Logan Aquatic Center Mini Olympics is a newly added program to the Logan Aquatic Center’s line up of activities. The Mini Olympics features four water sports from the Olympic games. These events include swimming, diving, water polo and synchronized swimming. The program is put on in an effort to get people to find new ways to stay active, meet new people and have fun.

This program will take place on Monday nights with the Synchronized Swimming and Inner Tube Water Polo going from 8:15pm-9:30pm and the Swimming events will take place from 9:30pm-10:45pm on Monday nights. Diving events will take place on Tuesday nights from 9:30pm-10:45pm. These times will be used for practice and we will have an actual Mini Olympics Competition on Saturday, September 4th, time to be announced. The cost for this program is $40 per participant which includes practice every Monday (excluding July 28) and the Olympic Competition Event on September 4th. Age groups include 12-18 years old and 18 and up.

**Logan Parks and Recreation Department Summer/Fall 2021 & Winter 2022 Leisure Guide**
PICKLEBALL COURTS PAVILION
Built to provide space for hosting tournaments and to provide a shade for pickleball players to congregate.

HORSESHOE PARK SIDEWALK REPLACEMENT
The section of the Westside Trail through Horseshoe Park was replaced with concrete providing a more durable surface.

WILLOW PARK SPORTS COMPLEX NEW EQUIPMENT BUILDING
With the need for more storage space the old playground area was converted to a new storage housing portable outfield fence, portable pitching mounds, and ball field maintenance equipment.

ROTARY PAVILION SIDEWALK CONNECTION
In an ongoing effort to achieve sidewalk connectivity and ADA accessibility throughout West Willow Park a sidewalk was constructed from the parking lot to the pavilion. This sidewalk will eventually connect to a new playground and Skyler Pond.

TRAPPER PARK PAVILION
A picnic pavilion shelter at Trapper Park was constructed by Logan City Parks and was completed in 2020. The pavilion serves up to 100 people and is used by the general public for picnics and may be reserved for private parties, receptions, and special events. The pavilion was funded in part by the City of Logan and the Cache County RAPZ Tax program. Trapper Park is located at 1497 South 1600 West.

For more information contact Logan Parks and Recreation at (435) 716-9250
1700 SOUTH PARK
1700 South Park was completed spring of 2021. The park is on the south side of the Blacksmith Fork River across from the Logan Soccer Complex located at 300 West 1700 South. The 1.6-acre park includes a trail bridge across the Blacksmith Fork River, parking lot, and sidewalk connections to the Soccer Complex and 1700 South. The park was built in part with federal Land and Water Conservation Funds, Cache County RAPZ Tax funds, and the City of Logan.

BONNEVILLE SHORELINE TRAIL LINK
A gravel trail link was constructed this Spring, 2021 from 1700 North in the Deer Crest area to the Bonneville Shoreline Trail by Logan City Parks personnel. This link offers residents and trail users a designated public path to the popular Bonneville Shoreline Trail on the east bench and easy access to residents in the Lundstrom Park and Hillcrest neighborhoods. The Bonneville Shoreline Trail connects Green Canyon in North Logan to Logan Canyon on the south for approximately 1.9 miles.

CANYON ROAD PATHWAY IMPROVEMENTS AT 100 NORTH 400 EAST
This project involves the replacement of sidewalk and radius corners at the intersection of 100 North 400 East and Canyon Road, replacement of curb and gutter, installation of solar-powered rapid flashing beacons at the pedestrian crosswalk on Canyon Road, and the installation of safety fencing along the trail that crosses the canal on the north side of Canyon Road. This project was funded in part with a UDOT Transportation Alternative Program (TAP) grant, Community Development Block Grant funds, Cache County RAPZ Tax grant, and the City of Logan. The project will be completed by June 30, 2021.

LOGAN AQUATIC CENTER RENOVATIONS
During the 2020 swim season, the Logan Aquatic Center was closed due to the COVID-19 coronavirus pandemic. As part of the closure, the City made renovations to parts of the Aquatic Center in anticipation that conditions would improve in time for the pool’s 20th anniversary, Memorial Day, May 31, 2021. The renovations include replacement of the water bucket feature in the leisure pool, tile and expansion joint repairs in all three pools, plaster surface crack repairs in the 50-meter pool, re-tiling of the showers in the locker rooms, replacing soap and paper towel dispensers with touchless dispensers, and replacing sand in the 50-meter filters, among other repairs and improvements.

CANYON CONNECTOR TRAIL ADDITIONS
Logan City Parks personnel added a trail connection at the bottom of the Canyon Connector Trail along US Hwy 89 near the trail tunnel to First Dam and Canyon Entrance Park. The addition improves the transition from the Bonneville Shoreline Trail and the connection to the Logan Canyon Gateway Trail into the Ray Hugie Hydro Park from the Canyon Connector Trail.

