

Council Adopted Budget Fiscal Year 2017

City of Logan, Utah

**Mayor H. Craig Petersen
Mayor's Budget Message
May 3, 2016**

Attached is the proposed Fiscal Year 2017 Budget.

The basic philosophy used to develop Logan City's annual budget is that revenue predictions are conservative and the city continues to seek ways to reduce expenses so that tax dollars are used more efficiently. Each year, there are many more "wants" than can be funded based on existing revenue sources. Indeed, it is challenging to fund even the city's basic "needs." But scarcity is a reality in almost all personal and institutional budgets and it has the virtue of forcing a closer examination of how resources are allocated.

Following are budget "highlights" on both the revenue and the expense side.

REVENUE FORECASTS

As noted above, revenue forecasts for all funds are intentionally conservative. This approach has been adopted because predictions that are overly-optimistic can require mid-year expenditure adjustments and also may create expectations for future years that cannot be satisfied. In contrast, conservative revenue forecasts assure that the City will "live within its means" and also can provide a buffer against unexpected downturns in economic activity.

In presenting a balanced Fiscal 2017 Budget for Logan City, the following general assumptions were made regarding the various revenue sources:

Revenues from the General Property—1.5 % increase

Revenues from the General Sales Tax—5.0% increase

PROPOSED PROPERTY TAX INCREASE

I propose that the Library Property Tax Levy be increased to generate additional revenue of approximately \$270,000 per year. This would increase the property tax on a \$200,000 home by approximately \$10 per year. By borrowing internally at market rates for a period of eight years, this change would provide \$2,000,000 for new library construction. At the end of eight years, the funds could be used for library maintenance and operations, or the levy could be partially reduced.

PROPOSED EXPENDITURES

Proposed operating expenses are essentially unchanged in all departments, as they have been for several years. This poses a challenge during years of consistently increasing costs, but so far we have been able to maintain services. The most significant proposed expenditures changes in the Fiscal 2017 Budget are as follows:

Pay for Performance—The budget includes a 3% wage/salary increase and approximately \$200,000 for market adjustments. These increases will be distributed to departments who will then have the responsibility to determine how the money is allocated to individual employees.

Health Care Costs---The City's health care cost will increase by 9% over last year, compared to an increase of 5% last year.

Retirement Benefits—Retirement costs are substantially unchanged from the previous year.

Other

Appropriate \$10 million for the Hydro III project with 3rd Dam reconstruction scheduled to begin this fall if the required permit can be obtained from FERC in a timely manner. Appropriate \$3.2 million for lining the first cell of the North Valley Landfill. (Note: \$9.3 million was appropriated last year for road and cell construction, but the actual bids for the two projects totaled just over \$5 million).

SUMMARY

The proposed budget increase in the General Fund compared to Fiscal 2015 is 2.2%. The Environmental Health budget will increase by 1.7 % and the other Enterprise Fund budgets are essentially unchanged.

I appreciate the insight and skill of my staff (especially Finance Director Rich Anderson) in developing a prudent and realistic budget. I look forward to the City Council's careful review and input. Comments from the general public are also invited.

