

# Renewable Energy & Energy Conservation Advisory Board

Meeting Minutes

May 2, 2012

Logan City Environmental Department Classroom

**Board Members Present:** Richard Anderson, Jim Goodwin, Byard Wood, Greg Rowley, Dean Quayle, Rob Davies, Holly Daines

**Also in attendance:** Jason Grimes, Chris Niemann, Emily Malik, Jack Greene, Pete Brunson, Erick Griffiths, Paul Taylor, Mike Taylor, Mary Laine, Rachael Christensen

## A. Acceptance of Agenda/Minutes

All present members approved the agenda and minutes.

## B. Announcements

The board was informed that a new power department director, Mark Montgomery, has been hired and it is anticipated that he will start on May 15<sup>th</sup>.

A motion to officially welcome Mark Montgomery to the City and congratulate him on the position of power director was unanimously approved.

The Farmers Market is hosting an Alternative Energy Day on June 30<sup>th</sup> from 9 am to 1pm. Emily has agreed to have a table at the market on that day.

## C. Discussion of Solar Farm Project

Chris gave an update on the solar farm and introduced the website used to track the solar panel performance

Jason talked about the installation costs and how they compare to average residential and commercial installation costs.

Suggestions from Board members:

- Have RECAB come up with a paragraph describing the costs involved in the solar farm
- Make signage for the solar farm

- For a future meeting, create a proposal on how to market the solar farm

#### **D. Coolerado**

Chris introduced the Coolerado Air Conditioners and the option of combining solar panels with the Coolerado air conditioners. Is this something we would like to give incentives for in the future?

#### **E. Next Meeting**

The next general meeting is tentatively scheduled for 7:30 am on June 6, 2012 in the Classroom at the Environmental Department.
