

RESAB Meeting Minutes

July 2, 2021

Logan City Environmental Department

Board members present: Tom Jensen, Tyson Godfrey, Ernesto Lopez, Drew Michener, Mike Taylor, Patrick Belmont, Emily Fletcher, Zac Cook, Herm Olsen, Tom Jensen

Board members absent: Sarah Klain, Paul Rogers, Cole Stocker

Others present: Emily Malik, Holly Daines, Amy Anderson, Mark Montgomery, Lacy Pearce, Kara Steffen

Zac Cook brought the meeting to order at 8:03 a.m.

- Zac welcomed everyone.
- Mark discussed the UAMPS Annual Conference.
- Emily Malik and Emily Fletcher will be attending the conference in Lake Tahoe this year. Zac will get back to Emily on attendance.
- Mark presented about renewable energy opportunities.
- Drew asked if Logan City is looking at a battery option to help offset the night usage. Mark said they are just starting to investigate that option.
- Mike presented on the Renewable Energy Goal Status Draft.
- Mayor Daines asked to have Mark give a presentation on the Battery project he is working on at a future meeting.
- Emily said they will schedule another tour of the SOCC building and send out an email with an invitation.
- Emily gave an overview of Clear Path Progress. They are still waiting on some data from outside sources to input into the program.
- Emily said they should have more reports/charts in August.
- Mayor Daines recommended to move item 6 – New Topic: Incentives to promote electrification or conservation to the next meeting in August.
- Zac asked the board members to look at other municipalities renewable energy goals to discuss at the next meeting.
- Next meeting will be held on August 6, 2021 at 8 am.

NEXT MEETING – August 6, 2021

Meeting Adjourned 9:19 am
