

1/8/2013: For Immediate Release

Renewable Energy & Energy Conservation Advisory Board

January 8, 2014

7:30 am

The Renewable Energy & Energy Conservation Advisory board gives notice of the meeting to be held on Wednesday January 8, 2014 at 7:30 a.m. The meeting will be held in the Environmental Department **CLASSROOM** (entrance on the EAST side of the building) at 153 N 1400 W in Logan.

PLEASE REMEMBER, THIS IS OUR NEW LOCATION! There is parking along the east side of the building. Overflow parking is available on the northwest side of the building. Please be careful walking to the classroom if conditions are icy as you will be walking along the North side of the building.

Please Note: We have entered the Environmental Department's training season. There will be a meeting in the classroom directly prior to the RECAB meeting. This meeting should conclude before the RECAB meeting. If this meeting has not concluded when you arrive, please convene in the lobby of the building (entrance on the north side of the building). Thank you!
