To Whom It May Concern

My Name is Val Dee Christensen I have lived in Logan City for the majority of my life. I attended Woodruff School, Logan Jr. High School, and Logan High. I have a bachelor degree from USU in Spanish and Political Science as well as an MBA from USU.

As a youth I participated in Logan City youth sports and continued through LHS. After high school I played softball and basketball in Logan and surrounding areas for many years. I also love to golf at the River whenever time permits. I have also enjoyed coaching my children in various sports in Logan.

I enjoyed serving on the Community Council at Woodruff elementary for about 14 years while my children attended there.

I am the current owner of Old Grist Mill Bread Co. and currently am a Logan residence. I feel like the youth and adult recreation programs, the parks and green space, and the community recreation areas are important to the city and its constituents.

Regards

Val Dee Christensen
