City of Manassas Buildings Closed to the Public

City of Manassas, VA . . . Out of an abundance of caution and concern for City residents and staff and given the rapidly evolving situation with novel coronavirus (COVID-19), City Manager W. Patrick Pate has decided to close all City of Manassas buildings to the public effective immediately until further notice. This means that residents may not enter City buildings at this time. However, residents may still call to access City of Manassas government services or visit the City website at www.manassascity.org for information, to pay bills, to report concerns or to complete City business.

Out of concern for our customers, there will be no water or electric shutoffs during this unprecedented pandemic event.

Please note, the Volunteer Reception honoring all volunteers for the City has been postponed until June 9, 2020. All events at the Manassas Museum, Parks and Recreation and the Harris Pavilion have been canceled at least through April 14.
