Franchising Authority shall be responsible for the costs of all transmission equipment, including the modulator and demodulator, and encoder or decoder equipment, and multiplex equipment, required in order for Grantee to receive and distribute the Access Channel signal, or for the cost of any resulting upgrades to the video return line. The Franchising Authority and Grantee agree that such expense of acquiring and installing the transmission equipment or upgrades to the video return line qualifies as a capital cost for PEG Facilities within the meaning of the Cable Act 47 U.S.C.A. Section 542(g)(20)(C), and therefore is an appropriate use of revenues derived from the PEG Contribution provided for in this Franchise.

(C) The PEG Access Channel provided for in this Agreement shall be carried system-wide in the Franchise Area, and shall be provided on the Basic Service tier unless otherwise agreed to by the parties.

(D) The technical quality of the PEG Access Channel shall not be lower than the quality of other channels on the same tier of service, at the same technical quality that programming is provided to Grantee by the Franchising Authority.

(E) The Franchising Authority shall establish and enforce rules for use of the PEG Access Channel to assure nondiscriminatory access to the Channel to similarly situated users; and to promote use and viewership of the channel, consistent with applicable law. PEG Access Channel may not be used for commercial purposes.

(F) Grantee may not exercise any editorial control over the content of programming on the PEG Access Channel.

6.2 Channel Use

Grantee shall have the right to temporarily use the Channel, or portion thereof, which is allocated under this Section for Public, Educational, or Governmental Access use, within sixty (60) days after a written request for such use is submitted to Franchising Authority, if such Channel is not "fully utilized" as defined herein. The Channel shall be considered fully utilized if substantially unduplicated programming is delivered over it more than an average of 38 hours per week over a six month period. Programming that is repeated on the Access Channel up to 2 times per day shall be considered "unduplicated programming." Character-generated programming shall be included for purposes of this Section, but may be counted towards the total average hours only with respect to the Channel provided to the Franchising Authority. If a Channel allocated for Public, Educational, or Governmental Access use will be used by Grantee in accordance with the terms of this Section, the institution to which the Channel has been allocated shall have the right to require the return of the Channel or portion thereof. Franchising Authority shall request return of such Channel space by delivering written notice to Grantee stating that the institution is prepared to fully utilize the Channel, or portion thereof, in accordance with this Section. In such event, the Channel or portion thereof shall be returned to such institution within 60 days after receipt by Grantee of such written notice.

6.3 Return Lines/Access Origination.

(A) If requested in writing by the Franchising Authority, Grantee shall construct and maintain a Fiber Optic return line to the Headend from the production facilities of the Franchising Authority as requested in writing by the Franchising Authority. The new return line shall be completed within one year from the written request of the Franchising Authority, or as otherwise agreed to by the parties. All actual construction costs incurred by Grantee from the local Headend to the Franchising Authority's Access Channel origination point shall be paid by the Franchising Authority.

(B) Grantee shall construct and maintain new Fiber Optic return lines to the Headend from production facilities of new or relocated Access Channel origination point delivering Access programming to subscribers in the Franchise Area as requested in writing by the Franchising Authority. All actual construction costs incurred by Grantee to the Access Channel origination point shall be paid by the Franchising Authority. The new return line shall be completed within one year from the request of the Franchising Authority, or as otherwise agreed to by the parties. If an emergency situation necessitates movement of production facilities to a new location, the parties shall work together to complete the new return line as soon as reasonably possible.

SECTION 7 - Insurance and Indemnification

7.1 Insurance Requirements.

The Grantee shall maintain in full force and effect, at its own cost and expense, during the term of the Franchise, Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage. The

Franchising Authority shall be designated as an additional insured. Such insurance shall be noncancellable except upon thirty (30) days prior written notice to the Franchising Authority. Upon commencement of this Franchise Agreement, the Grantee shall provide a Certificate of Insurance showing evidence of the coverage required by this subsection.

Workers' Compensation insurance sufficient to cover all of the Grantee's employees pursuant to Utah law. In the event any work is subcontracted, the Grantee shall require its subcontractor(s) to provide workers' compensation insurance for the latter's employees, unless a waiver of coverage is allowed and acquired pursuant to Utah law.

7.2 Indemnification.

The Grantee agrees to indemnify, save and hold harmless, and defend the Franchising Authority, its elected officials, officers, employees, agents and volunteers from and against any liability for damages and for any liability or claims resulting from property damage or bodily injury (including accidental death), which arise out of the Grantee's construction, operation, or maintenance of its Cable System and which arise out of the Grantee's acts or omissions pursuant to or related to this Franchise Agreement and to pay all reasonable costs incurred by the Franchising Authority in defense of such claims, provided that the Franchising Authority shall give the Grantee written notice of its obligation to indemnify the Franchising Authority within thirty (30) days of receipt of a claim or action pursuant to this subsection. Notwithstanding the foregoing, the Grantee shall not indemnify the Franchising Authority to the extent of any damages, liability or claims resulting from the willful misconduct or negligence of the Franchising Authority.