Mayor H. Craig Petersen

Budget Summary Definitions

Revenue Category	Description
Property Tax	Real and personal property, motor vehicle fee in lieu, and delinquent property taxes.
Sales Tax	General sales & use tax, transient room tax, and transportation sales tax.
Franchise Tax	Questar, Comcast, Telecom, Municipal Energy Tax, and Utility Franchise Fees.
Licenses and Permits	Building permits, business licenses, and landlord licenses.
Intergovernmental	Class C road funds, federal and other governmental grants.
Administrative Fees Revenue	Revenue for services centrally performed in one fund but allocated to other funds.
Charges For Services	Charges for services provided by specific funds.
Fines	Justice court revenue, police fines, and library fines.
Interest Revenue	Interest earned on investments.
Connection Fees	Fees charged to cover the cost of utility connections.
Miscellaneous	Insignificant or unpredictable revenue sources.
Capital Contributions	Asset and infrastructure donations usually connected to development.
Transfers In	Movement of cash or resources from funds without consideration of repayment.
Debt Premium	Premiums paid on debt above par value.
Debt Issuance	Revenue obtained through financing (loans).
Sale of Capital Assets	Revenue obtained through the sale of capital assets.
Special Item	Item that is either unusual in nature or infrequent in occurrence, and within the control of management.
Extraordinary Item	Item that is both unusual in nature and infrequent in occurrence.
Contra Revenues	Non-cash accounting categorization for Generally Accepted Accounting Principles.
Budgetary Revenues	Budgetary draw down of reserves to fund current expenditures.
Expenditure/Expense Category	Description
Salaries and Wages	Full-time and part-time salaries, retirement costs, medical benefits, and taxes.
Administrative Fees Expense	Expenses for services centrally performed in another fund.
Operating and Maintenance	General costs associated with operations.
Landfill Closure/Post-Closure Costs	Current portion of long-term landfill closure/post-closure costs.
Depreciation and Amortization	Cost of capitalized assets spread over the useful life.
Principal	Principal paid on long-term debt.
Interest Expense	Interest paid on long-term debt.
Capital Outlay	Expenditures for purchase of capital assets (assets over \$5,000).
Debt Issuance Costs	Costs associated with the issuance of debt to advisors and attorneys.
Transfers Out	Movement of cash or resources to funds without consideration of repayment.
Debt Discount	Discounts given for debt sold below par value.

Responsibilities

The General Fund includes all departments responsible for general governmental services including: City Council, Administration, Finance, Legal, Human Resources, Community Development, Police, Fire, Public Works, and Parks & Recreation. From administration to snow plowing, most general government services are accounted for here.

Accomplishments FY16

Adopted new Center Street Historic District design standards.
Implemented Phase I of Active Recreational/Trail signage.
Implemented Phase II of Logan City Wayfinding Program.
Completed Canyon Road Trail from First Dam to USU Ropes Course.
Completed walkway connection between tunnels at Merlin Olsen Central Park.
Completed Lundstrom Park Trail from 1500 North to 1700 North.
Completed Logan City Bicycle & Pedestrian Master Plan.
Completed 4th North Corridor Development Plan.
Updated Urban Trails Guide published for public use.

Goals FY17

Construct Pickleball courts at Bridger Park.
Adopt Woodruff Neighborhood Plan.
Implement Phase II of Active Recreational/Trail signage.
Implement Phase III of Logan City Wayfinding Program.
Implement Phase I of 4th North Corridor Development Plan.
Complete 800 West from 600 North to 750 North.
Complete Canyon Road Park.
Complete 1200 South Hwy 89-91 intersection realignment.
Construct sidewalk on the short dugway from Canyon Road to 600 East.
Convert Cemetery to automated irrigation.

Considerations for the Future & Unfunded Needs

Attracting and retaining quality employees.
Employee compensation, benefits, and health care costs.
Capital improvement-streets and sidewalks.

Library Programs: 711; attendance: 23,785

FY15

Circulation: 957,850
Reference Questions: 21,634
Online Visits: 1,001,273
Visitors to library: 254,818
Items in collection: 234,122
Computer Sessions: 32,411
Meeting rooms used: 798 groups; 1,424 meetings
Library Programs: 652; attendance: 14,893

Goals FY17

Work with City Administration, Library Board, and the community toward building a new library building. Gradually increase the amount of e-content in the library collection. Continue interesting and relevant programming.

Considerations for the Future & Unfunded Needs

Funding for a new library building. Funding for enhancing e-content in the library collection.

FUND 211- RECREATION CENTER

PARKS & RECREATION

Recreation Center	0	0
Total	0	0

Responsibilities

Management of expenditures and revenues for facility.
Operations maintenance of 268,000 sq.ft. facility.
Facility use coordination with Logan High School staff.
Facilitation of programming for public recreation.

Accomplishments FY16

Replaced one of two heating units in the Multipurpose Gym.
Replaced weight room equipment.
Modified two racquetball courts for high school use.
Installed additional security cameras.

Goals FY17

Replace roof membrane and repair damage to west side of Recreation Center.
Maintain equipment and facility cleanliness.
Replace remaining heating unit in Multipurpose Gym.
Repair and/or replace exterior brick and mortar of the Recreation Center.