BRIDGER BIKE PARK RECOGNITION
Bridger Bike Park was recognized as “Project of the Year” by the Governor’s Office of Outdoor Recreation on August 31, 2020. The 2-acre multi-skill level bike park opened to the public in 2019. The bike park is the result of a grassroots effort supported by the Cache Trails Alliance, Cache County RAPZ Tax program, local businesses, volunteers, and the City of Logan. The distinguished honor was presented at the annual Outdoor Recreation Summit hosted by the Governor’s Office of Economic Development. Bridger Bike Park is located on the premises of Bridger Park, 1181 North 400 West. Bridger Bike Park is free to the public.

INFIELD MAKEOVER ON FIELD #3

Logan Parks and Recreation Department performed a complete infield makeover on field #3 at the Willow Park Sports Complex in an attempt to upgrade our softball facilities. The following is the scope of work performed:

- Performed infield topography
- Measured and marked field for trimming
- Removed approximately three inches of existing infield skin
- Laser graded the sub base to allow for new infield mix and sod
- Installed approximately 4,500 square feet of sod along back arc. Skinned infield surface to be 12,500 square feet
- Installed three inches of DuraEdge Classic and laser graded
- Installed DuraPitch Premium Mound Clay to pitcher’s mound
- Installed pitching rubbers, home plate, and base anchors
- Top-dressed with Play Ball and ProSlide blend
- Groomed for play

Nearly all (93%) U.S. adults say that activities offered by park and recreation professionals and their agencies are beneficial to their mental health.

Top activities include:

- Socializing with family and friends
- Spending time in nature
- Exercising

Parents are among those most likely to agree that these activities benefit their mental health, with three in five indicating that socializing with family and friends and spending time in nature are especially beneficial.

Each month, through a poll of 1,000 U.S. residents focused on park and recreation issues, NRPA Park Pulse helps tell the park and recreation story. Questions span from the serious to the more lighthearted. The survey was conducted by Wakefield Research (www.wakefieldresearch.com).

Visit nrpa.org/ParkPulse for more information.

1800 South/Spring Creek Trail
The 1800 South Trail project involves the slight widening of the gravel trail between the Springs subdivision and Logan River Estates. The 1800 South Trail connects 1800 South with the Logan River Trail and to Trapper Park. The Spring Creek Trail connects the 1800 South Trail and moves south between the Woodmore Pointe and Rose Hill subdivisions and will cross Spring Creek and connect to the Spring Creek reservoir, Meadowbrook subdivision, and 1600 West. The project is projected to be complete by the summer of 2023.

Nature Park in the Deer Crest Neighborhood
Initial plans are being made now to prepare the 24-acre nature park area for development. Currently, noxious weeds are being treated for abatement while design plans are being finalized for public input. The recent sale of 22 building lots are being integrated into the park design, specifically sewer infrastructure for the lots. The nature park will feature native plantings, walking paths, shade trees, and will connect to the nearby trails that lead to the Bonneville Shoreline Trail and Lundstrom Park. Park completion is slated for the spring of 2024.

Restroom Improvements at the Logan Community Recreation Center
Design plans are under final review to remodel under-used locker rooms into additional public restrooms especially for the heavy fall-through-spring use of the Logan Community Recreation Center. The additional restroom is centrally located and near the front entrance, its location is ideal for the Main and Leisure Arts gymnasiums. The project is slated to begin in 2022 and projected to be completed by fall of 2023.

HOW CAN I GET ACCESS TO A WATER SOURCE IN THE PARK?
Other than drinking fountains, the Logan Parks and Recreation Department does not provide public access to water. We recommend you fill water coolers at home and bring them with you to the park.

ARE INFLATABLES ALLOWED IN CITY PARKS?
With a $75 fee, a signed use agreement, proof of insurance, and two week notice—inflatables are permitted. Most inflatable vendors have insurance policies that meet the City of Logan qualifications.

WHAT SHOULD I DO IF SOMEONE IS USING THE AREA/SPACE I RESERVED?
Have reservation confirmation with you and respectfully inform them that you have paid to reserve the area. If they refuse to move, contact Logan City Dispatch at (435) 753-7555.

CAN I BRING MY DOG TO MY PARK RESERVATION?
No, dogs are not allowed in City parks unless otherwise noted.

DOES MY PARK RESERVATION INCLUDE THE VOLLEYBALL PIT AND THE PLAYGROUND?
No, reservations only include the pavilion and the tables beneath it. Playgrounds cannot be reserved. Volleyball pits can be reserved for an additional $10.

HOW FAR IN ADVANCE CAN I MAKE A PARK RESERVATION?
Parks can be reserved one year in advance, to the date.

WHEN ARE PARK RESTROOMS OPEN?
Restrooms are open from April 15 through October 15. Restrooms are not constructed for cold weather conditions due to added costs.

CAN I RESERVE THE LOGAN RIVER GOLF COURSE CLUBHOUSE FOR AN EVENT?
Yes, the Tournament Room seats up to 160 people and is equipped with all the amenities to house events or corporate activities. Reservations can be made by contacting Jeff John or Erik Skinner at the Logan River Golf Course Pro Shop at (435) 750-0123.

WHAT TIME DOES MY TEAM PLAY?
Adult and youth schedules along with game scores and statistics for adults are posted online. Schedules are also available at the Logan Community Recreation Center, 195 South 100 West, or by calling the front desk at (435) 716-9250.

