The Logan City Planning Commission is a quasi-judicial body established for purposes of reviewing applications for development as required by the Land Development Code. The Planning Commission is charged to carry out the growth and development policies of the Municipal Council as expressed in the General Plan and to implement the programs of the plan. The Commission functions as the approval body for certain planning and zoning matters, and reviews and recommends on legislative matters related to planning and zoning, in conformance with Utah law.

As a quasi-judicial body, the decisions made by this body pertain only to matters proposed on the published agenda, upon consideration of facts, reports and testimony provided in evidence of a project. The Commission must rely on substantial evidence in determining whether a project complies with the law. Emotional pleas or personal opinions are not substantive evidence.

Meetings are conducted at the discretion of the Commission, and we ask for your cooperation in maintaining the following:

- a) Consideration of items will occur as indicated on the printed agenda, although the Commission reserves the right to alter the order if the need arises.*
- b) Those speaking are asked to keep comments relevant to the matter being considered.*
- c) Outbursts, including cheers, jeers, and applause are not appropriate as they may discourage those with opposing views from speaking.*
- d) Items involving a large number of people wishing to make comments, a time limit may be imposed.*
- e) Once the public comment portion for a particular item has been closed, no additional public comments are allowed, unless requested by the Commission.*
- f) Anyone wishing to speak is asked to sign in at the podium.*
- g) All public comment and questions will be made into the microphone at the podium to allow for recording of the proceeding.*
- h) The meeting is managed by the Chair. All questions/comments will be directed to the Commission.*
