Dear Mayor and City Council Members:

Thank you for your consideration of my application for the vacant City Council seat. My name is Coreen Larsen and am a life-long resident of Logan City. I am married to Kris Larsen and we are the parents of five great children. Both Kris' family and mine have lived in Cache Valley for generations and we feel very blessed to call this beautiful place our home. Logan City is a national treasure and perhaps the greatest place on earth to raise a family, go to school, pursue a career, and enjoy the out-of-doors.

As an employer of over 300 people in Logan and an owner of various businesses and developments, I feel I can bring helpful insight to the Council. I have an interest in maintaining the direction that the council has taken regarding business development, infrastructure, housing, fiscal responsibility, environmental goals, and safety. It is an exciting time as we experience the challenges that our city faces with such rapid expansion and growth.

I attended Utah State University and graduated with a degree in nursing from Weber State. After working in the medical field as a Registered Nurse for many years, I retired to raise my family and work part time in our businesses. Should I be fortunate enough to serve in this position I assure you I will do everything in my power to maintain Logan as a safe and vibrant community and I will devote as much time as necessary to adequately fill this position.

Again, I appreciate your consideration.

Sincerely,

A handwritten signature in black ink that reads "Coreen C. Larsen". The signature is written in a cursive, flowing style with a long, sweeping underline.