7.3 Bonds and Other Surety

Except as expressly provided herein, the Grantee shall not be required to obtain or maintain bonds or other surety as a condition of being awarded the Franchise or continuing its existence. The Franchising Authority acknowledges that the legal, financial, and technical qualifications of the Grantee are sufficient for compliance with the terms of the Franchise and the enforcement thereof. The Grantee and the Franchising Authority recognize that the costs associated with bonds and other surety may ultimately be borne by the Subscribers in the form of increased rates for services. In order to minimize such costs, the Franchising Authority agrees to require bonds and other surety only in such amounts and during such times as there is a reasonably demonstrated need therefore. The Franchising Authority agrees that in no event, however, shall it require a bond or other related surety in an aggregate amount greater than \$10,000, conditioned upon the substantial performance of the material terms, covenants, and conditions of the Franchise. Initially, no bond or other surety will be required. In the event that a bond or other surety is required in the future, the Franchising Authority agrees to give the Grantee at least 60 days prior written notice thereof stating the exact reason for the requirement. Such reason must demonstrate a change in Grantee's legal, financial, or technical qualifications which would materially prohibit or impair its ability to comply with the terms of the Franchise or afford compliance therewith.

7.3 Assumption of Risk

The Grantee undertakes and assumes for its officers, agents, employees, contractors and subcontractors, all risk of dangerous conditions, if any, on or about any Franchise Authority owned or controlled property, including Public Ways.

SECTION 8 - Enforcement and Termination of Franchise

8.1 Notice of Violation.

In the event that the Franchising Authority believes that the Grantee has not complied with the terms of the Franchise, the Franchising Authority shall informally discuss the matter with Grantee. If these discussions do not lead to resolution of the problem, the Franchising Authority shall notify the Grantee in writing of the exact nature of the alleged noncompliance.

8.2 The Grantee's Right to Cure or Respond.

The Grantee shall have thirty (30) days from receipt of the notice described in subsection 8.1: (A) to respond to the Franchising Authority, contesting the assertion of noncompliance, or (B) to cure such default, or (C) in the event that, by the nature of default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the Franchising Authority of the steps being taken and the projected date that they will be completed.

8.3 Public Hearing.

In the event that the Grantee fails to respond to the notice described in subsection 8.1 pursuant to the procedures set forth in subsection 8.2, or in the event that the alleged default is not remedied within thirty (30) days or the date projected pursuant to 8.2(C) above, if it intends to continue its investigation into the default, then the Franchising Authority shall schedule a public hearing. The Franchising Authority shall provide the Grantee at least ten (10) days prior written notice of such hearing, which specifies the time, place and purpose of such hearing, and provide the Grantee the opportunity to be heard.

8.4 Enforcement.

Subject to applicable federal and state law, in the event the Franchising Authority, after the hearing set forth in subsection 8.3, determines that the Grantee is in default of any provision of the Franchise, the Franchising Authority may:

- A. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or
- B. Commence an action at law for monetary damages or seek other equitable relief; or

- C. In the case of a substantial default of a material provision of the Franchise, seek to revoke the Franchise in accordance with subsection 8.5.

8.5 Revocation.

Should the Franchising Authority seek to revoke the Franchise after following the procedures set forth in subsections 8.1-8.4 above, the Franchising Authority shall give written notice to the Grantee of its intent. The notice shall set forth the exact nature of the noncompliance. The Grantee shall have ninety (90) days from such notice to object in writing and to state its reasons for such objection. In the event the Franchising Authority has not received a satisfactory response from the Grantee, it may then seek termination of the Franchise at a public hearing. The Franchising Authority shall cause to be served upon the Grantee, at least thirty (30) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

At the designated hearing, the Franchising Authority shall give the Grantee an opportunity to state its position on the matter, after which it shall determine whether or not the Franchise shall be revoked. The Grantee may appeal such determination to an appropriate court, which shall have the power to review the decision of the Franchising Authority *de novo*. Such appeal to the appropriate court must be taken within sixty (60) days of the issuance of the determination of the Franchising Authority. In the event of revocation, the Grantee shall, in all cases, have the right of abandonment of its property.

The Franchising Authority may, at its sole discretion, take any lawful action which it deems appropriate to enforce the Franchising Authority's rights under the Franchise in lieu of revocation of the Franchise.

8.6 Force Majeure.

The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of the Grantee to anticipate and control. This provision includes work delays caused by waiting for utility providers to service or monitor their utility poles to which the Grantee's Cable System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.

Furthermore, the parties hereby agree that it is not the Franchising Authority's intention to subject the Grantee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Service Area, or where strict performance would result in practical difficulties and hardship to the Grantee which outweigh the benefit to be derived by the Franchising Authority and/or Subscribers.

SECTION 9 - Miscellaneous Provisions

9.1 Actions of Parties.

In any action by the Franchising Authority or the Grantee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.