Considerations for the Future & Unfunded Needs

Complete repairs to roof and water damage to interior.
Find additional public recreation space during spring/fall months.
Future of the Recreation Center.

Personnel

Full Time Employees	FY 2016	FY 2017
911 Center	22	20
Total	22	20

Responsibilities

The Communication Center is a consolidated 911 center which provides all Cache County citizens emergency access to all disciplines of public safety. In addition to emergency services, the Center provides a public connection between the citizens and public safety in non-emergencies. Dispatchers spend time at schools and county fairs advising what to do in an emergency and how to use the 911 system. The 911 Center is also responsible for maintaining the county wide 800 MHz radio system that is used by all emergency responders.

Accomplishments FY16

A total of 149,075 telephone calls were processed. As a result, 43,283 incidents were generated for the agencies we serve. The dispatch center processes an average of 408 calls per day and dispatches 119 calls to police, fire, and EMS personnel.

In July 2015 the Smithfield City Police Department began using the Spillman records management system hosted by the Logan Police Department and dispatch center. This system enables the sharing of law enforcement data between agencies.

The dispatch center applied for, and received, a state grant to cover the cost of an upgraded 911 mapping system. The cost for the new system was \$82,000 and will enhance the ability of dispatchers to locate wireless callers.

Goals FY17

A new director should be in place as FY17 kicks off. This will be an opportunity for the dispatch center to evaluate the many processes, procedures, and workflows under which it currently operates. The new director will likely have new ideas, recommendations, and goals as we move forward into FY17.

Considerations for the Future & Unfunded Needs

Possible relocation of communications tower.

FUND 220 - SPECIAL IMPROVEMENT

Total	1,475,991	328,055	3,961,771	3,961,771	4,446,305	4,446,305

Responsibilities

Administration of RDA activities including budgets and projects.
 Informational contact for businesses and developers.
 Facilitation of business development and redevelopment activities including recruitment.
 Facilitation of RDA or City economic participation.
 City liaison to various local agencies and organizations.

Accomplishments FY16

Creation of the Auto Mall CDA.
 Successful response to the City Block Redevelopment RFP.
 Host City for the 2015 Tour of Utah international cycling event.
 Key property acquisitions: Emporium & adjacent buildings; South Main right-of-way.
 Updated economic development pages as part of the rollout of the City's new website.
 Continued funding of the Welcome Home-Own in Logan Program.

Goals FY17

Development of a mixed-use project on the City Block.
 Planning/funding for new City library.
 Construction of 800 West between 600 North and 750 North.
 Sale of surplus property.
 Resurfacing of Ellen Eccles parking lot leased by the City.
 Facilitation of development projects.
 Continued execution of the Logan on the Edge marketing strategy.

Considerations for the Future & Unfunded Needs

Ongoing funding for the Downtown Façade Program.
 Costs associated with a mixed-use City Block development (Downtown RDA, other).
 Gateway Streetscape: 100 South-200 South; west side of Main Street (Downtown RDA).
 Gateway Streetscape: between Downtown and Logan River (CDBG).
 Gateway Streetscape: between Logan River and "Y" location. (South Main RDA).
 Continued support for Logan Downtown Alliance (Downtown RDA).
 800 West road extension (600 West EDA).
 Targeted property acquisition.
 Storm water remediation project at 700 South Main (South Main RDA).
 Costs associated with potential new project areas.
 Funding: Downtown Business Development Fund (CDBG).

Responsibilities

Management of operations and services for 162-acre golf course.
Maintenance of course, facilities, and protected wetlands.
Training of personnel and staff development.

Accomplishments FY16

Improved playing conditions of the course.
Replaced aged fairway mower.
Initiated sand replacement program for bunkers.
Increased use of Tournament Room.
Completed soils analysis of greens

Goals FY17

Reduce operational costs where possible.
Replace bunker sand.
Repair damaged cart paths.
Continue geese control measures.
Replace aged greens mower.
Replace ball dispenser at driving range.

Considerations for the Future & Unfunded Needs

Increase revenue opportunities.
Reduce operational costs where possible.
Plan for improved distribution of irrigation for course.
Address course rolling stock needs.

Personnel

Full Time Employees	FY 2016	FY 2017
Water and Sewer division	31	31
Total	31	31

Responsibilities

Maintain the water source, storage, and distribution system.
Maintain the sewer collection system.

