2.1 Approval of Minutes: Regular Meeting of August . (Staff: Rita Witte)

ITEM 3. Committee Reports

ITEM 4. New Business

- 4.1 Discuss Virginia Railway Express request for either amending the existing agreement to extend the term by 12-months or to execute a new short-term agreement with the City, additionally VRE also asks that the City consider waiving escalation for the period of November 2020 to November 2021, which escalation has historically been at the rate of 3% annually. (Staff: Juan Rivera)
- 4.2 Consideration for moving the due date for two RFFP's to November 9th 2020 (Staff: Juan Rivera)

ITEM 5. Commission Members Comments

Commission Members may make comments or raise questions on matters of interest to the Commission.

ADJOURNMENT

Memorandum

August 20, 2020

TO: Manassas Regional Airport Commission

FROM: Airport Director

RE: AIRPORT DIRECTOR'S REPORT FOR AUGUST 2020

REQUEST FOR FRANCHISE PROPOSALS (RFFP)

The second RFFP for the SE Corporate pad site is available at the office of the City Clerk and can also be downloaded at the Airport's website. The second RFFP for the two 12,000 sf hangars located at 10500 and 10502 Wakeman Drive is available at the office of the City Clerk and can also be downloaded at the Airport's website. All proposals are due on September 28, 2020. Both RFFPs will be advertised in the local newspaper as required by franchise law. The Airport Director has received several requests to extend the date for submission. After considering the matter the Director does not see any down side to extending the time for submitting a proposal. No proposal have been received to date. By extending the submission deadline, the chances are better of receiving multiple submissions. The Director feels that a 45 day extension would be appropriate.

AIR TRAFFIC CONTROL TOWER REDUCED OPERATIONAL HOURS.

The Manassas tower operating hours are have been 8 a.m. – 4 p.m. for a few months. The Director is working with the FAA to get the hours extended to pre-pandemic operational hours. The Director has also requested that NATA assist the Airport in getting the FAA to change the hours of operations back to normal. The Airport's operations are going up and with the closure of runway 16R/34L for construction, it would be safer to have the tower open during the 45 days construction period.

CARES ACT GRANTS

The Airport had received a CARES Act grant in the amount of \$157,000.00 earlier this year. Also as part of the CARES Act the Airport has received two 100% FAA funding grants for two FY 2020 projects. These project were originally 90% FAA funding, 8% State, and 2% Airport. The Airport received \$3,238,315 for the Rehabilitation of runway 16R/34L and \$250,000 for the design effort of the Taxiway A Rehabilitation.

TIE-DOWN OCCUPANCY

Currently the airport has 122 of the public-use tie-downs under contract of the <u>171 available spaces</u>. This represents an occupancy rate of 71%. East Tie-Downs: 79 of 86 rented (92%). West Tie-Downs: 43 of 85 rented (51%). No squatters have been reported on the Airport by Airport Operations.

Page Two Airport Director's Report August 20, 2020

T-HANGAR OCCUPANCY RATE

The Airport has a combined east and west hangar occupancy rate of 96% (150 out of 156). The Airport has ninety-three (93) of the ninety-seven (97) t-hangar units on the east side under contract (95% occupancy) and fifty-seven (57) of the fifty-nine (59) hangars on the west side are under contract (97% occupancy).

We are moving through the list and waiting for call-backs from prospective hangar tenants as needed. We currently have a waiting list of 156 people. Some prospective tenants are on multiply hangar waiting list. (150 east side, 101 west side & 15 60'X50')

NOISE COMPLAINTS

There were four (4) noise complaints recorded by Airport Operations in the month of August 2020 (4 Helicopters, 0 Airplane, and 0 unknown. A noise complaint form is available on the Airport's website for citizens who have noise concerns. The form can be completed and submitted online, or a citizen can call the Noise Hotline 24/7 at (703) 257-2576.

TAXIWAY G/TAXILANE Y (Construction Phase)

Chemung has reached substantial completion on the construction of Taxiway G and Taxilane Y. The punch list has been developed by Delta Airport Consultants and Chemung is working to complete the list. This project should be close shortly. The project looks to be under budget.

RUNWAY 16R/34L REHABILITATON (Construction Phase)

The contract has been signed with Chemung Contractor Corporation and RS&H Engineers. RS&H is in the process of approving submittal from Chemung. The Airport staff worked with the FAA to get a Reimbursable Agreement in place for the flight test after the construction is completed. The notice-to-proceed will be issued for a construction start date of October 5th. The short runway will be closed during the 45 day rehabilitation project. The total contract time is 47 days. There have been some issues with getting electrical parts (light cans) necessary to complete the project and this could lead to delays in getting the lighting system up and running.

FAA ATC TOWER LEAK & ROOF REPLACEMENT

This project is out to bid. A mandatory pre-bid meeting was held on September 8^{th} . The bids are due on September 22^{nd} .

TERMINAL BUILDING ROOF REPLACEMENT

The lower bidder is MS Construction with a bid of \$120,600.00. The Airport has received a VDOA Maintenance grant for \$83,817.00 for this project. The project is scheduled to start the week of September 14th and should be completed in five (5) weeks. There will be some disruption in using the north door of the terminal building during the construction period.

VRE EXPANSION

The VRE is moving forward with appraisals and their design effort. The Airport staff has reviewed and submitted commits on the CATEX that the VRE plans to submit to the FAA for approval.