HOW DO I FIND OUT IF MY GAME IS CANCELLED DUE TO BAD WEATHER?
Cancellation decisions will be made by 4:00 pm on game day. Cancellation information for adults and youth will be posted on our website on the Recreation Division youth or adult home pages. Cancellation information can also be obtained by calling the Logan Community Recreation Center at (435) 716-9250 or for Adult Softball by calling the Quad at (435) 750-9897 for a pre-recorded message that is updated by 4:00 pm as needed.

WHEN DO I REGISTER FOR PROGRAMS?
Spring and summer program registration begins March 1. Fall and winter program registration begins August 1.

ARE YOU HOLDING A SPECIAL EVENT ON CITY PROPERTY?

PLANNING TO HOLD A SPECIAL EVENT AT A CITY PARK OR AT THE RECREATION CENTER?

Most special events require a signed permit from City Hall. The permit application fee is $75 and the application is available at City Hall or online.

If you have questions about the special event application/permit process, information pamphlets are available at the Logan Community Recreation Center, City Hall, or online.

NOT SURE IF YOUR SPECIAL EVENT REQUIRES A SPECIAL EVENT PERMIT?

Logan City Municipal Code defines a special event as: “Any short term event at a temporary location that is open to the public for a fee, where the public can participate as a spectator or a participant. Special events shall also include any event available to the public that requires the full or partial closure of the public right of way or the use of City property whether or not a fee is required. Specials events include, but are not limited to, races, concerts, dances, exhibitions, lectures, parades, or other types of entertainment.” §5.04.010

QUESTIONS REGARDING SPECIAL EVENTS?

For questions regarding special events to be held at the Logan Community Recreation Center or in a Logan City park, contact (435) 716-9241. For questions regarding special events at any other location, contact (435) 716-9025.

In September 2020, hurricane-force winds belted Northern Utah including the Logan City Cemetery overnight, toppling, uprooting, and splitting over two dozen large trees, some estimated to be well over sixty years old. In that weather event, fallen trees also lifted and damaged headstones and uprooted sections of the Cemetery’s aged sprinkler system. In some instances, sections of sprinkler pipe were forced above ground by the tremendous weight of these huge trees.

The cemetery grounds were closed for safety reasons due to hanging branches and trees that were expected to still come down. For a period of 3 weeks crews worked tirelessly to clean up the fallen trees and remove the damaged ones. Logan City Cemetery received countless help from Logan Cities Forestry Division, Public Works Division and staff from the US Forest Division, through Tree City USA. Their help to fall the larger trees and cut them into manageable pieces was a great asset to the cemetery.

Crews began working on the damaged waterlines that had been uprooted by the fallen trees. Several pipes were replaced, holes patched and sprinkler heads repaired. Due to the timing of the wind storm, crews were not able to check the repairs because water to the system had been turned off for the year. Staff was hopeful that all the repairs had been made and things would be ready for the spring. Unfortunately, this was not the case and several other leaks were discovered during spring startup of the irrigation system.

As part of Logan City Cemetery’s Master Plan, future planting of trees will be coordinated with the Forestry Division. Currently the Logan City Cemetery has over 700 trees on its 53 acres. Plantings will take place in the future to replace the trees that were lost in the past year’s storm. As an ongoing effort to keep the cemetery grounds as beautiful and peaceful as possible, crews will continue to monitor the health and safety of the current trees. Steps to prevent any future loss or damage to the cemetery trees that can be prevented will be.

RAPZ TAX PROJECTS UPDATE

ANGELS LANDING PLAYGROUND RENOVATION
The Angels Landing accessible playground at Willow West Park is being renovated which includes new floor padding, new playground set, reinstallation of a swing set, and additional access points to the popular playground. Crews continue to work on the playground which is slated for completion on September 30, 2021.

CANYON ROAD PATHWAY AT 100 NORTH 400 EAST
Trail and sidewalk improvements have been made at the intersection of 100 North 400 East at Canyon Road. These improvements include a new safety fence along the trail that crosses the canal and connects to the Boulevard Trail, a new button-activated flashing crosswalk beacon at Canyon Road, and new sidewalk and curb cuts for pedestrians walking in the area of this intersection.

BRIDGER PICKLEBALL COURT LIGHTS
A request for RAPZ funding was approved to purchase and install pickleball court lighting at the Bridger Park pickleball courts. Lighting will allow for evening play on the courts for this ever-popular sport. Plans are being developed to have the court lighting operational for the 2022 summer season.

RESTROOM AND PARKING LOT PAVING AT TRAPPER PARK
The growing popularity of Trapper Park will now include a permanent restroom facility and the parking lot and driveway access into the park will be paved. Plans also call for an expansion of the parking lot to accommodate visitors. Trapper Park is also the current terminus of the Logan River Trail but will also be a mid-way stop for the Logan River Blue Trail, a hand-carry watercraft location to the City’s 600 South Park which is under design. The Trapper Park improvements are anticipated to be complete by the spring of 2023.