Accomplishments FY16

Center Street and Willow Park Wells have operated better than anticipated in new PRV pressure zone.
Replacement of failing water lines on 600 East, 1100 North, and 1150 North.

Goals FY17

Construct transmission line from water tank GC5 to Castle Hills.
Combine two existing pressure zones in the northeast portion of Logan to improve fire flows.
Build reserves for 2 large future projects (Island water storage tank and replacement of water mains in Main Street).
Retrofit sewer lift station at 600 North 1200 West due to additional flows from Gossners.
Replace sewer main at Century Square to eliminate weekly cleaning requirements.

Considerations for the Future & Unfunded Needs

Replacement of aging infrastructure as funding allows.
Focus on reserve buildup and debt repayment for upcoming years.

Personnel

Full Time Employees	FY 2016	FY 2017
Sewer	3	3
Total	3	3

Responsibilities

Maintain & operate the wastewater treatment Lagoons & Wetlands.
 Maintain & monitor facility compliance of UPDES permit.
 Provide education to public & other groups as needed.
 Maintain certifications through continued education & trainings in the wastewater field.

Accomplishments FY16

Continued to treat wastewater from Logan, North Logan, Smithfield, Hyde Park, River Heights, Providence, and Nibley.
 Maintained compliance with UPDES permit.
 Maintained equipment & facility.
 Continued to work on the design of the new wastewater treatment facility.
 Gave tours & public educations to numerous school, scout, civic, and other groups.
 Attended required trainings for maintaining certifications.
 Created the Rate Setting Committee

Goals FY17

Secure remaining funds for the new wastewater treatment facility.
 Prepare site for construction of the new wastewater treatment facility.
 Maintain compliance with UPDES permit.
 Provide public education opportunities.
 Maintain existing equipment & facility.
 Complete the design of the new wastewater treatment facility.
 Bid for the construction of the new wastewater treatment facility.
 Establish new sewer treatment rates.

Considerations for the Future & Unfunded Needs

Continue to work on the construction of the new wastewater treatment facility to comply with ammonia and phosphorous requirements.

Personnel

Full Time Employees	FY 2016	FY 2017
Electric	31	31
Total	31	31

Responsibilities

Provide safe, reliable, and economical electric energy services to Logan City residents and businesses.

Accomplishments FY16

Completed Light and Power Admin Building.
 Completed underground Project on 200 East from Center Street to 100 North.
 Rebuilt transmission on 300 South from 600 West to 100 East.
 Obtained RP3 (Reliable Public Power Provider) designation from the APPA (American Public Power Association).
 Completed final design on 3rd Dam and the Gatehouse at Hydro III.
 Installed and commissioned switchgear building at Sub 7 for distribution circuits.
 Replaced 30 rotten poles.
 Completed decorative lights on South side of Center St between Main St and 100 West.
 Rebuilt 6 blocks of distribution on East Side.
 Completed culvert canals at Substation 6 on 1000 North.

Goals FY17

Replace obsolete PLC control at Hydro II.
 Decorative Lights on North side of Center St between Main St and 100 West.
 Decorative Lights on South side of Center St between Main St and 100 East.
 Decorative Lights on 400 North from Main St to 700 East.
 Underground Project on Federal Avenue around Café Ibis.
 Rebuild Substation 6 including a new transformer.
 Replace 30 rotten poles.

Considerations for the Future & Unfunded Needs

Replace deteriorating underground submersible transformers & lines.
 Replace deteriorating lamp post metering structures.
 Rebuild generators at Hydro III.
 Sediment removal at 3rd Dam.
 Sediment removal at 2nd Dam.
 Obtain property and build Substation (9) for the southern part of the service area.

Personnel

Full Time Employees	FY 2016	FY 2017
Environmental	62	60
Total	62	60

Responsibilities

Provides countywide solid waste collection, countywide solid waste disposal, green waste collection, composting, and recycling. Provides forestry services and mosquito abatement for Logan City.