Page Three Airport Director's Report August 20, 2020

SE CORPORATE PAD SITE

The Airport must reimburse the VDOA for those areas of the SE Corporate Pad site development that was not eligible for State funding. The Department indicated that the Airport would have to pay the State back after the Chantilly Air FBO project was completed. This is expected to take place in June of this year. NO CHANGE.

AIRORT RULES AND REGULATIONS UPDATE

The Airport Staff will start the process of updating the Airport's Rules and Regulations in September. The process will be similar to the update of the Minimum Standards. Ms. Jolene Berry will lead the process from the Airport staff and the Chairman will appoint two members of the Commission to form the review committee.

OBSERVATION ROAD RELOCATION AND DRAINAGE IMPROVEMENTS

RS&H has submitted the 50% design effort for the relocation of Observation Road and additional drainage improvements. They have also submitted the Conditional Letter of Map Revision (CLOMAR) to the City and the County for their review. The City and County have both approved the CLOMAR application and the application has been submitted to the Corp of Engineers for review and comments. The Corps has 90 days to conduct their initial review. Once the comments are received, the preliminary design can be completed and the Airport can move forward with the final design for this project. NO UPDATE

SJCO FRANCHISE PROPOSAL

SJCO who has a Franchise with the Airport for the land and buildings that are occupied by Aurora Flight Sciences has requested the Airport Commission consider a proposal to add two additional 5-year periods to their Franchise. The City Attorney has indicated that due to Franchise Law, we are not able to entertain the proposal since we are not allowed to go beyond 40 years by law. The Airport Director informed SJCO that this was the case and that no other review of the proposal would be needed and not action would be taken.

APP JET CENTER (MANASSAS FBO)

Mr. Thom Harrow, President of APP Jet Center recently stated that the new hangar (19,000 sf) that is being built by APP will begin after Labor Day. He indicated that the project should be completed within the timeframe outlined in the Franchise. Manassas FBO was recently approved for IDA backed Bonds by the City Council. The City Attorney has approved the performance bond for this project and the permit should be issued shorty for this project.

HOT SPOT IDENTFIED ON AIRPORT

During the last RSAT meeting, the team discussed the need for a hot spot at the intersection of taxiway Kilo and Runway 16L/34R. A hot spot is defined as a location on an airport movement area with a history of potential risk of collision or runway incursion, and where heightened attention by pilots and drivers is necessary. There have been several issue with pilots who were cleared to taxiway B3, but instead turned left and taxi north on the runway without the proper clearance from ATC. The hot spot was published officially on September 10th.

SECONDED BY Member Cabrera and CARRIED UNANIMOUSLY

<u>ITEM 1.</u> <u>Airport Director's Report</u>

Mr. Rivera added to his report that Chemung Construction won the bid for the construction of Runway 16R 34L. During a recent lightning storm, 5 cameras went down, the airport staff will be doing most of the repair work to save about \$5000.

Member Cabrera asked how often lightning has taken out the cameras and what can we do to prevent this from happening again.

- 1.1 Overview of Strategic Plan Accomplishments (Staff: Jolene Berry)
- 1.2 Quarterly Report on Airport Operations and Fuel Flowage (Staff: Jolene Berry)

ITEM 2. Consent Agenda

All items listed under the consent agenda are considered to be routine and will be enacted by one motion. There will be no separate discussion of these items. If separate discussion is desired, that item will be removed from the consent agenda and considered separately.

SUGGESTED MOTION: "I move that the Consent Agenda be approved".

SUGGESTED MOTION #2: "I move that Items # and # be removed from the Consent Agenda and be added as Items # and #, respectively, and that the remaining Consent Agenda items be approved as it now appears".

[EXTERNAL]

Juan,

Good morning.

The Land Lease for the parking lot that serves the Broad Run Station executed by and between the City of Manassas, through the Airport Director, and Virginia Railway Express (VRE) will expire on November 14, 2020.

After internal conversation with VRE's CEO, Rich Dalton, as well as Christine Hoeffner, I understand that efforts to acquire this leased parcel are underway, specifically the title search subsequent to the

Item 4.1

appraisal. However, these steps toward land acquisition/negotiations have taken much longer than anticipated. Therefore, VRE proposes either amending the existing agreement to extend the term by 12-months or to execute a new short-term agreement with the City.

In response to the current COVID-19 pandemic and the impact on our financial position as the result of greatly diminished ridership, VRE also asks that the City consider waiving escalation for the period of November 2020 to November 2021, which escalation has historically been at the rate of 3% annually.

Please let me know your thoughts. I am happy to schedule a time for us to talk more about this topic.

Sincerely,

Kristin Nutter

AIRPORT COMMISSION AGENDA STATEMENT

MEETING DATE: September 17th 2020

TIME ESTIMATE: 5 Minutes

AGENDA ITEM TITLE: Consideration for moving the due date for two RFFP's to November 9th 2020

DATE THIS ITEM WAS LAST CONSIDERED BY

COMMISSION: N/A

TOPIC: The City of Manassas seeks proposals from all interested and qualified parties

for **TWO** leasing and development opportunities at Manassas Regional Airport (KHEF), Manassas, Virginia. Upon approval, successful proposers will enter into a Franchise Agreement with the City of Manassas. The proposals are due on September 28th at 7:00 p.m. to be open in public at the City Council meeting. The Airport Director has received several requests from prospective developers who have requested more time to put together their proposals. The proposed

date would coincide with the City Council meeting $\,$ scheduled for November 9^{th}

2020.

STAFF

RECOMMENDATION: Approve extending the due date for all RFFPs to November 9th, 2020 to increase

competition for the parcel(s).
