297	The Logan Rec center could be improved by having better, more updated weight room equipment and better, more updated cardio equipment including a spin cycling studio or just a few nice spin cycles in the cardio room. It would also be great if Logan could one day have an indoor shallow kids pool with slides and water sprayers.	10/9/2017 11:05 PM
298	Would like to see more variety offered for kids. For what is offered, prices are fair. Those running the programs for kids are good with the kids, but would like to see a bit more structure.	10/9/2017 8:31 PM
99	out door pool	10/9/2017 4:54 PM
300	I was sad that the price went up to \$25 from \$15 for the youth indoor soccer and this year they didn't give out a water bottle with the certificate which made my daughter sad. Also, could you possibly consider moving all the indoor soccer times up a little so the five and six year olds don't have to start at 7 pm. It is getting kind of late for them when soccer is done. We really enjoy the indoor soccer and my daughter has so much fun!	10/9/2017 4:06 PM
801	Keep splash pads open on Sundays, have some activities on Sundays or Saturdays, make sure recreational leagues are actually recreational (pair with local eateries to offer discounts on food / drink)	9/6/2017 9:19 AM
802	I know you hear this all the time, but it would be great if there were an indoor pool open to the public	9/6/2017 6:20 AM
803	Maybe just making it easier to find out about them online. Although, I am impressed to see the changes that have been made through putting up signage about trails and parks.	9/4/2017 3:56 PM
804	We need another dog park. Maybe you could dedicate it to veterans who suffer with ptsd. Also another water park would help ease the congestion of the aquatic center. The splash pads are great for kids and young families!	9/3/2017 7:07 PM
05	I wish there was an indoor pool	9/3/2017 4:11 PM
306	Jr Jazz is crazy for the younger kids - not enough spectator seating. Refs are terrible - if they are going to ref help them teach the kids. City baseball somehow needs to be divided more evenly - have a question on the sign up form if child plays competitive baseball. Only let so many comp kids on one team. Many parents I say by this year said they would not sign up for city league again.	9/3/2017 12:01 PM
307	The skate park water fountain is still off. I called in June and they turned it on and then I watched in July when they turned it off and after telling several employees they still haven't turned it on.	9/2/2017 9:13 AM
08	The facilities could be cleaner.	9/1/2017 10:15 PM
09	I would love a fun splash pad in Logan near a playground and bathroom with shade trees.	9/1/2017 9:28 PM
10	It would be nice if they could offer dance classes and Karate classes	9/1/2017 3:55 PM
511	I don't know a lot about what the city offers unless it's on social media. I'm a local business owner	9/1/2017 2:24 PM
	and would like to be more involved.

313	An indoor pool with lazy river and wet playground/splash pad like st george would be amazing. We currently pay for swim lessons at Smithfield, I'd rather pay here in Logan. A big splash pad park in Logan, with lots of shade, a mini splash river, and a pavilion to rent for bday parties, etc. All the smaller towns have them, why doesn't Logan? A new park with a cement slide. I went to a park in San Francisco, they had a cement slide on a hill. You take a piece of cardboard and some sand to the top and slide down. The kids loved it, older kids loved it, adults even loved it. I went to Durango CO, right downtown in an empty city lot, tucked between a popular restaurant and store was a music park. It had chimes, drums, xylophones, and other outdoor instruments. My children loved it. It kept them busy while we were waiting for a seat and it sounded beautiful. It was also a garden, they called it the Sound Garden.	9/1/2017 12:50 PM
314	I really enjoy using the city trails and would like to see the trail network expand to connect to national forest trails and other trails in the valley.	9/1/2017 11:00 AM
315	My three year old son LOVES the Aquatic Center! It's the only place he will swim because the water is warm. We also enjoy going to the parks and hiking the trails. I haven't been to the Rec Center yet but now that I know about it we will have to check it out. My husband loves going golfing as well.	9/1/2017 10:24 AM
316	The reason why I put no I'm not satisfied is because Logan City does not have a quality indoor pool.	9/1/2017 10:13 AM
317	Many cities have separate recreation centers than one adjoined to highschools. Tax payers pay not only taxes for schools and education, but taxes for facilities for recreations. This seems like double dipping into tax payers. The recreation facility is UNUSABLE to me because I cannot go during open hours. Logan is a nice and large city. It baffles me that smaller cities throughout the state sometimes have WAY nicer facilities than Logan. Also why does Logan city proper NOT have a splash pad???????	9/1/2017 7:46 AM
318	The website can be pretty user unfriendly at times. I often have a hard time finding info like rules for certain leagues, sports, etc. Way better now than it used to be though.	9/1/2017 12:14 AM
319	None at the moment	8/31/2017 10:44 PM
320	I love the parks and trails Logan has. I am highly satisfied with both of those. However, I am not too impressed with the recreation center. If there is ever money in the budget I think that a remodel/relocation would be an excellent addition. I am not a fan of the city golf course, especially since I help pay for it, but am unable to use the trails even after hours. I would suggest opening the trail use to families and individuals after golfing hours. Disappointed that we spent so much money on the golf course when we have a sub par recreation center. I attend some classes the rec center has to offer, but sad that there is only one room available and only okay with the schedule and the lack of diverse classes available.	8/31/2017 10:27 PM
321	Pool open later into the year; have an indoor pool; more trails/longer trail system in the city.	8/31/2017 9:55 PM
22	The bathrooms at Willow Park could use an update.	8/31/2017 9:46 PM
323	The parks are great, the trails are ok. I haven't used the rec center yet. I wish there was a indoor pool and aquatic center for year round use that multiple cities have now days. Put some charcoal grills in to use in some of the parks. Make the rec center more community centered. Maybe include some lower cost martial art or tumbling/gymnastic classes, offer discounted prices for lower income families.	8/31/2017 8:38 PM
324	Cheaper racquetball fees	8/31/2017 8:25 PM
25	I hope they continue to allow scooters at the skate park. I	8/31/2017 7:19 PM
326	I would like to know more about services provided. Also, does the rec center have classes during the day?	8/31/2017 7:12 PM
327	I would love to use an indoor pool during the winter that isn't only available on a campus. Also if there were lanes available at all waking hours.	8/31/2017 7:11 PM
328	It would be nice to groom Logan River Golf Course if the winter allows; the area by Beaver Mountain is closed to grooming for 2 years.	8/31/2017 7:01 PM
	I love the youth sports programs. We have participated in a couple, some have seemed a little	8/31/2017 6:53 PM

332	I mainly use the city pool and the aerobics classes, and city trails near my work	8/31/2017 4:56 PM
333	I feel like the facilities are great. Sometimes the cost can be high for the family.	8/31/2017 4:55 PM
334	Indoor pool for year round swimming would be helpful.	8/31/2017 4:52 PM
335	Wish the city would have voted for an indoor/outdoor pool years ago.	8/31/2017 4:48 PM