Accomplishments FY16

Recycled over 7,222 tons of recyclables.
Landfilled 77,770 tons of municipal solid waste and 35,341 tons of construction and demolition waste.
Diverted and processed (mainly composting) 11,334 tons of green waste.
Obtained significant portions of the new landfill road rights of way.
Designed and bid the new landfill road construction.
Designed and bid the new landfill cell construction.
Planted 200 trees, trimmed over 1005, and removed 105 dead, nuisance, or hazardous trees.
Built the 3+ acre Skabelund Wetland.

Goals FY17

Complete the construction of the new landfill road.
Complete the construction of the new landfill cell.
Maintain the safety program in all areas of the department.
Complete tree inventory and visit homeowners for tree consultations.

Considerations for the Future & Unfunded Needs

Development of the North Valley Landfill site is the most important need in the near future.
Purchase of equipment necessary for operating the Transfer Station.
Build fence around landfill complex.
Build container storage shed.
Update garbage truck routes for new landfill.

Storm Water	1	1
Total	1	1

Responsibilities

Maintain stormwater infrastructure within Logan.
Cooperate with canal companies to maintain canal system.
Construction site inspections.
Compliance with State of Utah General Permit Requirements.

Accomplishments FY16

Completion of River Conservation Action Plan through River Task Force.
Improved storm drain capacity across Main St at 100 North.
Completed filling in canal along Canyon Road from the Laub Diversion to the landslide area. The trail transition was also reconstructed to improve access.

Goals FY17

Select, design, and begin construction on River Task Force project to restore a section of the Logan River.
Construct storm drain improvements on 1400 North between 200 East and 200 West.

Considerations for the Future & Unfunded Needs

Backlog list of needed capital projects to improve stormwater problems continues to grow.

Information Systems	6	5
Total	6	5

Responsibilities

Information Technology is a division of the Finance Department. IT is responsible for maintaining and implementing programs, software, and hardware used throughout the City.

Accomplishments FY16

Finished upgrading all remaining old digital phones to voice over ip (VOIP) phones.
 Documented Business Continuity and Disaster Recovery Plan.
 Installed video surveillance on canal trail and electric substations.
 Updated web site to Responsive Design.
 Updated and streamlined backup and disaster recovery plan (using Veeam software).
 Upgraded surveillance cameras in City Hall to HD ip cameras.

Goals FY17

Upgrade PCs in the City to Windows 10.
 Upgrade Microsoft Office citywide.
 Bring new Light and Power Building on line (data, voice, access control).
 Implement Document management system.

Considerations for the Future & Unfunded Needs

FUND 610 - RISK MANAGEMENT

Personnel

Full Time Employees	FY 2016	FY 2017
Risk Management	2	2
Total	2	2

Responsibilities

Oversee the prevention of injuries to employees and losses to City property.
 Manage claims and lawsuits filed against the City.
 Purchase insurance and bonds to protect City assets from catastrophic loss.
 Advise and assist City departments in implementing safety programs and training.

Accomplishments FY16

Workers Compensation only had 15 recordable accidents during 2015.
 Maintained a low number of pending general liability claims.
 Transitioned successfully to a new Risk Manager.
 Implemented and trained on a citywide cell phone policy.
 Added cyber liability coverage.

Goals FY17

Bid and obtain new general liability insurance coverage.
 Continue employee safety awards program.
 Create online safety data sheet for chemicals used by the City.
 Continue input of historical loss data into Virtua database.

Considerations for the Future & Unfunded Needs

More insurance companies are declining to provide liability insurance for police departments, including our current provider.

**Study for appropriation of funds from the City of Logan to CAPSA in compliance with
State Code 10-8-2 (e)**

This study is being performed before notice of a public hearing and made available to the municipal council and interested parties in regards to the City of Logan appropriating funds to CAPSA. An appropriation of \$10,000 is being considered.

State Code 10-8-2 outlines questions to consider which are answered below.

(i) What identified benefits will the City of Logan receive in return for any money or resources appropriated to CAPSA?

CAPSA provides mobile crisis response at the request of the Logan City Police Department to assist victims of domestic violence and sexual assault 24-hours per day seven days per week. CAPSA's Mobile Crisis Response Team assists LCPD officers when they respond to a domestic violence or sexual assault incident. Advocates help victims understand the system, what community resources are available, explain mandatory arrest and other laws which can help victims be more cooperative with Law Enforcement Officers and feel more at ease when making decisions about what to do next. Advocates help take care of, advocate for, and educate victims so officers can dedicate their efforts to evidence collection and other duties.

CAPSA also provides an emergency shelter for victims of domestic violence and sexual assault. The Logan City Police Department can bring victims of domestic violence to the shelter for safety. CAPSA provides shelter to approximately 180 women and over 200 children each year. And, most likely CAPSA has even saved the Police Department from having to investigate more homicides. An essential service for the City of Logan is emergency shelter for its citizens who unfortunately are victims of domestic violence and sexual assault and need a safe place to recover and rebuild lives free of violence and poverty.

(ii) Will the City of Logan's appropriation be used to enhance the safety, health, prosperity, moral well-being, peace, order, comfort, or convenience of the inhabitants of the City of Logan?

As stated above in Question (i), CAPSA provides for the health and safety of Logan citizens by providing Crisis Intervention Response 24-hours per day seven days per week at the request of law enforcement and the Logan Regional Hospital as well as emergency shelter. By providing assistance to victims of domestic violence we hope to increase peace and order in the city by reducing the number of domestic violence incidents which reduces the amount calls officers are responding to. The programs we provide beyond crisis intervention and emergency shelter are designed to assist families in building prosperity and well-being. Our goal is to help them rebuild a life free of violence and poverty.

(iii) Is the appropriation necessary and appropriate to accomplish the reasonable goals and objectives of the City of Logan in the area of economic development, job creation, affordable housing, blight elimination, job preservation, the preservation of historic structures and property, and any other public purpose?

We know that domestic violence is often the root cause of other social problems within our communities. This includes gangs, drug addiction, teen run-aways, and other crimes. If we are going to be successful as a community we all need to be engaged in responding to and eliminating domestic violence. We know that kids can't learn in school when they are afraid at home and that employees can't be as productive at work when they are living with violence at the core of their lives. CAPSA is the link or bridge from violence into safe affordable housing, productive workers, and healthy children which will continue to build a stronger Logan City.

CAPSA receives very little funding from the state of Utah. Most of our funding comes from local donors (individuals and businesses) and fundraising events, along with annual competitive grant writing to private foundations and federal grant opportunities. These other funding sources often state they will support us if we can show that our local community is playing an active role in supporting our efforts. This is where it is essential to show that Logan City is an active participant in addressing supports for victims of domestic violence so that we can leverage that support to bring many more dollars into Logan City to address this community problem.

Our emergency shelter is of course our most costly program and it is also where we struggle the most to receive on-going donations to operate. The funding from Logan City is essential to our ability to keep the doors of our emergency shelter open to families fleeing violence. We are able to leverage the funding from Logan City to bring in more than 500,000 in other funding just by showing that our own community wants to take part and participate in efforts to respond to and eliminate domestic violence and sexual assault by supporting victims and holding offenders accountable.

Conclusion:

Logan City's appropriation of funds to CAPSA is essential to the health and safety of not only those who are victims, but the health and safety of entire neighborhoods and communities. The investment of those dollars is critical to our ability to remain available for victims in crisis by allowing us to multiply those dollars many times over through other donations and federal grant opportunities. Not to mention the 75 volunteers who donate more than 16,500 hours annually, this equates to 8 Full-time employees and is valued at over \$200,000 dollars. Domestic violence effect's all of us. It impacts our schools, our workplaces, and the strength of our local families. CAPSA provides a life saving service for so many Logan families, preventing further costs to our communities by preventing further crime and deterioration of our neighborhoods.

Study for appropriation of funds from the City of Logan to the Cache Chamber of Commerce in compliance with State Code 10-8-2 (e)

This study is being performed before notice of a public hearing and made available to the municipal council and interested parties in regards to the City of Logan appropriating funds to the Chamber of Commerce. An appropriation of \$6,800 is being considered.

(i) What identified benefits will the City of Logan receive in return for any money or resources appropriated to the Chamber of Commerce?

- Addressing new business inquires regarding locating or growing in Logan City.
- Assist with planning efforts for businesses both with the Logan City, the LDTA and to coordinate with the CBRC.
- Assisting with Site Evaluations for Logan City and working with Economic Development Corporation of Utah
- The Chamber offers support for either existing or future business development in Logan City and Cache Valley
- The production of our county map that is updated and reprinted every two years
- Publish the Voter Directory of Public Officials
- Web site information regarding our local events and demographic information with over 40,000 hits per day which also links with the Logan City web site
- Images Magazine online, highlighting data and stats for relocation to Logan City with over 26,000 hits.
- Major manufacturing and business listings updated annually.
- A Council for Community and Economic Research Association, reports that are done quarterly to represent our area in the National Metro/Urban Cost of Living Index
- Relocation Packages for both new businesses and new residents and employees moving into Logan. Over 800 last year.
- 21 new business ribbon cuttings in Logan Last year.
- Supporting our new businesses so that if you compare non chamber /new business with a first year closing rate of 37% to New Chamber businesses which close at 7% you see that our chamber members have a higher success rate and this is a figure we are trying to lower every day.
- Marketing our area throughout the state using all avenues including Comcast Community Spots,
- Providing a partnership for government and private businesses to work together
- We provided over 1200 Certificates of origin at no cost to chamber members in 2010 the majority of which are located in Logan City

Another major component in maintaining a viable economy in Logan comes through the partnerships that the Chamber coordinates and to address problems and facilitate discussion for such as:

- Assisting our manufacturing industry by supporting Manufacturing Extension Partnerships and the new Manufacturing summit that will be organizing
- Active involvement in all of the economic development committees and organizations, both locally and state wide, which have or may have impact on the city's future. (Utah Alliance, Economic Development Corp. of Utah, Bear River Economic Development Area, State Chamber, American Chamber of Commerce Executives, Utah Non Profit Association, Utah World Trade Association, and the International Economic Development Corporation.
- In September we are again co-hosting our Sixth "What's Goin' Down Up North" ED summit at USU which will highlight businesses from Logan as well as Box Elder, Rich, Franklin and Cache County. This brings a greater focus on the economic strength and vitality of our area to the state.
- We are hosting 2 Business Expo's in Logan this year which offer an opportunity for the area to become familiar with Logan's local businesses.
- We are also the facilitator for the Cache Business Resource Center and the Cache Entrepreneur Council which foster new emerging businesses in Logan and our area as well as offer support for businesses looking to expand their businesses and stay in our vicinity.

(ii) Will the City of Logan's appropriation be used to enhance the safety, health, prosperity, moral well-being, peace, order, comfort, or convenience of the inhabitants of the City of Logan?

In our by-laws we state:

- a. The Cache Chamber of Commerce exists to promote the general welfare and prosperity of its members and community.
- b. The Cache Chamber of Commerce is dedicated to helping Cache County have a strong, diversified economy by increasing high quality employment opportunities and improving standards of living. Chamber activities should encourage and capitalize on individual and business creativity, innovation, and inventiveness.
- c. In addition, The Cache Chamber of Commerce should work to preserve and enhance the quality of life, educational opportunities and unique characteristics of Cache Valley, both natural and built that will attract and keep businesses that provide high caliber employment.

To this effect we have supported clean air measures with the Bear River Health Dept., the Cache Valley Transit Authority, the South Corridor project, the Sustainable Design Assessment Team, the 10th West trucking route to assist with traffic congestion in down town Logan and the promotion of tourism in our area and local events. We offer many resources at discounted rates to Logan area non-profits to assist them with the programs they offer to the community which enhance our quality of life. In addition to this we have at least one fund raiser every year which offers a financial contribution to a charitable organization in Logan, this year it is the Child and Family Support Center as our selected organization.

(iii) Is the appropriation necessary and appropriate to accomplish the reasonable goals and objectives of the City of Logan in the area of economic development, job creation, affordable housing, blight elimination, job preservation, the preservation of historic structures and property, and any other public purpose?

The Cache Chamber of Commerce is a non profit, 501c6 which has a strictly volunteer board and two full time and one part-time staff people to service Logan City and Cache County area for all the many activities and resources which we provide. This is a cut in our staff of 5 employees just 3 years ago, which was necessary due to decrease in income and increased costs of operation. The support which Logan City offers is critical for our survival and effectiveness in addressing the needs of Logan City. Our total operating budget for the 2011 year which is serving the entire county is projected at \$222,000. Logan City is roughly 50% of the population and economy that we support with many services. We appreciate the \$6,880 support from Logan City.

Conclusion:

The Cache Chamber of Commerce appreciates the support and partnership of Logan City in our many activities and we look forward to another year of collaborating with you on our many projects that benefit both the quality of life and economic vitality of this community and Logan City.

**Study for appropriation of funds from the City of Logan to the Cultural Arts in compliance with
State Code 10-8-2 (e)**

This study is being performed before notice of a public hearing and made available to the municipal council and interested parties in regards to the City of Logan appropriating funds to the Cultural Arts. An appropriation of \$20,000 is being considered.

State Code 10-8-2 outlines questions to consider which are answered below.

(i) What identified benefits will the City of Logan receive in return for any money or resources appropriated to the Cultural Arts?

The City of Logan benefits from all of the organizations who receive donations. Most of these are during the summer months and attract added tourism and sales tax dollars. The City and community benefit from the variety of performances and cultural experiences.

(ii) Will the City of Logan's appropriation be used to enhance the safety, health, prosperity, moral well-being, peace, order, comfort, or convenience of the inhabitants of the City of Logan?

Cultural arts benefit the City of Logan and its residence in a variety of ways. The events brought forth through money donated by the City are very well attended which contributes to prosperity of the City, moral well-being, peace, order, comfort, and convince for the City of Logan and its residents.

(iii) Is the appropriation necessary and appropriate to accomplish the reasonable goals and objectives of the City of Logan in the area of economic development, job creation, affordable housing, blight elimination, job preservation, the preservation of historic structures and property, and any other public purpose?

The City of Logan is always looking for ways to bring greater prosperity to the City and its residents. The donation of this money coincides with the goals and objectives set forth by the City Council and Mayor.

Conclusion:

The City of Logan has benefited from the Cultural Arts donation and will continue to reap the positive benefits of the future provided by these organizations.

Study for appropriation of funds from the City of Logan to the Logan Downtown Alliance
in compliance with State Code 10-8-2 (e)

This study is being performed before notice of a public hearing and made available to the municipal council and interested parties in regards to the City of Logan appropriating funds to the Logan Downtown Alliance ('Alliance'), which has asked for \$50,000 to assist in funding its operations. In an effort to encourage operational sustainability, disbursements would be made to the Alliance equivalent to 150% of the Alliance's annual earned revenues, prorated on a quarterly basis and not to exceed a quarterly amount of \$12,500 or an annual amount of \$50,000, similar to what has been done previously.

State Code 10-8-2 outlines questions to consider which are answered below.

- (i) What identified benefits will the City of Logan receive in return for any money or resources appropriated to the Logan Downtown Alliance?

The Downtown Redevelopment Project Area Plan, adopted by the City of Logan, emphasizes enhancing the economic base of the community by means of revitalization activities carried out in Downtown Logan. The City of Logan and its Redevelopment Agency recognize the value in partnering with the Logan Downtown Alliance to assist in the achievement of this goal. The Alliance provides various services that are beneficial to that end, specifically in the areas of recruiting, public relations, stakeholder advocacy, marketing and event management.

- (ii) Will the City of Logan's appropriation be used to enhance the safety, health, prosperity, moral well-being, peace, order, comfort, or convenience of the inhabitants of the City of Logan?

It will; the funds will allow the Alliance to effectively carry out its responsibilities identified in the Downtown Specific Plan and to more generally work towards the continued betterment of Downtown Logan.

- (iii) Is the appropriation necessary and appropriate to accomplish the reasonable goals and objectives of the City of Logan in the area of economic development, job creation, affordable housing, blight elimination, job preservation, the preservation of historic structures and property, and any other public purpose?

Yes, the Alliance is dependent on the financial contribution from the City of Logan in order to effectively carry out various responsibilities identified in the Downtown Specific Plan that will further the achievement of many of the goals and objectives listed above.

Conclusion:

The conclusion of this study has determined the City of Logan will profit or benefit from this appropriation of funds to the Logan Downtown Alliance. The City, through its Redevelopment Agency, will give up to \$50,000 as described. This will not be an annual donation.
